PERSONAL EXPLANATION

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, on rollcall Nos. 214 and 215, had I been present, I would have voted "yea."

HONORING HOUSE CHAPLAIN
DANIEL P. COUGHLIN

(Ms. PELOSI asked and was given permission to address the House for 1 minute.)

Ms. PELOSI. Mr. Speaker, my colleagues, earlier today in the House, a resolution was brought onto the floor honoring the 10 years that Father Coughlin has served us as the Chaplain of the House of Representatives.

We recognize that 10 years ago under the leadership of then-Speaker Dennis Hastert, he reached back to Illinois and named a parish priest, Father Coughlin, as the Chaplain of the House of Representatives. For those of us who are Roman Catholic, it was an honor because it was the first time a Catholic was the Chaplain of the House.

Five years after that, Father Coughlin took us to Rome for the funeral for Pope John Paul II, and in doing so, he was visiting Vatican City where he had participated in his priesthood. Before he came here, he was a parish priest. Before he came here, he had lived in a Trappist monastery in Kentucky and deepened his faith there. Before he came here, he had served the poor in Calcutta, India.

My own patron saint of the City of San Francisco, as I said earlier, he used to say, Preach the gospel; sometimes use words. That is what Father Coughlin did. He preached the gospel by ministering to the needs of the poor following the message of the gospel, and he also then served as a parish priest and came here to this House of Representatives.

In the meantime, last Sunday, as these two events converged—it's quite a coincidence—in Chicago, he was honored at a celebration of the 50th anniversary of his becoming a priest. The 50th anniversary. We all know Father Coughlin as a modest man, but in a moment of immodesty he told me earlier that 35 priests concelebrated the mass, the celebration of his ordination.

And there in the church to see was his mother, Lucille, 95 years old. Mr. LIPINSKI, the presenter of the resolution, was there as well, as well as Mr.

SENSENBRENNER and his wife, Cheryl. And I'm almost jealous of them for having that opportunity to be at that church to see that celebration, because every single day here we see his holiness, his goodness. We see him lead us in prayer at the beginning of the day under the engraving "In God We Trust." When he is not presenting that inspiration to us, he has invited other faith leaders to present at the invitation of Members of Congress.

But his goodness shines through. His inspiration to us is endless. The debt of gratitude that we have to him and to Lucille for what he has brought to us is endless. His service here has indeed been a blessing to this House of Representatives, and I am so pleased that we are all going to unanimously support the resolution honoring his 10 years of service here and recognizing his 50 years as a priest.

Thank you, Father Coughlin, for serving us so well.

I am pleased to yield to Leader BOEHNER.

Mr. BOEHNER. I thank the Speaker for yielding.

Let me associate myself with the Speaker's remarks about Father Coughlin. He really is quite an individual, and he is there for all of us. And I think that over the 10 years that he has served us, he has done a really, really marvelous job, and I think all of the Members would agree.

In the resolution that was on the floor earlier today celebrating his 10 years of service to the House, it mentioned that he is in his seventies. Now, he looks pretty good for a guy in his seventies. Mr. HOYER is jealous because he is in his seventies as well. I remember what it took to be ordained a priest back in Father Coughlin's era, and so I am sure he is beyond just 70, Mr. HOYER, but I think he looks awfully good for a man in his seventies.

I think all of us realize that while Father Coughlin is here to lead us in the opening prayer or to work with other ministers who come, he is also there for our spiritual guidance—days when we're sad and, frankly, days when we're happy.

But to celebrate 50 years in the priesthood, that is 50 years of a lot of service to a lot of people. And on behalf of all of us, Father Coughlin, we thank you for your service and wish you a hearty congratulations.

GIVING BACK TO OUR VETERANS AND THEIR FAMILIES

(Mr. SCHIFF asked and was given permission to address the House for 1 minute.)

Mr. SCHIFF. Mr. Speaker, I rise in strong support of the Caregivers and Veterans Omnibus Health Services Act. Day in and day out our soldiers, sailors, airmen, marines and the Coast Guard put their lives on the line to protect our own.

Our men and women in uniform are the bravest among us, making unparalleled sacrifices to protect our precious liberties and freedoms, and we must do everything in our power to support them. This legislation is an important component of our ongoing effort to give back to our veterans and their families.

It will provide long overdue support to those who care for the disabled, ill and injured veterans. It will enhance health services for 1.8 million women veterans, including care for newborns for the first time in history. It will expand mental health services for veterans and health care access for veterans in rural areas. It will end co-pays for veterans who are catastrophically disabled.

Today we have an opportunity to provide for our veterans and families the valuable benefits they need, have earned and deserve. On behalf of our brave men and women in uniform, as well as their friends and family, I join my colleagues in strong support of the bill.

CONGRATULATING RAQUEL EGOZI BEHAR ON BEING RECOGNIZED AS THE 2010 MOTHER OF THE YEAR BY MIAMI JEWISH HEALTH SYSTEMS

Ms. ROS-LEHTINEN. Mr. Speaker, I would like to congratulate Raquel Egozi Behar, a great member of the South Florida community and a dear friend.

Next month Raquel will be recognized by the Miami Jewish Health Systems as the 2010 Mother of the Year. Her dedication and selfless service to the Latin Auxiliary and the Miami Jewish Health Systems have been exceptional. It is a testament to her character and her sense of community.
