

has demonstrated an exceptional commitment to improving the lives of American citizens and a steadfast dedication to advancing the infrastructure of this country. An expert in aviation and aviation safety, Chairman OBERSTAR has been at the forefront of every major piece of federal transportation legislation that has come before this body in recent years.

As the Chairman of the Transportation and Infrastructure Committee, he has facilitated an open discourse on even the most contentious issues, producing genuine compromise and bipartisan legislation that ensures individuals throughout the country have access to the services they depend on to pursue their livelihoods and move forward. He has been an unwavering proponent of robust investment in our nation's transportation infrastructure.

As I worked to pass legislation creating the Northern Border Regional Commission, a regional economic development commission in the northeast, Chairman OBERSTAR's guidance and support was instrumental. The investments made by the Commission have honored Chairman OBERSTAR's belief that an economy cannot grow without investments in our roads, bridges, railroads and ports, and they will continue to support this view long after he has left the United States Congress.

In his more than 36 years as a member of Congress, Chairman OBERSTAR has displayed an unrivaled understanding of transportation issues. He has been a great colleague, chairman and friend. I am certain that he will be sorely missed.

Madam Speaker, please join me in thanking Chairman JAMES OBERSTAR for his outstanding commitment to this country and Minnesota's 8th Congressional District.

Ms. MCCOLLUM. Madam Speaker, I yield back the balance of my time.
