

five and then six Native American Indian nations. Its capital was called Onondaga, and, indeed, the word means "on top of the hill" and was very, very close to where Syracuse is now—the city that I'm from—and it's a very, very special place. The college that, indeed, these teams are from is named after that original people.

Our community colleges are a tremendous asset that are too often taken for granted in our communities. In my community, we have one of the best community colleges, Onondaga Community College, and today I rise to congratulate two great lacrosse teams from this college. Before I do, I want to congratulate this college for its academics.

This college is becoming one of the best 2-year institutions of higher learning in this country, thanks in large part to the leadership of President Debbie Sydow. Onondaga is at the forefront of providing education to its students, and exhibits excellence in the high-tech and cutting-edge careers that are becoming the future of the economy in central New York and, indeed, in the country as a whole, particularly in the areas of health care, environmental technology, and high-tech manufacturing. It has become a center for art, music, and culture in our community. And with its extremely popular residence facilities, it now offers the full college experience.

After two or more years of study at Onondaga, students have gone on to transfer their credits and continue their education at some of the most prestigious institutions of higher learning in this country, including Columbia, Cornell, Syracuse University, the Rhode Island School of Design, NYU, University of Southern California, and Clarkson.

But I am here today to rise in congratulations of two of the college teams. I am going to congratulate one team now because that's the subject of H. Res. 561, and then I am hoping the gentlelady will yield to me when we consider H. Res. 563. I will talk about the other team.

Mr. Speaker, I want to congratulate the Onondaga Community College Lady Lazars for winning the 2009 National Junior College Athletic Association women's lacrosse tournament. I am incredibly proud to represent the Lady Lazars. They had an incredible season and, of course, this national championship.

In 2009, as mentioned, their inaugural season, the Lady Lazars defeated Monroe Community College 9-7 in the finals of the NJCAA women's lacrosse tournament at Herkimer County Community College. This was the conclusion of a fantastic season by a fantastic team. Three Lady Lazars were named First Team NJCAA All-Americans, and all of the Lady Lazars were tremendous representatives of Onondaga College and their community. The 2010 season is already well underway, and the Lady Lazars are currently ranked number two in the country with a 7-1 record.

I ask my colleagues to join me in congratulating the OCC Lady Lazars on a tremendous season and a 2009 NJCAA national championship.

Ms. WOOLSEY. Mr. Speaker, I urge my colleagues to support H. Res. 561, congratulating the Onondaga Community College Lady Lazars for winning the National Junior College Athletic Association Division I Women's Lacrosse Tournament.

With that, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from California (Ms. WOOLSEY) that the House suspend the rules and agree to the resolution, H. Res. 561.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the resolution was agreed to.

A motion to reconsider was laid on the table.

Ms. WOOLSEY. Mr. Speaker, I request 5 legislative days during which

Members may revise and extend and insert extraneous materials on H. Res. 563 into the RECORD.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from California?

There was no objection.

Ms. WOOLSEY. Mr. Speaker, I yield myself as much time as I may consume.

Mr. Speaker, I rise today to congratulate the Onondaga Community College Lazars for winning the National Junior College Athletic Association Division I Men's Lacrosse Tournament. On May 10, 2009, the Onondaga Community College Lazars men's lacrosse team defeated Nassau Community College with a final score of 9-8 during the finals of the NJCAA Division I Men's Lacrosse Tournament at Herkimer County Community College.

The game that secured the Lazars' victory was remarkable, as it marked the third national title for Onondaga Community College's men's lacrosse program. The victory was also especially sweet as it concluded an undefeated season for the team. In addition to winning the NJCAA division championship, the 2009 men's team also won its fifth consecutive NJCAA Region III championship as well as its ninth consecutive Mid-State Athletic Conference title in 2009.

I congratulate Head Coach Chuck Wilbur on winning eight consecutive Mid-State Athletic Conference championships, five consecutive Region III championships, and three national championships. Chuck was named the NJCAA Men's Lacrosse Coaches Association National Coach of the Year in 2009, the third time he was given that honor.

I also wish to congratulate attack man Jerome Thompson and midfielder Jeremy Thompson, who were named the offensive and defensive players of the year, respectively, by the NJCAA Men's Lacrosse Coaches Association. In addition to Jerome Thompson and Jeremy Thompson, midfielder Ed Prevost, defenseman Pete Mumford, and goalie Jon Fiorillo were all named to the NJCAA All-American First Team.

In 2009, Mr. Speaker, Onondaga Community College became the first college in NCAA history to achieve two simultaneous national championships in men's and women's lacrosse, with both the men's Lazars team winning the title along with the Lady Lazars team. Onondaga Community College is very proud of its athletes as well as its academic programs.

I congratulate each member of the team, and I congratulate the community college family on winning the NJCAA Division I championship, and I wish them great success in 2010 for their men's lacrosse season.

I thank Representative MAFFEI for bringing this resolution forward, and I urge my colleagues to support this measure.

With that, I reserve the balance of my time.

Mr. PETRI. Mr. Speaker, I yield myself such time as I may consume.

I rise today in support of Representative MAFFEI's resolution, House Resolution 563, congratulating the Onondaga Community College Lazars for winning the National Junior College Athletic Association Division I Men's Lacrosse Tournament.

Onondaga Community College is a college of the State University of New York system and one of 30 locally sponsored community colleges throughout New York State. They offer 2-year degree programs that serve as transfer opportunities for baccalaureate degree programs at 4-year campuses and for direct entry to the workforce, and they offer certificate programs that can be completed in 1 year. The college currently has over 11,000 students enrolled and strives to provide the full college experience.

The Onondaga Community College men's lacrosse team is an example of the college's excellence, with three national titles to its name. The team has included 35 All-American and 47 Lacrosse Coaches Association Academic All-Americans. The 2009 men's lacrosse team completed the season 16-0, an undefeated season.

□ 1500

The team captured the 2009 NJCAA National Championship against Nassau Community College on May 10, 2009, with a 9-8 victory, closer than the ladies who won 9-7. Jerome Thompson and Jon Fiorillo were named the offensive and defensive players of the year, and Head Coach Chuck Wilbur was named the NJCAA Men's Lacrosse Coach of the Year.

I stand to congratulate the Onondaga Community College men's lacrosse team, Coach Chuck Wilbur, the students and fans, and the faculty and staff at OCC. I urge my colleagues to support the resolution before us.

I yield back the balance of my time.

Ms. WOOLSEY. Mr. Speaker, I am pleased to recognize the gentleman from New York (Mr. MAFFEI) for such time as he may consume.

Mr. MAFFEI. I thank the gentleman from California as well as the gentleman from Wisconsin. We have had a very, very good year in lacrosse last year in upstate New York. In fact, a good portion of the bills that I have come to sponsor on the floor have been congratulatory resolutions for all of the various teams that we have had. Syracuse University won its tournament. Le Moyne was second in its division in lacrosse, and we have already mentioned the OCC women.

But, Mr. Speaker, I think the word that the gentleman from Wisconsin used, "excellence," is the only way to describe this particular team. These young men had extremely high expectations on their shoulders, and yet they exceeded even those.

So I rise to congratulate the Onondaga Community College Lazars for winning the 2009 National Junior Col-

lege Athletic Association men's lacrosse tournament. I am incredibly proud to be the congressman who represents the Lazars, and I am incredibly proud of them for an undefeated season and their third national championship in the past 4 years.

In 2009, the Lazars defeated Nassau Community College 9-8 in the finals of the NJCAA men's lacrosse tournament at Herkimer County Community College. This was the conclusion of a great season with many talented players, too numerous to mention here, but I will say that Jerome Thompson and Jon Fiorillo were named the offensive and defensive players of the year, and Head Coach Chuck Wilbur was named the NJCAA Coach of the Year.

All of the Lazars are tremendous representatives of their school and their community. The 2010 season is well underway, and the Lazars are currently ranked number 3 in the country with an 11-2 record.

I ask my colleagues to join me in congratulating the Onondaga Lazars on a tremendous season and a 2009 NJCAA national championship.

Ms. WOOLSEY. Mr. Speaker, I urge my colleagues to support H. Res. 563 congratulating the Onondaga Community College Lazars for winning the NJCAA Division I men's lacrosse tournament.

I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Ms. WOOLSEY) that the House suspend the rules and agree to the resolution, H. Res. 563.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the resolution was agreed to.

A motion to reconsider was laid on the table.

GENERAL LEAVE

Ms. WOOLSEY. Mr. Speaker, I request 5 legislative days during which Members may revise and extend and insert extraneous material on H. Res. 1280 into the RECORD.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

Ms. WOOLSEY. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise today in support of H. Res. 1280, a resolution recognizing the goals and ideals of National Healthy Schools Day.

Every year we celebrate National Healthy Schools Day to promote healthy and green school environments for all children. Across the country, more than 55 million children and 7 million adults spend their days in over 125,000 public and private schools in the United States. That is why it is essential that we recognize the importance of healthy learning environments. This year, National Healthy Schools Day 2010 focuses on the importance of good indoor air quality, nontoxic cleaning supplies, and environmentally friendly building materials.

The need for healthy schools is clear. Scientific studies show that poor environmental conditions in schools harm students' health and academic achievement. On the other hand, healthy
