HURRICANE IKE SURVIVORS

(Ms. JACKSON LEE of Texas asked and was given permission to address the House for 1 minute.)

Ms. JACKSON LEE of Texas. Tomorrow, thousands of Hurricane Ike survivors across the gulf region may be stopped from receiving benefits that were due because of this terrible disaster. We have been working on this as the House and the Senate. The Senate passed the UC tonight to provide an extension for those benefits; however, we have not had an opportunity to do so, and many people are suffering. I hope that we will have that occasion again.

I would like to yield to the distinguished majority leader to inquire about the needs of those Hurricane Ike victims across the whole gulf region, as we did for Katrina and Rita, the opportunity to work on this matter so that their benefits could be continued for the families that are in need.

Mr. HOYER. I thank the gentlelady for her question.

Clearly, this is, as the gentlelady points out, a very serious matter of great concern. And I want to say that we will join with the lady and with all of those who represent the region on both sides of the aisle to look at this matter to make sure that we give it our earliest possible consideration and action.

Ms. JACKSON LEE of Texas. I thank the gentleman.

This is going to be comforting news to those individuals who are still suffering and living in the backdrop of Hurricane Ike.

I encourage my colleagues to work with us.
