ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). There are 2 minutes remaining.

□ 1128

So the motion to adjourn was rejected.

The result of the vote was announced as above recorded.

PERSONAL EXPLANATION

Mr. JOHNSON of Illinois. Madam Speaker, unfortunately this morning, Tuesday, June 29th, I was unable to cast my votes on Approving the Journal, H. Res. 1439, and on the Motion to Adjourn and wish the RECORD to reflect my intentions had I been able to vote. Last night I was conducting a town hall meeting at the Philo City Hall in Philo, Illinois and was unable to catch an airplane that would get me to Washington, DC in time for the 10:30 a.m. votes.

Had I been present on rollcall No. 395 on Approving the Journal, I would have voted "aye."

Had I been present on rollcall No. 396 on suspending the rules and passing H. Res. 1439, Congratulating the Chicago Blackhawks on winning the 2010 Stanley Cup Championship, I would have voted "aye."

Had I been present of rollcall No. 397 on the Motion to Adjourn, I would have voted "aye."

PERSONAL EXPLANATION

Mr. BOSWELL. Madam Speaker, I regret missing morning votes in the House on June 29th due to a flight cancellation. Had I been present, I would have voted "aye" on rollcall votes 395 and 396 and "nay" or rollcall vote 397, and I ask that my statement be placed in the appropriate place in the RECORD to reflect this.

PERSONAL EXPLANATION

Ms. GIFFORDS. Madam Speaker, today I was absent and missed rollcall votes 395, 396, and 397.

Had I been present, I would have voted "aye" on rollcall 395, "aye" on rollcall 396, and "nay" on 397.

PLEDGE OF ALLEGIANCE

The SPEAKER pro tempore. Will the gentlewoman from Texas (Ms. EDDIE BERNICE JOHNSON) come forward and lead the House in the Pledge of Allegiance.

Ms. EDDIE BERNICE JOHNSON of Texas led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

WELCOMING THE REVEREND DR.
PAUL W. POWELL

The SPEAKER pro tempore. Without objection, the gentleman from Texas (Mr. GOHMERT) is recognized for 1 minute.

There was no objection.

Mr. GOHMERT. Madam Speaker, our guest chaplain today has been Reverend Dr. Paul W. Powell. He is retired dean of Baylor University's Truett Theological Seminary and is a distinguished graduate of both Baylor and Southwestern Baptist Theological Seminary. He has also been the president of the Southern Baptist Annuity Board and Baptist General Convention of Texas, along with a vast array of offices with many charitable institutions too numerous to mention.

He is an author of 36 books and has been pastor of churches all over Texas and spanned two decades as pastor of Green Acres Baptist Church in Tyler, Texas, leading our church from about 700 members to over 7,000, where it fed and clothed the poor through founding the Good Samaritan Outreach Center and People Attempting to Help. Under his direction, our church began Hispanic church ministries, a Korean church ministry, dental and medical outreach ministries, as well as churches in Mexico, Belize, and many other places. Green Acres became the largest single donor to missions in the entire Southern Baptist Convention.

He and his wife, Cathy, have three children: Kent, Mike, and Lori; and three grandchildren: Jordan, Katie, and Matthew.

He is now the interim pastor of First Baptist Church in Tyler. He brings wisdom, accountability, growth, life, and light wherever he serves and truly has a heart after God's own. Seeking always to serve, he has been pastor, dean, president, chairman, director, officer, trustee of so many entities, but of most importance to me, he has been a friend, mentor, confidant, encourager, and inspiration.

May God bless Paul Powell and his family.

JOBS AND THE ECONOMY

(Ms. EDDIE BERNICE JOHNSON of Texas asked and was given permission to address the House for 1 minute.)

Ms. EDDIE BERNICE JOHNSON of Texas. Madam Speaker, we continue to see a growing sign of economic recovery resulting from the economic policies of the Democratic Congress and the Obama administration responding to the Bush recession and the worst financial crisis since the Great Depression. More must be done to create jobs and save jobs, but the latest signs of recovery include: Industrial production has increased a cumulative 8.1 percent during the last 11 months, the largest 11-month gain since 1997.

Total industrial production rose 1.2 percent in May. The increase, slightly

above market expectations, was led by a strong .9 percent growth in manufacturing output. Industrial production has grown at a rate of 7.4 percent annually for this past quarter, on the heels of 7.6 percent annualized growth in the first quarter.

Madam Speaker, we are on our way in the right direction.

ADOPTION OF THE BUDGET

(Ms. FOXX asked and was given permission to address the House for 1 minute.)

Ms. FOXX. Madam Speaker, when I'm home in the Fifth District of North Carolina, folks tell me they're concerned about the debt, the deficit, and job loss.

What's the reaction of those in charge of Congress?

Well, they canceled the adoption of the budget. House Democrats have failed in their responsibility to lead by not proposing or passing a 2011 budget resolution. The House has never failed to pass an annual budget resolution since the current budget rules were put in place in 1974.

In 2006, then House Whip, Steny Hoyer, now House majority leader, said the most basic responsibility of governing is enacting a budget. Where's that responsibility now?

They plan a deeming resolution later in the week. That is not a substitute for a budget.

Democrat jobs bills have failed to create jobs. Democrats continue to spend at a near record pace. Through the first 8 months of the current fiscal year, the Federal Government amassed \$935 billion in deficit spending on track to an annual deficit approaching last year's record \$1.4 trillion.

PUTTING PEOPLE BACK TO WORK

(Ms. KILPATRICK of Michigan asked and was given permission to address the House for 1 minute.)

Ms. KILPATRICK of Michigan. Madam Speaker, I rise to talk about the emergency that our country is in. Over 15 million Americans are unemployed, unemployed presently and unemployed in the last three years. Many more are long-term unemployed. We need an emergency bill that will put people back to work.

In the 1970s and 1980s, President Reagan, President Carter started what was called the Comprehensive Employment Training Act, or CETA, put \$50 million in it, and hired 20 million Americans across the country. We need such a jobs bill today.

This Congress has done some things. The President has worked with us, and we've passed legislation and bills that helped small businesses to hire and to get tax incentives. But what America needs is to address the emergency now.

Home sales are down. Foreclosures are up. Americans want to work. It's our responsibility that we help them do so.

Today, let's pass a real jobs bill similar to the CETA Comprehensive Employment Training Act.

Is it an emergency? Yes, it is. Should it be offset? Are the American people an emergency? I believe that they are.

USC COLLEGE WORLD SERIES

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Madam Speaker, congratulations to the University of South Carolina's baseball team for a spectacular showing in the College World Series at Omaha, Nebraska.

The journey to this point hasn't been the easiest for the Gamecocks. The team overcame an opening loss and then won four consecutive games for the finals. Gamecocks proved persistent. The USA Today headline says "South Carolina in command after Game 1 victory."

I'm very proud of the way these student athletes are representing the University of South Carolina on the national stage. Whit Merrifield, first cousin of congressional staffer Melissa Hite of Irmo, withstood a hard collision in South Carolina's victory on Saturday and stayed in the game, ultimately bumping his average to .300 in the College World Series.

And talk about stats. Lead-off hitter Evan Marzilli has an impressive .378 batting average, to always start things off right. Second District resident Blake Cooper last night was MVP, with an outstanding defeat over UCLA in championship game one.

Congratulations to USC Coach Ray Tanner for his leadership and determination.

HONORING WEST MESA HIGH SCHOOL IN ALBUQUERQUE, NEW MEXICO

(Mr. HEINRICH asked and was given permission to address the House for 1 minute.)

Mr. HEINRICH. Madam Speaker, I rise today in honor of West Mesa High School in Albuquerque, New Mexico, which was recently selected as one of America's best high schools by Newsweek magazine.

Since 1966, West Mesa High School has been the heart of Albuquerque's west side. Recently the school was a great partner when they hosted one of my job fairs, as well as my service academy nomination information night.

Last year the school had an outstanding 75 percent of its students enrolled in at least one advanced placement course, the kind of rigorous classes that push students to achieve their potential and lead our Nation in the 21st century.

The late educator, Jaime Escalante, associated with the film "Stand and Deliver," told his students, You do not enter the future; you create the future.
