

American Workers, State, and Business Relief Act, which is H.R. 4213.

As a result of my amendment, all provisions in the bill would be paid for minus the emergency extension of unemployment insurance and COBRA.

My colleagues on the other side of the aisle just made the best case I have heard for this amendment. They raised concerns about the underpayments for Medicare and Medicaid patients and patient care. In this underlying bill, doctors would have their fees increased for payment purposes so the concerns that were raised by my colleague from Arizona would be, in part, answered by the increased payments the Mayo Clinic was not receiving and, therefore, made the decision to reduce their care to Medicare patients.

It seems to me it would be appropriate to support this bill. I suspect they will not, but it would seem appropriate to support this bill then and also support having it paid for under pay-go rules applying to the unused stimulus funds that would be available through this act.

If we are going to see that Medicare patients are treated and are not excluded from treatment, it is going to be because the providers are adequately compensated. That is one of the provisions of this bill. What we are seeking to do is to make sure that is paid for, among other things.

The Governors of the States have come to us and said they cannot afford to make their part of the Medicaid match that they are required to make under the Medicaid Program that is approved in virtually every State. As a result of that, a good portion of this bill is seeking money to pay the States, compensate them for that unfunded mandate that the States are currently facing.

In other words, they come in and say: You forced us to do this. We don't have the money to do it. We are asking that you make it good. You pay for it.

The challenge is, if Medicaid is decreased or payments to providers are decreased, then the concerns they raised about the Medicaid Program underfunding providers will be a self-fulfilling prophecy. It seems to me there is an opportunity for the other side to take a very positive look at this particular bill.

I can look at it positively if we pay for it. My concerns are that we pay for the nonemergency provisions within this bill, that we pay for the FMAP fix, that we pay for the other parts of this bill minus the emergency extension of unemployment insurance and COBRA. That would make us consistent with the pay-go rules we forced upon ourselves—I think appropriately so. But it is important that we follow the rules we set for ourselves. This is one of the ways we do it—by paying for these non-emergency items in the underlying bill.

That is my argument. That is why I have offered this legislation. I think it is unfortunate the other side has cho-

sen to object to it, but they have and that is it. The amendment will fail unless the other side finds that it makes sense to simply begin to pay for things. I thought the other side was interested in seeing that these requirements are paid for, particularly when they make such a strong case for the payment to physicians for Medicare and Medicaid patients. That does not seem to be the case.

I yield the floor. I suggest the absence of a quorum.

The ACTING PRESIDENT pro tempore. The clerk will call the roll.

The legislative clerk proceeded to call the roll.

Mr. ISAKSON. Mr. President, I ask unanimous consent that the order for the quorum call be rescinded.

The ACTING PRESIDENT pro tempore. Without objection, it is so ordered.

(a) AMENDMENTS TO ERISA.—

(1) IN GENERAL.—Paragraph (2) of section 303(c) of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1083(c)) is amended by adding at the end the following subparagraph:

“(D) SPECIAL ELECTION FOR ELIGIBLE PLAN YEARS.—

“(i) IN GENERAL.—If a plan sponsor elects to apply this subparagraph with respect to the shortfall amortization base of a plan for any eligible plan year (in this subparagraph and paragraph (7) referred to as an ‘election year’), then, notwithstanding subparagraphs (A) and (B)—

“(I) the shortfall amortization installments with respect to such base shall be determined under clause (ii) or (iii), whichever is specified in the election, and

“(II) the shortfall amortization installment for any plan year in the 9-plan-year period described in clause (ii) or the 15-plan-year period described in clause (iii), respectively, with respect to such shortfall amortization base is the annual installment determined under the applicable clause for that year for that base.

“(ii) 2 PLUS 7 AMORTIZATION SCHEDULE.—The shortfall amortization installments determined under this clause are—

“(I) in the case of the first 2 plan years in the 9-plan-year period beginning with the election year, interest on the shortfall amortization base of the plan for the election year (determined using the effective interest rate for the plan for the election year), and

“(II) in the case of the last 7 plan years in such 9-plan-year period, the amounts necessary to amortize the remaining balance of

the shortfall amortization base of the plan for the election year in level annual installments over such last 7 plan years (using the segment rates under subparagraph (C) for the election year).

“(iii) 15-YEAR AMORTIZATION.—The shortfall amortization installments determined under this subparagraph are the amounts necessary to amortize the shortfall amortization base of the plan for the election year in level annual installments over the 15-plan-year period beginning with the election year (using the segment rates under subparagraph (C) for the election year).

“(iv) ELECTION.—

“(I) IN GENERAL.—The plan sponsor of a plan may elect to have this subparagraph apply to not more than 2 eligible plan years with respect to the plan, except that in the case of a plan described in section 106 of the Pension Protection Act of 2006, the plan sponsor may only elect to have this subparagraph apply to a plan year beginning in 2011.

“(II) AMORTIZATION SCHEDULE.—Such election shall specify whether the amortization schedule under clause (ii) or (iii) shall apply to an election year, except that if a plan sponsor elects to have this subparagraph apply to 2 eligible plan years, the plan sponsor must elect the same schedule for both years.

“(III) OTHER RULES.—Such election shall be made at such time, and in such form and manner, as shall be prescribed by the Secretary of the Treasury, and may be revoked only with the consent of the Secretary of the Treasury. The Secretary of the Treasury shall, before granting a revocation request, provide the Pension Benefit Guaranty Corporation an opportunity to comment on the conditions applicable to the treatment of any portion of the election year shortfall amortization base that remains unamortized as of the revocation date.

“(v) ELIGIBLE PLAN YEAR.—For purposes of this subparagraph, the term ‘eligible plan year’ means any plan year beginning in 2008, 2009, 2010, or 2011, except that a plan year shall only be treated as an eligible plan year if the due date under subsection (j)(1) for the payment of the minimum required contribution for such plan year occurs on or after the date of the enactment of this subparagraph.

“(vi) REPORTING.—A plan sponsor of a plan who makes an election under clause (i) shall—

“(I) give notice of the election to participants and beneficiaries of the plan, and

“(7) INCREASES IN ALTERNATE REQUIRED INSTALLMENTS IN CASES OF EXCESS COMPENSATION OR EXTRAORDINARY DIVIDENDS OR STOCK REDEMPTIONS.—

“(A) IN GENERAL.—If there is an installment acceleration amount with respect to a plan for any plan year in the restriction period with respect to an election year under paragraph (2)(D), then the shortfall amortization installment otherwise determined and payable under such paragraph for such plan year shall, subject to the limitation under subparagraph (B), be increased by such amount.

“(B) TOTAL INSTALLMENTS LIMITED TO SHORTFALL BASE.—Subject to rules prescribed by the Secretary of the Treasury, if a shortfall amortization installment with respect to any shortfall amortization base for an election year is required to be increased for any plan year under subparagraph (A)—

“(i) such increase shall not result in the amount of such installment exceeding the present value of such installment and all succeeding installments with respect to such base (determined without regard to such increase but after application of clause (ii)), and

“(ii) subsequent shortfall amortization installments with respect to such base shall, in reverse order of the otherwise required installments, be reduced to the extent necessary to limit the present value of such subsequent shortfall amortization installments (after application of this paragraph) to the present value of the remaining unamortized shortfall amortization base.

“(C) INSTALLMENT ACCELERATION AMOUNT.—For purposes of this paragraph—

“(i) IN GENERAL.—The term ‘installment acceleration amount’ means, with respect to any plan year in a restriction period with respect to an election year, the sum of—

“(II) the aggregate amount of extraordinary dividends and redemptions determined under subparagraph (E) for the plan year.

“(ii) ANNUAL LIMITATION.—The installment acceleration amount for any plan year shall not exceed the excess (if any) of—

“(I) the sum of the shortfall amortization installments for the plan year and all preceding plan years in the amortization period elected under paragraph (2)(D) with respect to the shortfall amortization base with respect to an election year, determined without regard to paragraph (2)(D) and this paragraph, over

“(II) the sum of the shortfall amortization installments for such plan year and all such preceding plan years, determined after application of paragraph (2)(D) (and in the case of any preceding plan year, after application of this paragraph).

“(iii) CARRYOVER OF EXCESS INSTALLMENT ACCELERATION AMOUNTS.—

“(I) IN GENERAL.—If the installment acceleration amount for any plan year (determined without regard to clause (ii)) exceeds the limitation under clause (ii), then, subject to subclause (II), such excess shall be treated as an installment acceleration amount with respect to the succeeding plan year.

“(II) CAP TO APPLY.—If any amount treated as an installment acceleration amount under subclause (I) or this subclause with respect to any succeeding plan year, when added to other installment acceleration amounts (determined without regard to clause (ii)) with respect to the plan year, exceeds the limitation under clause (ii), the portion of such amount representing such excess shall be treated as an installment acceleration amount with respect to the next succeeding plan year.

“(III) LIMITATION ON YEARS TO WHICH AMOUNTS CARRIED FOR.—No amount shall be carried under subclause (I) or (II) to a plan year which begins after the first plan year following the last plan year in the restriction period (or after the second plan year following such last plan year in the case of an election year with respect to which 15-year amortization was elected under paragraph (2)(D)).

“(IV) ORDERING RULES.—For purposes of applying subclause (II), installment acceleration amounts for the plan year (determined

“(II) \$1,000,000.

“(ii) AMOUNTS SET ASIDE FOR NONQUALIFIED DEFERRED COMPENSATION.—If during any calendar year assets are set aside or reserved (directly or indirectly) in a trust (or other arrangement as determined by the Secretary of the Treasury), or transferred to such a trust or other arrangement, by a plan sponsor for purposes of paying deferred compensation of an employee under a non-qualified deferred compensation plan (as defined in section 409A of such Code) of the plan sponsor, then, for purposes of clause (i), the amount of such assets shall be treated as remuneration of the employee includible in income for the calendar year unless such amount is otherwise includible in income for such year. An amount to which the preceding sentence applies shall not be taken into account under this paragraph for any subsequent calendar year.

“(iii) ONLY REMUNERATION FOR CERTAIN POST-2009 SERVICES COUNTED.—Remuneration shall be taken into account under clause (i) only to the extent attributable to services performed by the employee for the plan sponsor after February 28, 2010.

“(iv) EXCEPTION FOR CERTAIN EQUITY PAYMENTS.—

“(vii) INDEXING OF AMOUNT.—In the case of any calendar year beginning after 2010, the dollar amount under clause (i)(II) shall be increased by an amount equal to—

“(I) such dollar amount, multiplied by

“(II) the cost-of-living adjustment determined under section 1(f)(3) of such Code for the calendar year, determined by substituting ‘calendar year 2009’ for ‘calendar year 1992’ in subparagraph (B) thereof.

“(v) EXCEPTION FOR CERTAIN PREFERRED STOCK.—

“(I) IN GENERAL.—Dividends and redemptions with respect to applicable preferred stock shall not be taken into account under clause (i) to the extent that dividends accrue with respect to such stock at a specified rate in all events and without regard to the plan sponsor’s income, and interest accrues on any unpaid dividends with respect to such stock.

Mr. ISAKSON. I suggest the absence of a quorum.

The ACTING PRESIDENT pro tempore. The clerk will call the roll.

The legislative clerk proceeded to call the roll.

Mrs. BOXER. Mr. President, I ask unanimous consent that the order for the quorum call be rescinded.

The ACTING PRESIDENT pro tempore. Without objection, it is so ordered.

## LEGISLATIVE AGENDA

Mrs. BOXER. Mr. President, I know you and I and others in this Chamber are focused like a laser beam on getting this economy turned around. Although we see some promising signs—for example, in my State of California it turns out that last month 32,000 new jobs were created—we still are not moving quickly enough on the jobs front. That is why I am particularly pleased that Leader REID is focused on jobs, jobs, jobs, and we are going to finish, hopefully, the bill that is before us which is very critical to jobs.

Then we are going to move on to the FAA reauthorization—the Federal Aviation Administration reauthorization—which is going to create 160,000 new jobs as we modernize our Nation's airports. After that, we are going to stop for a brief moment and take up the HIRE Act that we passed over here, and it has been passed in the House with a couple of pay-go changes. That will extend the highway trust fund until the end of this year and will save 1 million jobs.

Mr. President, we can't play politics with the highway trust fund. The Nation needs us to build our highways, our bridges, and our roads. So we are doing the right thing.

There is one piece of unfinished business that is directly related to our economy. There is no question that health care is directly related to our economy, and we need to fix a health care system that is broken.

Now, I have listened to my Republican friends on this for a very long time, and they have a message for the American people. I would like to distill that message.

That message is, when it comes to health care reform, when it comes to fixing the health care system, be afraid. Be very afraid.

Mr. President, that is not the American way. When there is a challenge in front of us, we act. We don't cower in the corner in fear. I think it is important to note that if one were to be afraid, it should not be of fixing the system—which, in our mind, means if you like your health insurance, you can keep it, and we are going to make sure that it is affordable and that more people can obtain it. If there is one thing to be fearful of, it is doing nothing. It is the status quo.

Let me explain why. Every day in America 14,000 people lose their health insurance. That could be any one of us, for any of a number of reasons. We might lose our job, or our spouse might lose their job, and that means we can't have health insurance anymore.

An insurance company can rescind your policy. They can walk away and say: Oh, by the way, 10 years ago when you signed up, you didn't mention that you had one blood test that was a little awry and, therefore, we are walking away from you.

You may have a cap on your policy and reach that cap, because you didn't read the fine print and so you are out;

it is over. Any one of us could be one of the 14,000 people who loses their health insurance.

Now, that would not happen in the Senate. Oh no. Every one of my colleagues is protected because we have a system that, yes, is a public option, where the rules are made by the Federal Employees Health Benefits Program and people can't mistreat us. But for some reason, my colleagues on the other side of the aisle don't seem to believe it is fair to give that kind of protection to ordinary families, so they are scaring people to death.

So let me say again: If there is anything to be afraid of, it is doing nothing because you could be one of the 14,000 people—in my State about 1,400—who every day lose their insurance. Or, Mr. President, you could be one of the people who goes bankrupt because of a health care crisis. Sixty-two percent of bankruptcies in America today are directly linked to a health care crisis and most of those people have insurance. I repeat: Most of those people have insurance.

I read a little story—I don't know if it is true—that Sarah Palin, the former Republican Vice Presidential nominee, said when she was young her family went to Canada to get their health care. I don't know if it is true, but I find it interesting if it is true. But here is the point: Doing nothing is not an option.

Let me tell you what is happening. In California, a company—Anthem Insurance—has increased rates in the individual market by—hold on to your hat—29 percent. Imagine, 29 percent in one clip. This leads me to a study that was done by a nonpartisan group. That study showed what happens if we do nothing—which is, in fact, my Republican friends' idea because they say start over. Well, we started this under Teddy Roosevelt. It is time we acted. But this nonpartisan group said if we do nothing, the average cost of insurance would be 45 percent of a family's income by 2016. Imagine that. Yet my colleagues on the other side say: Well, if you go with the President's bill and the Democrats' bill, insurance rates will go up.

The fact is, rates would not go up as much if you have the same policy. If you have a better policy, they may go up a little over time, but they are never going to be—never, never, never—45 percent of your income. There are two reasons for that: No. 1, we are going to watch insurance companies like a hawk, and that is the right thing to do. They are not selling us something that is a luxury. They are selling us a product that is a matter of life or death, and we ought to look over their shoulder a little more to make sure they are fair. So that is one reason.

The other reason is, we are going to help people—the middle class—families making up to \$88,000 a year. We are going to make sure you get tax credits to help you pay for your premiums. That is a big deal. That is a good thing.
