So the motion was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

### PERSONAL EXPLANATION

Mr. KAGEN. Mr. Speaker, on rollcall No. 661, I was present, placed my card into the voting device and did not look at the Board. I voted “yes.”

### PERSONAL EXPLANATION

Mr. BACA. Mr. Speaker, please excuse me from session Tuesday, December 21, 2010. I have legislative business in the district. Had I been here, I would have voted in support of H. R. 5116—The America COMPETES Reauthorization Act of 2010, H. R. 2142—The GPRA (Government Performance and Results Act) Modernization Act of 2010 and H. R. 2751—The FDA Food Safety Modernization Act. In addition, I support funding our Federal Government by passage of a continuing resolution by year's end.

### PERSONAL EXPLANATION

Mr. BLUMENAUER. Madam Speaker, due to an illness, I was unable to be in Washington, DC for votes today. Had I been present for the votes, I would have voted as follows:

Rollcall vote 658: I would have voted in favor of H.R. 6540, the Defense Level Playing Field Act.

Rollcall vote 659: I would have voted in favor of the motion to concur in the Senate amendment to H.R. 5116, the America COMPETES Reauthorization Act of 2010.

Rollcall vote 660: I would have voted in favor of the motion to concur in the Senate amendment to H.R. 2142, the Government Efficiency, Effectiveness, and Performance Improvement Act of 2010.

Rollcall vote 661: I would have voted in favor of the motion to concur in the Senate amendment to H.R. 5116, the FDA Food Safety Modernization Act. This long-overdue legislation will help ensure a safe food supply while taking into the realities and needs of America's farmers. I especially appreciate changes made by the Senate to meet the needs of very small farms and processors.

### PERSONAL EXPLANATION

Mr. GUTIERREZ. Madam Speaker, I was unavoidably absent for votes in the House Chamber today. I would like the RECORD to show that, had I been present, I would have voted “yea” on rollcall votes 659, 660, and 661.

### LEGISLATIVE PROGRAM

(Mr. HOYER asked and was given permission to address the House for 1 minute.)

Mr. HOYER. Ladies and gentlemen, I know the consternation that exists with respect to our schedule and when we are going to leave. I want to announce what I believe to be the balance of the schedule tonight. I would hope that it would include, but cannot assert at this point in time because I don't know—and I don't believe it's the case—that 9/11 will be ready for us. They are still talking about it in the Senate. I just talked to Senator REID.

We will go to a suspension bill, the child sex trafficking bill. We will then go to the rule for the continuing resolution. We will then do the continuing resolution. That would, unless we get 9/11, conclude the business for today.

It is, as Senator REID indicates to me, a high likelihood that they will complete 9/11 sometime tomorrow. Now "sometime tomorrow" is, he says, no later than 4, as early as 2.

Ladies and gentlemen, I know we would all like to say that, well, let's go home. As you know, the 9/11 bill does, in fact, impact literally tens of thousands of people who participated subsequent to 9/11 in going into that building and initially looking for those who might still be surviving, and to look for those who did not survive and bring them out. So this is not a matter that does not have serious consequences for people who volunteered and, as a result of the atmosphere which confronted them as they went in, they became ill.

So I think all of us understand the seriousness of this bill and the consequences of not doing it. So I would ask you to bear with us. We will have these votes, and we will be in constant touch with Senator REID, the majority leader.

But my expectation is that there is a high likelihood of a vote on 9/11 sometime tomorrow. As a result, I would be asking all of you to stay tonight and be here tomorrow so that we can convene and do this very, very important business, which is not just important to the New Yorkers; this is important to our country. At any time we may have a catastrophe in which people would volunteer and show heroic effort to save lives and to rescue people.

That is the schedule for the balance of the day. If 9/11 moves over here at any point and, frankly, what is happening now, I tell my friends, is that they're seeing whether or not, during the course of the START debate, which is going on now, whether they can get a time agreement and bring START to a close and a vote. If they can do that and then go to 9/11 and have a debate which is relatively brief, they've obviously had a long-term debate on that, and bring this bill to us tonight, I know that all of you would want and I would want and we will do it tonight. But I cannot assert that I think the Senate is going to move it in that time frame.

That is our schedule. And, hopefully, our business will be concluded tomorrow on the passage of 9/11.

## DOMESTIC MINOR SEX TRAFFICKING DETERRENCE AND VICTIMS SUPPORT ACT OF 2010

Mr. SCOTT of Virginia. Madam Speaker, I move to suspend the rules and pass the Senate bill (S. 2925) to establish a grant program to benefit victims of sex trafficking, and for other purposes, as amended.

The Clerk read the title of the bill.

The text of the amendment is as follows:

Amendment:

Strike out all after the enacting clause and insert:

### SECTION 1. SHORT TITLE.

This Act may be cited as the "Domestic Minor Sex Trafficking Deterrence and Victims Support Act of 2010".

### SEC. 2. FINDINGS.

Congress finds the following:

(1) Human trafficking is modern-day slavery. It is one of the fastest-growing, and the second largest, criminal enterprise in the world. Human trafficking generates an estimated profit of \$32,000,000,000 per year, world wide.

(2) In the United States, human trafficking is an increasing problem. This criminal enterprise victimizes individuals in the United States, many of them children, who are forced into prostitution, and foreigners brought into the country, often under false pretenses, who are coerced into forced labor or commercial sexual exploitation.

(3) Sex trafficking is one of the most lucrative areas of human trafficking. Criminal gang members in the United States are increasingly involved in recruiting young women and girls into sex trafficking. Interviews with gang members indicate that the gang members regard working as an individual who solicits customers for a prostitute (commonly known as a "pimp") to being as lucrative as trafficking in drugs, but with a much lower chance of being criminally convicted.

(4) National Incidence Studies of Missing, Abducted, Runaway and Throwaway Children, the definitive study of episodes of missing children, found that of the children who are victims of non-family abduction, runaway or throwaway children, the police are
