

emergency response, thus enabling us to better respond to future homeland security threats.

Knowledge of Earth's water cycle is a critical first step in protecting our water supply; water flows over the Earth's surface in oceans, lakes, and streams, and is particularly vulnerable to attack.

NASA sensors provide a wealth of information about the water cycle, and contribute to improving our ability to monitor water resources and water quality from space. We must also protect the quality and safety of the air we breathe; airborne contaminants can pose danger to human health; and chemical, nuclear, radiological, and biological attacks are plausible threats against which we can better protect the United States through NASA's research.

Elimination of the Constellation program will present homeland security implications for cyberspace, critical infrastructure, and the intelligence community of the United States. Elimination of the Constellation program will also compromise the effectiveness of the International Space Station as it relates to the strategic importance of space station research, and intelligence.

Continuation of NASA's human space flight program is crucial to improving national security, studying climate change and its effects, and research in science and medicine.

CONCLUSION

For all of the above reasons, it is my hope that this committee will join me in supporting efforts to maintain NASA's Constellation Program. It is through balanced policies that promote economic growth that we will continue to maintain our international leadership and technological competitive edge, and gain valuable knowledge relating to the national security of our nation. I look forward to working with all of you to ensure that we preserve a robust human space flight program in the United States.

AMENDMENT TO H.R. 4899

OFFERED BY MS. JACKSON LEE OF TEXAS

At the appropriate place, insert the following:

SEC. ____ . HUMAN SPACE FLIGHT CONTINUATION.

The Administrator of the National Aeronautics and Space Administration shall ensure that—

(1) all planned funding for the National Aeronautics and Space Administration's Constellation programs will be maintained through fiscal year 2015 with the assumption that the Constellation programs will continue;

(2) the Federal Government will lead United States human space flight systems—

(A) to ensure crew safety; and
(B) to ensure that skills, capabilities, and institutional knowledge attributable to the National Aeronautics and Space Administration and the International Space Station are retained by the Federal Government for the appropriate time;

(3) partnerships between universities and the National Aeronautics and Space Administration's centers are strengthened; and

(4) a protocol for commercial human space flight utilization is established.

Mr. MCGOVERN. I yield back the balance of my time, and I move the previous question on the resolution.

The previous question was ordered.

The SPEAKER pro tempore. The question is on the resolution.

The question was taken; and the Speaker pro tempore announced that the yeas appeared to have it.

Mr. DREIER. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this question will be postponed.

CALL OF THE HOUSE

Mr. MCGOVERN. Mr. Speaker, I move a call of the House.

The SPEAKER pro tempore. Under clause 7(b) of rule XX, the Chair confers recognition for that purpose.

A call of the House was ordered.

The call was taken by electronic device, and the following Members responded to their names:

□ 1937

The SPEAKER pro tempore. On this rollcall, 419 Members have recorded their presence.

A quorum is present.

PROVIDING FOR CONSIDERATION OF SENATE AMENDMENTS TO H.R. 4899, SUPPLEMENTAL APPROPRIATIONS ACT, 2010

The SPEAKER pro tempore. The unfinished business is the vote on adoption of House Resolution 1500, on which the yeas and nays were ordered.

The Clerk read the title of the resolution.

The SPEAKER pro tempore. The question is on the resolution.

Pursuant to clause 8 of rule XX, this 15-minute vote on adoption of House Resolution 1500 will be followed by a 5-minute vote on the motion to suspend the rules on House Resolution 1462.

The vote was taken by electronic device, and there were—yeas 215, nays 210, not voting 8, as follows:

□ 2002

Ms. GIFFORDS changed her vote from “yea” to “nay.”

So the resolution was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

The SPEAKER pro tempore. Pursuant to section 4 of the resolution, House Resolution 1493 is hereby adopted.

The text of the resolution is as follows:

H. RES. 1493

Resolved,

(a) BUDGET ENFORCEMENT.—For the purposes of budget enforcement:

(1) BUDGET ALLOCATIONS.—The following allocations shall be the allocations made pursuant to section 302(a) of the Congressional Budget Act of 1974 to the Committee on Appropriations and shall be enforceable under section 302(f)(1) of that Act:

(A) FISCAL YEAR 2010.—In addition to amounts allocated under the concurrent resolution on the budget for fiscal year 2010 (S.

Con. Res. 13), the allocation for new discretionary budget authority to the Committee on Appropriations shall be increased up to \$538,000,000 for program integrity initiatives listed in section 422(a) of S. Con. Res. 13. The outlay allocation for fiscal year 2010 and fiscal year 2011 shall be adjusted accordingly.

(B) FISCAL YEAR 2011.—

(i) New discretionary budget authority, \$1,121,000,000,000.

(ii) Discretionary outlays, \$1,314,000,000,000.

(iii) New mandatory budget authority, \$765,584,000,000.

(iv) Mandatory outlays, \$755,502,000,000.

(2) DISCRETIONARY SPENDING ENFORCEMENT PROVISIONS.—The provisions of the concurrent resolution on the budget for fiscal year 2010 (S. Con. Res. 13) shall remain in force and effect in the House, except that the references in section 424 (point of order against advance appropriations) to fiscal years 2010 and 2011 shall be references to fiscal years 2011 and 2012, respectively.

(b) ADDITIONAL ENFORCEMENT PROVISIONS.—For the purposes of the Congressional Budget Act of 1974 or the concurrent resolution on the budget for fiscal year 2010 (S. Con. Res. 13)—

(1) section 421 of S. Con. Res. 13 shall no longer apply to the consideration of bills, joint resolutions, amendments, or conference reports;

(2) the chairman of the Committee on the Budget may exclude the effect of any “current policy adjustment” as provided in section 4(c) of the Statutory Pay-As-You-Go Act of 2010 from a determination of the budgetary effects of any provision in a bill, joint resolution, amendment, or conference report; and

(3) the terms “budget year”, “current year”, and “direct spending” have the meanings given those terms in section 250 of the Balanced Budget and Emergency Deficit Control Act of 1985, except that the term “direct spending” shall include provisions in appropriation Acts that make outyear modifications to substantive law as described under section 3(4)(C) of the Statutory Pay-As-You-Go Act of 2010.

(c) SENSE OF THE HOUSE ON DEFICIT REDUCTION.—

(1) FINDINGS.—The House finds that—

(A) passage of the Statutory Pay-As-You-Go Act of 2010, passage of legislation to reform the defense acquisition system, and passage of health care reform legislation reducing the deficit represented valuable contributions to fiscal responsibility;

(B) strengthening the economy and creating jobs are critical to reducing the long-term deficit;

(C) fiscally responsible investments in education, including the retention of high-quality teachers in the classroom, help to lay the foundation for a stronger economy;

(D) the discretionary levels for 2011 included in this resolution represent a reduction below the President’s comparable budgetary request, and further contribute to fiscal discipline; and

(E) defending our country requires necessary investments and reforms to strengthen our military—including providing sufficient resources to aggressively pursue implementation of GAO recommendations to achieve efficiencies, and evaluating defense plans to ensure weapons systems that were developed to counter Cold War-era threats are not redundant and applicable to 21st century threats.

(2) SENSE OF THE HOUSE ON DEFICIT REDUCTION.—It is the sense of the House that—

(A) by 2015 the Federal budget should be in primary balance—meaning that outlays in the Federal budget shall equal receipts during a fiscal year, not counting outlays for debt service payments;

(B) the debt-to-GDP ratio should be stabilized at an acceptable level once the economy recovers;

(C) not later than September 15, 2010, the chairs of committees should submit for printing in the Congressional Record findings that identify changes in law that help achieve deficit reduction by reducing waste, fraud, abuse, and mismanagement, promoting efficiency and reform of government, and controlling spending within Government programs those committees may authorize;

(D) prior to the adjournment of the 111th Congress, any recommendations made by the National Commission on Fiscal Responsibility and Reform and approved by the Senate should be brought to a vote in the House of Representatives; and

(E) any deficit reduction achieved by the enactment of such legislation should be used for deficit reduction only and should not be available to offset the costs of future legislation.

(d) RESERVE FUND FOR DEFICIT REDUCTION.—Upon enactment of legislation containing recommendations in the final report of the National Commission on Fiscal Responsibility and Reform, established by Executive Order 13531 on February 18, 2010, that decreases the deficit for either time period provided in clause 10 of rule XXI of the Rules of the House of Representatives, the chairman of the Committee on the Budget shall, for the purposes of the Statutory Pay-As-You-Go Act of 2010, exclude any net deficit reduction from his determination of the budgetary effects of such legislation, to ensure that the deficit reduction achieved by that legislation is used only for deficit reduction and is not available as an offset for any subsequent legislation.

(e) HOUSE RULE XXVIII.—Nothing in this resolution shall be construed to engage rule XXVIII of the Rules of the House of Representatives.

EXPRESSING SUPPORT FOR PEOPLE OF GUATEMALA, HONDURAS AND EL SALVADOR AFTER TROPICAL STORM AGATHA

The SPEAKER pro tempore. The unfinished business is the question on suspending the rules and agreeing to the resolution (H. Res. 1462) expressing support for the people of Guatemala, Honduras, and El Salvador as they persevere through the aftermath of Tropical Storm Agatha which swept across Central America causing deadly floods and mudslides, as amended.

The Clerk read the title of the resolution.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from California (Ms. WATSON) that the House suspend the rules and agree to the resolution, as amended.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

RECORDED VOTE

Mr. HASTINGS of Florida. Mr. Speaker, I demand a recorded vote.

A recorded vote was ordered.

The SPEAKER pro tempore. This will be a 5-minute vote.

The vote was taken by electronic device, and there were—ayes 403, noes 1, not voting 28, as follows:

□ 2013

So (two-thirds being in the affirmative) the rules were suspended and the resolution, as amended, was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

SUPPLEMENTAL APPROPRIATIONS ACT, 2010

Mr. OBEY. Mr. Speaker, pursuant to House Resolution 1500, I call up the bill (H.R. 4899) making emergency supplemental appropriations for disaster relief and summer jobs for the fiscal year ending September 30, 2010, and for other purposes, with the Senate amendments thereto, and offer the motion.

The Clerk read the title of the bill.

The SPEAKER pro tempore. The Clerk will designate the Senate amendments.

The text of the Senate amendments is as follows:

Senate amendments:

Strike out all after the enacting clause and insert:

That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for the fiscal year ending September 30, 2010, and for other purposes, namely:
