

say “no” to this sham, “no” to ObamaCare and “no” to a government takeover of the health care system. My patients and my patients’ families depend upon it—the American people just saying “no.”

With that, we as Republicans are not the party of N-O; we are the party of K-N-O-W. We can lower the cost of health care if our issues will get on the table and if we can discuss those.

I yield back.

Mr. KING of Iowa. In reclaiming my time and in thanking the gentlemen from Georgia and Missouri, in our last minute here, Mr. Speaker, I’d make the point that I’m happy to say “no” to bad ideas, N-O to bad ideas. The American people are glad of that. They were glad when Nancy Reagan said, “Just say ‘no.’” We’re just saying “no” to socialized medicine.

We’re saying “yes” to good ideas, including ending lawsuit abuse, selling health insurance across State lines, full deductibility, HSAs, portability, and transparency.

I yield back the balance of my time.
