## GENERAL LEAVE

Ms. ZOE LOFGREN of California. Mr. Speaker, I ask unanimous consent that all Members have 5 legislative days to revise and extend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from California?

There was no objection.

Ms. ZOE LOFGREN of California. I yield myself such time as I may consume.

I introduced H.R. 5532, the International Adoption Harmonization Act of 2010, to correct two longstanding problems and inconsistencies with respect to adoptions of foreign children by U.S. citizen parents.

First, the bill would harmonize the age requirements of such adoptions and provide some needed flexibility in cases where adoptions take longer than expected. Currently, our law contains two age requirements related to the adoption of foreign children. The general rule is that an adoption must be finalized before a child turns 16 in order for the child to qualify for legal status in the United States. For any sibling of such a child, the adoption must be finalized before the sibling's 18th birthday, but only if the sibling comes from the country that has not signed The Hague Convention on Intercountry Adoptions. The age cutoff for siblings from signatory countries is 16. These different requirements create confusion; and, in particular, with respect to more stringent requirements for the signatory countries, the 16-year-old cutoff provision, failing to meet the cutoff can have disastrous consequences.

Every year, the 16-year-old age requirement prevents a small number of foreign children who have been adopted by U.S. citizen parents from obtaining legal status in the United States. If an adoption takes longer than expected, even for reasons outside the parent's control, and the deadline is missed even by 1 day, the child is left with no remedy whatsoever. Although the child may be legally adopted by U.S. citizen parents, he or she cannot legally remain with them in the United States. Obviously, this is a nonsensical result where one's child has to be removed from the United States or, more likely, the individual comes to us for private relief which we may or may not succeed in granting.

H.R. 5532 remedies the above problem by harmonizing the provisions to require that all adoptions be finalized before a child's 18th birthday. This would
