PERSONAL EXPLANATION

Mrs. McMORRIS RODGERS. Mr. Speaker, on rollcall No. 608 on H.R. 6400, to designate the facility of the United States Postal Service located at 111 North 6th Street in St. Louis, Missouri, as the "Earl Wilson, Jr. Post Office", I am not recorded because I was absent because I gave birth to my baby daughter. Had I been present, I would have voted "yea."

Mr. Speaker, on rollcall No. 609 on H. Res. 1642, Recognizing the centennial of the City of Lilburn, Georgia and supporting the goals and ideals of a City of Lilburn Day, I am not recorded because I was absent because I gave birth to my baby daughter. Had I been present, I would have voted "yea."

Mr. Speaker, on rollcall No. 610 on H. Res. 1264, Expressing support for the designation of March as National Essential Tremor Awareness, I am not recorded because I was absent because I gave birth to my baby daughter. Had I been present, I would have voted "yea."

NOTICE OF INTENTION TO OFFER
RESOLUTION RAISING A QUESTION OF THE PRIVILEGES OF THE HOUSE

Ms. WATERS. Mr. Speaker, pursuant to clause 2(a)(1) of rule IX, I hereby notify the House of my intention to offer a resolution as a question of the privileges of the House.

The form of my resolution is as follows:

Authorizing and directing the Speaker to appoint a bipartisan task force to investigate the circumstances and cause of the decision to place professional staff of the Committee on Standards of Official Conduct on indefinite administrative leave, and for other purposes.

Whereas the Constitution of the United States authorizes the House of Representatives to "determine the Rules of its Proceedings, punish its Members for disorderly

Behavior, and, with the Concurrence of two thirds, expel a Member";

Whereas in 1968, in compliance with this authority and to uphold its integrity and ensure that Members act in a manner that reflects credit on the House of Representatives, the Committee on Standards of Official Conduct was established;

Whereas the ethics procedures in effect during the 111th Congress were enacted in 1997 in a bipartisan manner by an overwhelming vote of the House of Representatives upon the bipartisan recommendation of the ten member Ethics Reform Task Force, which conducted a thorough and lengthy review of the entire ethics process;

Whereas, the Committee on Standards of Official Conduct adopted rules for the 111th Congress;

Whereas rule 6(a) of the Rules of the Committee on Standards of Official Conduct states "the staff is to be assembled and retained as professional, nonpartisan staff";

Whereas rule 6(c) of the Rules of the Committee on Standards of Official Conduct states "the staff as a whole and each individual member of the staff shall perform all official duties in a nonpartisan manner";

Whereas rule 6(f) of the Rules of the Committee on Standards of Official Conduct states "All staff members shall be appointed by an affirmative vote of the majority of the members of the Committee. Such a vote shall occur at the first meeting of the membership of the Committee during each Congress and as necessary during the Congress";

Whereas, on November 19, 2010 two members of the professional staff of the Committee on Standards of Official Conduct were placed on indefinite administrative leave;

Whereas, on November 19, 2010 the Committee on Standards of Official Conduct canceled and has not rescheduled the adjudicatory hearing for a Member of Congress, previously scheduled for November 29, 2010;

Whereas all of these actions have subjected the Committee to public ridicule and weakened the ability of the Committee to properly conduct its investigative duties, all of which has brought discredit to the House; now, therefore, be it

Resolved, That—

(1) the Speaker shall appoint a bipartisan task force with equal representation of the majority and minority parties to investigate the circumstances and cause of the decision to place professional staff of the Committee on Standards of Official Conduct on indefinite administrative leave and to make recommendations to restore public confidence in the ethics process, including disciplinary measures for both staff and Members where needed; and

(2) the task force report its findings and recommendations to the House of Representatives during the second session of this Congress.

The SPEAKER pro tempore. Under rule IX, a resolution offered from the floor by a Member other than the majority leader or the minority leader as a question of the privileges of the House has immediate precedence only at a time designated by the Chair within 2 legislative days after the resolution is properly noticed.

Pending that designation, the form of the resolution noticed by the gentleman from California will appear in the RECORD at this point.

The Chair will not at this point determine whether the resolution constitutes a question of privilege. That determination will be made at the time designated for consideration of the resolution.

HONORING CHAIRMAN SKELTON

(Mr. NYE asked and was given permission to address the House for 1 minute.)

Mr. NYE. Mr. Speaker, I rise today to honor my good friend and distinguished colleague Chairman IKE SKELTON. For nearly three and a half decades, IKE has dedicated his life to serving the citizens of Missouri. During his tenure, IKE has been a steady, moderate voice during some of the greatest challenges this hallowed body has ever faced.

I have been humbled to serve with Chairman SKELTON on the Armed Services Committee. In my time on the HASC, I have been deeply impressed by IKE's ability to keep partisan hyperbole—so prevalent in today's discourse—out of committee proceedings. For IKE, the sacred commitment to our servicemembers, their families, and our national security always supersedes petty politics.

As chairman, IKE shepherded some of Congress' most important legislation through a minefield of disparate interests and motives while maintaining an even hand, fair disposition, and unwavering dedication to his craft.

Mr. Speaker, it has been a great honor to serve alongside such a principled chairman, consummate statesman, and dedicated public servant as IKE SKELTON.

REMEMBERING RON SANTO

(Mr. QUIGLEY asked and was given permission to address the House for 1 minute.)

Mr. QUIGLEY. Mr. Speaker, I rise today to remember Ron Santo, a Cubs legend and legendary Cubs fan. Ron passed away last week after a courageous fight against bladder cancer. He was 70 years old.

For 14 years, he patrolled the hot corner at Wrigley Field. He was a nine-time All-Star, won five Gold Gloves, and hit 342 home runs. But Ron was never a numbers guy. On the field and for 20 years in the broadcast booth, his joy, devotion, and eternal optimism embodied the best of the Cubs.

Whether he was clicking his heels behind third base or leading the fight against juvenile diabetes, he wore his heart on his sleeve and a smile on his face.

Ron will be missed by everyone who ever watched him play, heard his voice on the radio, or was touched by his philanthropy and kind heart.

Let us hope that one day soon he will take his rightful place alongside baseball's immortals in Cooperstown, because Ron Santo belongs in the Hall of Fame.

DREAM ACT

(Ms. CHU asked and was given permission to address the House for 1 minute.)

Ms. CHU. Opponents of the DREAM Act claim the bill is amnesty. The
