ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). There are 2 minutes remaining on this vote.

□ 1456

So (two-thirds being in the affirmative) the rules were suspended and the resolution, as amended, was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PROVIDING FOR CONSIDERATION OF SENATE AMENDMENT TO H.R. 3082, FULL-YEAR CONTINUING APPROPRIATIONS ACT, 2011

Mr. MCGOVERN, from the Committee on Rules, submitted a privileged report (Rept. No. 111-675) on the resolution (H. Res. 1755) providing for consideration of the Senate amendment to the bill (H.R. 3082) making appropriations for military construction, the Department of Veterans Affairs, and related agencies for the fiscal year ending September 30, 2010, and for other purposes, which was referred to the House Calendar and ordered to be printed.

Mr. MCGOVERN. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 1755 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 1755

Resolved, That upon adoption of this resolution it shall be in order to take from the Speaker's table the bill (H.R. 3082) making appropriations for military construction, the Department of Veterans Affairs, and related agencies for the fiscal year ending September 30, 2010, and for other purposes, with the Senate amendment thereto, and to consider in the House, without intervention of any point of order, a motion offered by the chair of the Committee on Appropriations or his designee that the House concur in the Senate amendment with the amendment printed in the report of the Committee on Rules accompanying this resolution. The Senate amendment and the motion shall be considered as read. The motion shall be debatable for one hour, with 40 minutes equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations and 20 minutes equally divided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce. The previous question shall be considered as ordered on the motion to final adoption without intervening motion.

The SPEAKER pro tempore. The gentleman from Massachusetts is recognized for 1 hour.

□ 1500

Mr. MCGOVERN. Mr. Speaker, for the purpose of debate only, I yield the customary 30 minutes to the gentleman from Texas (Mr. SESSIONS). All time yielded during consideration of the rule is for debate only. I yield myself such time as I may consume.

GENERAL LEAVE

Mr. MCGOVERN. I also ask unanimous consent that all Members be given 5 legislative days in which to revise and extend their remarks on House Resolution 1755.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Massachusetts?

There was no objection.

Mr. MCGOVERN. Mr. Speaker, H. Res. 1755 provides for consideration of the Senate amendment to H.R. 3082. The rule makes in order a motion offered by the chair of the Committee on Appropriations or his designee that the House concur in the Senate amend-

ment to H.R. 3082 with the amendment printed in the report of the Committee on Rules accompanying the resolution.

The rule provides 1 hour of debate on the motion, with 40 minutes equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations and 20 minutes equally divided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce. The rule waives all points of order against consideration of the motion. Finally, the rule provides that the Senate amendment and the motion shall be considered as read.

Mr. Speaker, today the House will consider the FY 2011 continuing resolution legislation that will fund the Federal Government for the remainder of fiscal year 2011. Additionally, this bill contains the food safety bill, as passed by the Senate, with minor technical corrections.

I am grateful to Mr. OBEY and Mr. DINGELL for their incredible leadership. Both these measures need to be passed. I urge my colleagues to support the rule and the underlying legislation.

I reserve the balance of my time.

Mr. SESSIONS. Mr. Speaker, I want to thank the gentleman from Massachusetts (Mr. MCGOVERN), my friend, for yielding me such time as I may consume today. And I want to thank the gentleman for the considerations that he has given me personally and professionally over the last year, and I would wish him the very best in this holiday season.

Mr. Speaker, I rise today in strong opposition to this completely closed rule and to the ill-conceived underlying legislation. Week after week, my friends on the other side of the aisle continue to bulldoze their massive spending and overregulations bill to the floor of the House with no Republican input and no regular order. As a matter of fact, even today at least one Member of the Democratic Party showed up with a darn good idea, and it was slam-dunked "no" on a party-line basis. By the way, the Republicans voted for that good idea.

What was promised 4 years ago was that this House would be the most open, honest, and ethical Congress, by our current Speaker PELOSI when she took the gavel. But this has been the most closed, secretive, one-sided, and flawed Congress, I believe, in history, matching the previous Congress.

The American people asked for change, and I think they got far worse in the election to elect this current Congress. They received a Democrat Congress that didn't listen to the American people and a Congress that acts on its own interests and not the interests of the American people or the taxpayer. And that's why we suffer from such low numbers of support by the American people.

Mr. Speaker, soon that, however, will change. But today it is more of the same, and I am here to discuss the rule for the continuing resolution, known
