A motion to reconsider was laid on the table.

Stated for:

Mr. NAPOLITANO. Mr. Speaker, I was absent during rollcall vote No. 357. Had I been present, I would have voted “yea” on the motion to suspend the rules and pass H.R. 5502, the ECO-Gift Card Act, which amends the effective date of the gift card provisions of the Credit Card Accountability Responsibility and Disclosure Act of 2009.

#### PERSONAL EXPLANATION

Mr. INSLEE. Mr. Speaker, today, in order to attend important meetings in my district, I was absent from votes on H. Res. 1368, Supporting the goals of National Dairy Month; H. Res. 1409, Expressing support for designation

of June 20, 2010, as “American Eagle Day”, and celebrating the recovery and restoration of the bald eagle, the national symbol of the United States; and H.R. 5502, ECO-Gift Card Act. Should I have been present, I would have supported these resolutions.

#### PERSONAL EXPLANATION

Ms. KILPATRICK. Mr. Speaker, I was unable to attend several votes today, June 14, 2010. Had I been present, I would have voted “aye” on final passage of H. Res. 1368, “aye” on final passage of H. Res. 1409 and “aye” on final passage of H.R. 5502.

#### PERSONAL EXPLANATION

Mr. GUTIERREZ. Mr. Speaker, I was unavoidably absent for votes in the House Chamber today. Had I been present, I would have voted “yea” on rollcall votes 355, 356, and 357.

#### REPORT ON RESOLUTION PROVIDING FOR CONSIDERATION OF H.R. 5486, SMALL BUSINESS JOBS TAX RELIEF ACT OF 2010; AND PROVIDING FOR CONSIDERATION OF H.R. 5297, SMALL BUSINESS LENDING FUND ACT OF 2010

Ms. PINGREE of Maine, from the Committee on Rules, submitted a privileged report (Rept. No. 111-506) on the resolution (H. #### 2010 TONY AWARDS: “MEMPHIS” WINS BEST MUSICAL

(Mr. COHEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. COHEN. Mr. Speaker, yesterday evening in New York City, the Tony Awards were presented, and I was very proud that the play “Memphis” was awarded the best musical. It also received three other Tonys—for best book and best score and best orchestrations.

Mr. Bryan and Mr. DiPietro put a great play on Broadway that talks about racial reconciliation and a city that has a great deal of love and a great deal of music in it that comes to the screen and won a Tony. It's a great honor; but I encourage people even more so to come to Memphis to see the original cast, where a city that is alive and breathing with entertainment and great venues for fun and racial reconciliation exists. The music, the life,

the spirit, the original production. Memphis, Tennessee.

#### LEAGUE AGAINST CANCER

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, I am pleased to recognize La Liga Contra el Cancer, the League Against Cancer, a South Florida nonprofit group committed to providing free medical care and assistance to cancer patients who would otherwise not have the necessary financial resources to fight such a difficult battle.

Since 1975, La Liga has served more than 50,000 low-income individuals. The positive impact that this organization has had on our community is without question, and we should all be grateful for its efforts.

Just this month, the League hosted its premier event to raise cancer awareness and funding for care. Residents of our area certainly answered the call, pledging much needed help for cancer victims through La Liga. In fact, they pledged over \$4.5 million to the League.

South Floridians in general, and each and every member of the League in specific, are committed to fighting cancer in all forms.

Again, I congratulate the League Against Cancer for its successful event that results in saving lives in our community.

#### DISAPPOINTMENTS PILE UP

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, as we continue to find out what is in the health care bill, the disappointments pile up.

The publication "Politico" reported on June 8, "Part of the health care overall due to kick in this September could strip more than 1 million people of their insurance coverage, violating a key goal of President Barack Obama's reforms."

These limited benefit plans provide insurance to part-time workers and retail and restaurant employees. The plans are called mini-med plans. They are priced low to impose a maximum on insurance payouts in a year and to restrict the number of covered doctor visits, according to the article. The current health care reform would prohibit these plans because there is a ban in the law on annual caps.

Employer and trade associations, like 7-Eleven, the National Restaurant Association, and the U.S. Chamber of

Commerce, have asked that these low-cost plans be allowed to continue despite the law. In their letter, these groups explain that if the ban is strictly implemented, this population would likely be left with no coverage until 2014. We are talking about 1.4 million people who will not be allowed to keep their present insurance.

So much for promises.

#### PAY DOWN NATIONAL DEBT

(Mr. ROONEY asked and was given permission to address the House for 1 minute.)

Mr. ROONEY. Mr. Speaker, instead of attempting to pay down the national debt, this Congress continues to spend taxpayer dollars into oblivion. Outside the Beltway, whether you are paying credit card bills or just paying your taxes, you are held accountable for your spending habits and for paying back the money you owe.

What I discovered during my first year in Congress is that those in power have no regard for the billions that they spend each day and are not interested in developing ways to pay back this borrowed money. Day after way day, the American people call for us to stop the out-of-control spending. This Congress ignored those pleas and charges full speed ahead, mounting a \$13 trillion national debt.

Americans rightly expect their government to pass a budget plan to get this spending under control. But, instead, Congress has neglected to pass a budget resolution, and the future looks grim. I am incredibly frustrated with this Congress, and I know my constituents feel the same way.

#### COMMUNICATION FROM THE CLERK OF THE HOUSE

The SPEAKER pro tempore laid before the House the following communication from the Clerk of the House of Representatives:

OFFICE OF THE CLERK,  
HOUSE OF REPRESENTATIVES,  
Washington, DC., June 14, 2010.

Hon. NANCY PELOSI,  
The Speaker, H-232 U.S. Capitol, House of Representatives, Washington, DC.

DEAR MADAM SPEAKER: Pursuant to the permission granted in Clause 2(h) of Rule II of the Rules of the U.S. House of Representatives, I have the honor to transmit a sealed envelope received from the White House on Tuesday, June 14, 2010 at 2:55 p.m., and said to contain a message from the President whereby he notifies the Congress that he has extended the national emergency with respect to North Korea beyond June 26, 2010, by notice filed earlier with the Federal Register.

With best wishes, I am

Sincerely,

LORRAINE C. MILLER.

#### CONTINUATION OF NATIONAL EMERGENCY WITH RESPECT TO NORTH KOREA—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 111-121)

The SPEAKER pro tempore laid before the House the following message

from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Foreign and ordered to be printed:

*To the Congress of the United States:*

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency declared in Executive Order 13466 of June 26, 2008, is to continue in effect beyond June 26, 2010.

The existence and the risk of proliferation of weapons-usable fissile material on the Korean Peninsula constitute a continuing unusual and extraordinary threat to the national security and foreign policy of the United States. For this reason, I have determined that it is necessary to continue the national emergency and maintain certain restrictions with respect, to North Korea and North Korean nationals.

BARACK OBAMA.  
THE WHITE HOUSE, June 14, 2010.

#### SPECIAL ORDERS

The SPEAKER pro tempore. Under the Speaker's announced policy of January 6, 2009, and under a previous order of the House, the following Members will be recognized for 5 minutes each.

Mr. SCOTT of Georgia. Mr. Speaker, ladies and gentlemen of the House and the good people of America, I rise on a very special occasion, to pay tribute and to recognize the outstanding and excellent work of one of my constituents in Douglasville, Georgia, in Douglas County. This is an extraordinary story. This young individual, Mr. Ricky Dobbs, who is a native of Douglasville, Georgia, and a graduate of Douglas County High School has gone on to excellence and greatness in an extraordinary career of academic achievement as well as athletic achievement.

During his years as a Douglas County High School student, he portrayed such a commendable attribute that his teachers affectionately referred to him as "the Mayor." He was the recipient of the Faculty Cup at his commencement ceremony in 2006. Ricky Dobbs, who has demonstrated outstanding achievement in academics, was accepted into the United States Naval Academy in Annapolis. And in sports, he is
