NOT VOTING—34

□ 1340

So (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PROVIDING FOR CONSIDERATION OF SENATE AMENDMENT TO H.R. 2965, DON'T ASK, DON'T TELL REPEAL ACT OF 2010

Ms. PINGREE of Maine, from the Committee on Rules, submitted a privileged report (Rept. No. 111-681) on the resolution (H. Res. 1764) providing for consideration of the Senate amendment to the bill (H.R. 2965) to amend the Small Business Act with respect to the Small Business Innovation Research Program and the Small Business Technology Transfer Program, and for other purposes, which was referred to the House Calendar and ordered to be printed.

Ms. PINGREE of Maine. Madam Speaker, by direction of the Committee on Rules, I call up House Resolution 1764 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 1764

Resolved, That upon adoption of this resolution it shall be in order to take from the Speaker's table the bill (H.R. 2965) to amend the Small Business Act with respect to the Small Business Innovation Research Program and the Small Business Technology Transfer Program, and for other purposes, with the Senate amendment thereto, and to

consider in the House, without intervention of any point of order except those arising under clause 10 of rule XXI, a motion offered by the Majority Leader or his designee that the House concur in the Senate amendment with the amendment printed in the report of the Committee on Rules accompanying this resolution. The Senate amendment and the motion shall be considered as read. The motion shall be debatable for one hour equally divided and controlled by the Majority Leader and Minority Leader or their respective designees. The previous question shall be considered as ordered on the motion to final adoption without intervening motion.

The SPEAKER pro tempore (Ms. RICHARDSON). The gentlewoman from Maine is recognized for 1 hour.

Ms. PINGREE of Maine. Madam Speaker, for the purposes of debate only, I yield the customary 30 minutes to the gentleman from Florida (Mr. LINCOLN DIAZ-BALART). All time yielded during consideration of the rule is for debate only.

GENERAL LEAVE

Ms. PINGREE of Maine. Madam Speaker, I ask unanimous consent that all Members have 5 legislative days within which to revise and extend their remarks and insert extraneous material into the RECORD.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from Maine?

There was no objection.

Ms. PINGREE of Maine. I yield myself such time as I may consume.

Madam Speaker, House Resolution 1764 provides for the consideration of the Senate amendment to H.R. 2965. The rule makes in order a motion offered by the majority leader or his designee that the House concur in the Senate amendment to H.R. 2965 with the amendment printed in the report of the Committee on Rules accompanying the resolution.

The rule provides 1 hour of debate on the motion, equally divided and controlled by the majority leader and the minority leader or their designees. The rule waives all points of order against any consideration of the motion except those arising under clause 10 of rule XXI. The rule provides that the Senate amendment and the motion shall be considered as read.

Madam Speaker, the time has come to repeal Don't Ask, Don't Tell. We have all heard the arguments, the studies have been done, the hearings have been held. The men and women of the armed services have spoken and their leaders have weighed in. There are no more excuses not to repeal this misguided and harmful policy. There is no more reason to delay this any longer.

Madam Speaker, for gay military personnel, how much longer do we ask them to serve in silence? How many more hearings and how much more testimony are we going to ask for before we finally hear what the men and women of the armed services have just said: Just because someone is gay doesn't make them any less of a soldier, an airman, or a marine. How many more times can we just turn our
