Mr. SMITH of Washington. Mr. Speaker, this afternoon, on Wednesday, April 21, 2010, I was unable to be present for rollcall vote No. 216 (on the motion to suspend the rules and agree to H. Res. 1216). Had I been present, I would have voted "yes."

PERSONAL EXPLANATION

Mr. CONYERS. Mr. Speaker, on April 21, 2010, I regret that I was not present to vote on S. 1963, H. Res. 1104, and H. Res. 1216. Had I been present, I would have voted "yea" on all votes.

REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 3936

Mr. PENCE. Mr. Speaker, I ask unanimous consent that my name be withdrawn as a cosponsor of H.R. 3936.

The SPEAKER pro tempore (Mr. NYE). Is there objection to the request of the gentleman from Indiana?

There was no objection.

GIVING BACK TO OUR VETERANS AND THEIR FAMILIES

(Mr. SCHIFF asked and was given permission to address the House for 1 minute.)

Mr. SCHIFF. Mr. Speaker, I rise in strong support of the Caregivers and Veterans Omnibus Health Services Act. Day in and day out our soldiers, sailors, airmen, marines and the Coast Guard put their lives on the line to protect our own.

Our men and women in uniform are the bravest among us, making unparalleled sacrifices to protect our precious liberties and freedoms, and we must do everything in our power to support them. This legislation is an important component of our ongoing effort to give back to our veterans and their families.

It will provide long overdue support to those who care for the disabled, ill and injured veterans. It will enhance health services for 1.8 million women veterans, including care for newborns for the first time in history. It will expand mental health services for veterans and health care access for veterans in rural areas. It will end co-pays for veterans who are catastrophically disabled.

Today we have an opportunity to provide for our veterans and families the valuable benefits they need, have earned and deserve. On behalf of our brave men and women in uniform, as well as their friends and family, I join my colleagues in strong support of the bill.

CONGRATULATING RAQUEL EGOZI BEHAR ON BEING RECOGNIZED AS THE 2010 MOTHER OF THE YEAR BY MIAMI JEWISH HEALTH SYSTEMS

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, I would like to congratulate Raquel Egozi Behar, a great member of the South Florida community and a dear friend.

Next month Raquel will be recognized by the Miami Jewish Health Systems as the 2010 Mother of the Year. Her dedication and selfless service to the Latin Auxiliary and the Miami Jewish Health Systems have been exceptional. It is a testament to her character and her sense of community.

Raquel has also worked with the Miami Jewish Health Systems music therapy program. Despite all of her community service and engagement, the role she cherishes most of all is that of being a mother and a grandmother. Her values and her principles have inspired her loved ones.

Her daughter, Luisa, has become an active member of the Latin Auxiliary, serving on its board and her grandson, Max, has also become involved with the Auxiliary and the Miami Jewish Health Systems.

Raquel and her wonderful family are truly examples of L'dor V'dor, from generation to generation. I am proud to call Raquel a friend and South Florida is fortunate to have her.

Congratulations, Raquel, on this award.

ADDRESSING ALL TERRORIST THREATS

(Ms. LORETTA SANCHEZ of California asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. LORETTA SANCHEZ of California. Mr. Speaker, I rise today to recognize and honor our military forces who have fought valiantly to strengthen our counterterrorism strategy. My top priority as chairwoman of the House Armed Services Subcommittee on Terrorism, Unconventional Threats, and Capabilities is to provide all the necessary resources to our military in order to protect our country from terrorist threats.

I would like to especially recognize our U.S. Special Operations Forces, who have been an integral part of our counterterrorism strategy. The U.S. Special Operation Forces have been successful in developing valuable relationships with the governments in Pakistan and Afghanistan, ultimately leading to the capture of hundreds of al Qaeda fighters and affiliates.

However, terrorism is not limited to Iraq and Afghanistan. Currently, our forces are also in regions such as Yemen to root out terrorists and send a loud message to those who seek to do us harm that we will not let them operate freely like that.

Congress must be proactive about addressing all terrorist threats to our country through intelligence, diplomacy and with our Armed Forces.

FEDERAL GOVERNMENT MUST PAY SECURITY COSTS FOR DETROIT TERROR TRIAL

(Mrs. MILLER of Michigan asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. MILLER of Michigan. Mr. Speaker, since the attempted terrorist attack on Northwest Flight 253 on Christmas Day, I have been arguing that the terrorist at Detroit Metro Airport that was arrested there is an unlawful enemy combatant who should be tried in a military commission.

The decision to try this terrorist in civilian court, to give him the right to

remain silent, as well as giving him three taxpayer-funded attorneys, is absolutely wrong, in my opinion.

Mr. Speaker, as well, this trial will place undue costs and manpower burdens on the City of Detroit and the State of Michigan, neither of which is in a position to absorb additional security-related costs. It is wrong, Mr. Speaker, to ask hard-pressed communities, local communities, to pay these costs simply because we were the targets of this attack while we played no role in the decision to hold this trial in the City of Detroit.

It was the decision of Eric Holder and the Federal Government to try this terrorist in civilian court in Detroit, so I think that the additional costs to local and State government should be borne by the Federal Government. The Department of Homeland Security must stand up and guarantee to fund any cost to the City of Detroit or the County of Wayne or the State of Michigan that they would not normally incur.

EQUAL PAY DAY

(Ms. CHU asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. CHU. Imagine going to work every day for decades and giving your blood, sweat and tears to a company and then finding out your male colleagues were getting higher raises and making more money for years. That's what happened to Lilly Ledbetter, and she is one of the lucky ones because she was able to prove that she was paid less because she was a woman. The effect of lesser pay is immense. For a single woman, it can mean the loss of up to \$2 million over a career, not to mention lower pension and Social Security payments for the rest of her life.

Today, more women are graduating from college than men, yet full-time working women with the same major and same degree earn only 80 percent compared to their male colleagues. That is unacceptable. At this rate, my three young nieces will be receiving Social Security before they get the equal pay they deserve.

But I refuse to wait that long. That is why the Senate must pass the Paycheck Fairness Act which stiffens penalties for employers who discriminate based on gender. I stand today to urge the Senate to support the women of America. There must be equal pay for equal work.

RECOGNIZING PETE JOENKS FOR HIS COMMITMENT TO STUDENTS AND EDUCATION IN THE STATE OF ARKANSAS

(Mr. BOOZMAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BOOZMAN. Mr. Speaker, I rise today to recognize Mr. Pete Joenks for the honor and recognition of being named Assistant Principal of the Year for the State of Arkansas.

Mr. Joenks earned his masters in education from the University of Arkansas in Fayetteville and went on to teach physics and chemistry for 15 years prior to becoming assistant principal at Springdale High School. The innovative programs he created like The Sophomore Center at Springdale High School which led to higher achievement and less absenteeism among students is a testament to his character and passion to educate. This program truly helped those at-risk students at Springdale High School to perform better in school and to make more of their education. Mr. Joenks also created Adopt-A-Pup, which assigns every at-risk student with a mentor to help them achieve better in school.

I am proud of Mr. Pete Joenks for his commitment to education and his efforts to improve the lives of students in Arkansas, and this is a well-deserved honor.

IRAN SANCTIONS

(Mrs. HALVORSON asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. HALVORSON. Mr. Speaker, the House will soon take an important step by approving a motion to go to conference on H.R. 2194, the Comprehensive Iran Sanctions, Accountability and Divestment Act. Last December, the House voted overwhelmingly in support of this bipartisan legislation. Now we need to act quickly on the conference report so that we can send a bill to the President. Every day we delay is another day that Iran grows closer to acquiring a nuclear weapon.

A nuclear Iran is an unacceptable scenario that would be a threat to the State of Israel, our trusted ally, and could destabilize the entire Middle East. It would also be a threat to our own national security. Enacting strong, crippling sanctions on the Iranian regime will send a clear signal to the international community that we need to work together to prevent a nuclear Iran. I look forward to working with my colleagues and the administration to make this happen.

CONGRATULATING MCKAY-DEE HOSPITAL FOR 100 YEARS OF SERVICE

(Mr. BISHOP of Utah asked and was given permission to address the House for 1 minute.)

Mr. BISHOP of Utah. Mr. Speaker, I rise today to recognize one of Utah's great medical institutions, McKay-Dee Hospital, as it celebrates 100 years of service.

Founded by Annie Taylor Dee in Ogden, Utah, its goal was to bring medical services to underserved areas. In
