ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE  
The SPEAKER pro tempore (during the vote). There are 2 minutes remaining on this vote.

□ 1243

So (two-thirds being in the affirmative) the rules were suspended and the resolution, as amended, was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

COMMEMORATING 65TH ANNIVERSARY OF THE LIBERATION OF AUSCHWITZ

The SPEAKER pro tempore. The unfinished business is the question on suspending the rules and agreeing to the resolution, H. Res. 1044, as amended.

The Clerk read the title of the resolution.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Florida (Mr. KLEIN) that the House suspend the rules and agree to the resolution, H. Res. 1044, as amended.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. McGOVERN. Madam Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. This will be a 5-minute vote.

The vote was taken by electronic device, and there were—yeas 414, nays 0, not voting 19, as follows:

[Roll No. 33]

□ 1250

So (two-thirds being in the affirmative) the rules were suspended and the resolution, as amended, was agreed to.

The result of the vote was announced as above recorded.

The title of the resolution was amended so as to read: "Commemorating the 65th anniversary of the liberation of Auschwitz, a Nazi concentration and extermination camp, honoring the victims of the Holocaust, and expressing commitment to strengthen the fight against anti-semitism, bigotry, and intolerance."

A motion to reconsider was laid on the table.

#### GENERAL LEAVE

Mr. GORDON of Tennessee. I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and include extraneous material on the bill, H.R. 4061.

The SPEAKER pro tempore (Ms. RICHARDSON). Is there objection to the request of the gentleman from Tennessee?

There was no objection.

#### CYBERSECURITY ENHANCEMENT ACT OF 2009

The SPEAKER pro tempore. Pursuant to House Resolution 1051 and rule XVIII, the Chair declares the House in the Committee of the Whole House on the State of the Union for the consideration of the bill, H.R. 4061.

□ 1254

#### IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the State of the Union for the consideration of the bill (H.R. 4061) to advance cybersecurity research, development, and technical standards, and for other purposes, with Ms. MCCOLLUM in the chair.

The Clerk read the title of the bill.

The CHAIR. Pursuant to the rule, the bill is considered as having been read the first time.

Under the rule, the gentleman from Tennessee (Mr. GORDON) and the gentleman from Texas (Mr. HALL) each will control 30 minutes.

The Chair recognizes the gentleman from Tennessee.

Mr. GORDON of Tennessee. Madam Chairman, I yield myself such time as I may consume.

I would like to begin by thanking my colleagues, Dr. LIPINSKI, Dr. EHLERS, Mr. WU, Mr. SMITH and Mr. HALL for their contributions to the good bipartisan bill we are considering today. I would also like to take a moment to thank the various staffers who worked on this bill: Marcy Gallo, Travis Hite, Dahlia Sokolov and Mike Quear on the majority side; and Dan Byers and Mele Williams on the minority staff. We could not bring a good bill like this together without their help.

Last fall, the House passed a resolution recognizing National Cybersecurity Awareness Month. The resolution stated that we will need to build strong partnerships between Federal agencies, business and nongovernmental organizations and educational institutions in order to enhance the state of cybersecurity in the United States.

H.R. 4061 implements this principle of public-private partnerships in three areas: coordinating and prioritizing the

Federal cybersecurity R&D portfolio, improving the transfer of cybersecurity technologies to the marketplace, and training an IT workforce that can meet the growing needs of both public and private sectors.

H.R. 4061 strengthens research and innovation partnerships through the requirement for a strategic plan for cybersecurity R&D that is based on an assessment of risk to our Nation and its population. In developing this plan, the Federal Government must solicit input from all stakeholders, including industry and colleges and universities. The plan must also describe how the agencies will support the transfer of promising technologies from our national labs and universities to the private sector.

Finally, the Federal agencies must convene a university-industry task force to explore collaborative models of cybersecurity. We need to get the best ideas of our scientists and engineers out of the lab and into the marketplace where they can contribute to our collective security and general economic growth.

H.R. 4061 builds educational partnerships to create a well-trained workforce and an informed public. Specifically, H.R. 4061 taps into our colleges and universities by providing scholarships to students pursuing degrees in cybersecurity in exchange for their service in the Federal IT workforce. The legislation also requires NIST to disseminate the cybersecurity best practices to individuals and small businesses in a more user-friendly format.

But the Internet doesn't stop at our borders, which means that improving cybersecurity also requires international partnerships. H.R. 4061 addresses this by requiring NIST to develop a comprehensive international cybersecurity strategy that defines what cybersecurity technical standards we need, where they are being developed, and ensures that the United States is represented.

Many organizations support this legislation, including the U.S. Chamber of Commerce, U.S. Telecommunication Association, the National Cable and Telecommunications Association, the Business Software Alliance, the Association for Computing Machinery, the Computing Research Association, Sun Microsystems, the University of Illinois at Urbana, the Georgia Institute of Technology, the Software and Information Industry Association, Applied Visions, Inc., Verisign, CA, Inc., Symantec Corporation, McAfee, Inc., and TechAmerica, among others.

But we have also had the support of our colleagues from New York and the chairman of the Oversight and Government Reform Committee, Mr. TOWNS. And at this point, I would like to insert an exchange of letters into the RECORD between myself and Mr. TOWNS.

HOUSE OF REPRESENTATIVES, COMMITTEE ON OVERSIGHT AND GOVERNMENT REFORM,

Washington, DC, February 2, 2010.

Hon. BART GORDON,  
Chairman, Committee on Science and Technology, Rayburn House Office Building, Washington, DC.

DEAR CHAIRMAN GORDON: I write to you regarding H.R. 4061, the "Cybersecurity Enhancement Act of 2009".

H.R. 4061 contains provisions that fall within the jurisdiction of the Committee on Oversight and Government Reform, including provisions related to the federal workforce. I recognize and appreciate your desire to bring this legislation before the House in an expeditious manner and, accordingly, I will not seek a sequential referral of the bill.

However, agreeing to waive consideration of this bill should not be construed as the Committee on Oversight and Government Reform waiving its jurisdiction over H.R. 4061. Further, the Committee on Oversight and Government Reform reserves the right to seek the appointment of conferees during any House-Senate conference convened on this legislation on provisions of the bill that are within the Committee's jurisdiction.

I look forward to working with you as we prepare to pass this important legislation.

Sincerely,

EDOLPHUS TOWNS,  
Chairman.

HOUSE OF REPRESENTATIVES, COMMITTEE ON SCIENCE AND TECHNOLOGY,

Washington, DC, February 2, 2010.

Hon. EDOLPHUS TOWNS,  
Chairman, Committee on Oversight and Government Reform, House of Representatives, Rayburn House Office Building, Washington, DC.

DEAR CHAIRMAN TOWNS: Thank you for your February 2, 2010 letter regarding H.R. 4061, the Cybersecurity Enhancement Act of 2009. Your support for this legislation and your assistance in ensuring its timely consideration are greatly appreciated.

I agree that provisions in the bill are of jurisdictional interest to the Committee on Oversight and Government Reform. I acknowledge that by forgoing a sequential referral, your Committee is not relinquishing its jurisdiction and I will fully support your request to be represented in a House-Senate conference on those provisions over which the Committee on Oversight and Government Reform has jurisdiction in H.R. 4061. A copy of our letters will be placed in the Congressional Record during consideration of the bill on the House floor.

I value your cooperation and look forward to working with you as we move ahead with this important legislation.

Sincerely,

BART GORDON,  
Chairman.

In conclusion, H.R. 4061 is a good, bipartisan bill that strengthens public-private partnerships, ensures an overall vision for the Federal cybersecurity R&D portfolio, trains the next generation of cybersecurity professionals, and improves the cybersecurity technical standards.

I urge my colleagues to support H.R. 4061.

Madam Chair, I reserve the balance of my time.

Mr. HALL of Texas. Madam Chairman, I yield myself such time as I may consume.
