CONGRATULATING ROCKLAND COUNTY, NEW YORK, HOST OF THE 2012 MACCABI GAMES

(Mr. ENGEL asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ENGEL. I rise to express my support for the JCC Maccabi Games, which will be held in 2012 in Rockland County, New York. The JCC Maccabi Games is an amazing event where thousands of Jewish teams meet, compete, and learn the values of sportsmanship. 2012 will also be the 40th anniversary of the massacre at the Munich Olympic Games. I can remember the moment as if it were yesterday when, on September 5, 1972, 11 athletes and coaches representing the State of Israel were taken hostage and ultimately killed by

terrorists. The Rockland JCC Maccabi Games will commemorate the solemn event. It is important to note that nearly 38 years after the Munich massacre, the International Olympic Committee has yet to memorialize these individuals with a moment of silence at the Olympic Games. This should happen, and I will introduce a resolution to encourage the International Olympic Committee in the next Congress to hold a minute of silence at the Olympic Games in 2012 and to urge that all future Olympics honor the Munich 11.

Again, Mr. Speaker, I would like to congratulate Rockland County, New York, which will host the 2012 Maccabi Games and look forward to joining with the community in celebrating the sport and friendship which these games are about.

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to honor a man who has given 33 years of his life to the Pennsylvania Recreation and Park Society.

Robert D. Griffith is the executive director of the association of more than 1,600 members who provide recreation and parks programs and services to the citizens of the Commonwealth of Pennsylvania through Federal, State and local recreation and park agencies.

During his tenure, he was instrumental in the passage of the statewide Growing Greener 1 and 2 funding programs; and worked on another statewide funding program for parks, recreation and conservation through the Renew Growing Greener Coalition.

He headed up the Governor's Conference on Recreation, Parks and Leisure in 1990 and has assisted in the development of the State's comprehensive recreation plans through the State Recreation and Park Advisory Committee and the Citizens Recreation Advisory Council.

Bob is a veteran serving as commanding officer for six different units at naval reserve centers in Altoona, Ebensburg and McKeesport, Pennsylvania.

Recently, Bob made the decision to retire from his position with the Recreation and Park Society. The State and its citizens will miss his leadership and stewardship of our parks. He deserves our thanks and our commendation.

A LOOK BACK AT THE 111TH CONGRESS

(Mr. GOHMERT asked and was given permission to address the House for 1 minute.)

Mr. GOHMERT. Mr. Speaker, we were assured of a number of things when this Congress started. For one thing, the swamp was going to be drained. We were told that. There have been a lot of allegations. There's been no draining of anything.

We were told this would be the most open Congress in history. And yet, instead, the exact opposite. For the first time in the history of the United States Congress, we have gone right up, and as I understand we're not going to be back in session before this election, we will have gone through this entire Congress without having a single open rule for a vote, where anybody could make any amendments.

The old saying is, "Democracy ensures that people are governed no better than they deserve." The people have deserved better. They deserve bipartisan. When one chairman, DINGELL, wanted to make a bipartisan approach to a bill, he was eliminated. We deserve better. And may God grant we get it.
