The Chair recognizes the gentlewoman from California.

GENERAL LEAVE

Mrs. DAVIS of California. Mr. Speaker, I ask unanimous consent that all Members have 5 legislative days to revise and extend their remarks in the RECORD and to include extraneous matter on this legislation.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from California?

There was no objection.

Mrs. DAVIS of California. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 5717 would upgrade the Smithsonian Institution's scientific and educational activities at its unique animal conservation facility, the Smithsonian Conservation Biology Institute at Front Royal, Virginia.

Mr. Speaker, in the interest of time, I understand that there is a consensus on this legislation.

I reserve the balance of my time.

Mr. DANIEL E. LUNGREN of California. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, it is a pleasure to rise in support of H.R. 5717. Once again, we are back in a bipartisan state supporting this bill.

Mr. Speaker, the Smithsonian Institution is an invaluable part of our national heritage and our ongoing commitment to historical preservation and scientific advancement. I am pleased to support this legislation sponsored by our friend and colleague, Congressman SAM JOHNSON, and the congressional members of the Smithsonian Board of Regents. This legislation will help further the institution's founding mission, which is to support and increase the diffusion of knowledge.

This authorizing legislation supports the Smithsonian's important biological conservation work conducted at the National Zoological Park located in Front Royal, Virginia, and strengthens their collaborative partnership with George Mason University in these efforts. The planned renovation and construction, which leverages a very modest Federal investment with significant non-Federal funds, will enhance the education and professional training programs currently underway.

□ 2040

The Smithsonian is truly a unique part of our American culture. I am pleased to support this authorization which helps the Smithsonian maintain its well-deserved international reputation for excellence in scientific discovery and advancement and its continued commitment to the environment that we must steward.

Mr. Speaker, I urge my colleagues to support H.R. 5717.

Mr. OBERSTAR. Mr. Speaker, I rise in support of H.R. 5717, the "Smithsonian Conservation Biology Institute Enhancement Act".

H.R. 5717, as amended, authorizes the Smithsonian Institution to expand the National Zoological Park facility in Front Royal, Virginia, in furtherance of conservation biology research, education and training.

Specifically, this legislation will authorize the Smithsonian to: renovate a building to be used primarily for classroom and laboratory space; enter into agreements that will enable third party strategic partners to construct and operate housing and food service facilities on Smithsonian property; and plan, design, and construct animal holding facilities—all at the Front Royal property.

The building renovation project is to be funded equally by Federal appropriation, in the amount of \$5 million, and by Smithsonian trust sources. The housing and food service facilities are to be funded entirely by third-party financing. The animal holding facility is to be funded entirely from Smithsonian trust sources (i.e., non-Federal sources).

The plans and cost estimates for the building renovation project, for which Federal funding is sought, have been carefully reviewed by the Committee on Transportation and Infrastructure. The Committee finds the plans and estimates to be reasonable and in consonance with the Smithsonian mission to increase the diffusion of knowledge. Further, the Smithsonian's plans to partner with a third party, in this particular case, George Mason University, to shoulder the capital and operating costs of the residential and food service facilities, is a sensible and business-savvy way to further the Smithsonian's scientific and educational reach.

I urge my colleagues to join me in supporting H.R. 5717.

Mr. DANIEL E. LUNGREN of California. I yield back the balance of my time.

Mrs. DAVIS of California. Mr. Speaker, I certainly support the Smithsonian in this effort, and I look forward to passage of this important legislation.

I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from California (Mrs. DAVIS) that the House suspend the rules and pass the bill, H.R. 5717, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.
