#### RECOGNIZING THE 100TH ANNIVERSARY OF THE LONG TRAIL

Mr. DURBIN. Mr. President, I ask unanimous consent that the Senate proceed to the immediate consideration of S. Res. 460, submitted earlier today.

The PRESIDING OFFICER. The clerk will report the resolution by title.

The legislative clerk read as follows:

A resolution (S. Res. 460) recognizing the importance of the Long Trail and the Green Mountain Club on the 100th anniversary of the Long Trail.

There being no objection, the Senate proceeded to consider the resolution.

Mr. LEAHY. Mr. President, I am pleased that the Senate will agree to this resolution commemorating the 100th anniversary of the Long Trail and the Green Mountain Club. In March 1910, James P. Taylor, a teacher from Vermont, fulfilled a dream held by many when he founded the Green Mountain Club, and created a long-distance trail to extend from Massachusetts to Canada.

Spanning over 273 miles, the Long Trail is the oldest long-distance hiking trail in the United States, and has survived many floods, hurricanes, and harsh Vermont winters. The Long Trail's scenic and varied landscapes, from the alpine peaks of Camel's Hump and Mount Mansfield, to quiet woodland trails and mountain streams, have delighted countless tourists who have visited the Green Mountain state. Several Senators, a Secretary of Agriculture, and even a President have all enjoyed the trail.

It is only through the hard work of the thousands of Green Mountain Club volunteers that the Long Trail has flourished and grown during the last century. The Green Mountain Club has resisted efforts to build highways or commercial developments that inter-

sect with the Long Trail, and helped to maintain pristine Vermont forestland that we all love for future generations to enjoy. They have protected the habitat of many important woodland species, including the black bear, the moose, the bobcat, and migratory songbirds.

I was pleased to secure funding to help the Green Mountain Club renovate their headquarters and visitors center in 2008 in anticipation of the centennial, so that Vermonters and tourists alike can enjoy Vermont's natural beauty for another 100 years. I join with all Vermonters, and the thousands of people from across the United States and around the world who have enjoyed the beauty of the Long Trail, in celebrating this centennial celebration.

Mr. DURBIN. Mr. President, I ask unanimous consent that the resolution be agreed to, the preamble be agreed to, and the motions to reconsider be laid upon the table, with no intervening action or debate, and any statements related to the resolution be printed in the RECORD.

The PRESIDING OFFICER. Without objection, it is so ordered.

The resolution (S. Res. 460) was agreed to.

The preamble was agreed to.

The resolution, with its preamble, reads as follows:

#### S. RES. 460

Whereas the Long Trail is the oldest long-distance hiking trail in the United States;

Whereas the Long Trail stretches over 273 miles, from the Massachusetts to Canadian borders, with approximately 175 miles of side trails and more than 65 shelters;

Whereas the Long Trail has achieved the dream of founder James Taylor of creating "a high highway, a mountain footpath over the skyline of Vermont";

Whereas the Green Mountain Club is the founder, sponsor, defender, and protector of the Long Trail;

Whereas the Green Mountain Club has delivered 100 years of conservation, community education, and outreach on local ecology;

Whereas the Long Trail has protected the habitat of many important species for future generations, including the black bear, the moose, the bobcat, and migratory songbirds;

Whereas the thousands of members and dedicated volunteers of the Green Mountain Club have worked to maintain, manage, and protect the Long Trail for the benefit of the people of the State of Vermont during the last century;

Whereas the Long Trail is a popular tourist destination for people from around the world, including Senators, a Secretary of Agriculture, and even a President;

Whereas the Long Trail allows the people of the State of Vermont and tourists to enjoy the Green Mountain State and all the beauty and history the State has to offer;

Whereas the Green Mountain Club has successfully conserved the entire corridor of the Long Trail, fought efforts to build highways or commercial developments that intersect with the Long Trail, and helped to maintain pristine Vermont forestland for future generations to enjoy; and

Whereas the Green Mountain Club has recognized members regardless of sex or race since the founding of the club: Now, therefore, be it

*Resolved*, That the Senate recognizes the 100th anniversary of the Long Trail of the

State of Vermont, the oldest long-distance hiking trail in the United States, and applauds the Green Mountain Club and the many volunteers of the Green Mountain Club for a century of service and for creating, protecting, and enjoying the Long Trail.

## FAIR SENTENCING ACT OF 2009

Mr. DURBIN. Mr. President, prior to making the next unanimous consent request, I wish to make a statement on the RECORD relative to the bill that I will be asking for unanimous consent on. It is S. 1789.

This bill is known as the Fair Sentencing Act. It is bipartisan legislation which has cleared both sides. At the conclusion of my remarks, I will, of course, ask for unanimous consent, but will ask permission, if possible, that the statement of Senator SESSIONS be printed in the RECORD. I don't know if he will be able to make it this evening, but if not, we will do our best to accommodate him.

The Fair Sentencing Act would reduce the sentencing disparity between crack and powder cocaine and increase penalties for serious drug offenders. Crack and powder cocaine have a devastating effect on families in America, and tough anti-cocaine legislation is definitely needed, but the law must also be fair. Current law is based on an unjustified distinction between crack and powder cocaine. Simply possessing five grams of crack—the equivalent of five tiny packets of sugar that you find in restaurants—carries the same sentence as selling 500 grams of powder cocaine. That is 500 packets of sugar. Five packets for crack; 500 packets for powder, the same sentence. This is known as the 100-to-1 disparity.

I can remember as a Member of the House of Representatives when we enacted this legislation. Crack cocaine had just appeared on the scene and it scared us, because it was cheap and it was addictive. We thought it was more dangerous than many narcotics and left the legacy of crack babies and broken lives. In our response to this terrible new narcotic at the time, we enacted this sentencing disparity, saying that 5 five grams of crack cocaine would lead to the same sentence as 500 grams of powder cocaine. What it has meant is that, unfortunately, in the years that followed, we have seen people sent to prison for extended periods of time for possessing—merely possessing—the smallest amount of crack.

Disproportionately, African Americans who are addicted use crack cocaine. The use of powder cocaine is spread across the population among Whites, Hispanics, and others. So the net result of this was that the heavy
