The preamble, as amended, was agreed to.

The resolution, with its preamble, as amended, reads as follows:

S. RES. 373

Whereas dating, domestic, and sexual violence affect women regardless of their age, and teens and young women are especially vulnerable;

Whereas, approximately 1 in 3 adolescent girls in the United States is a victim of physical, emotional, or verbal abuse from a dating partner, a figure that far exceeds victimization rates for other types of violence affecting youth;

Whereas nationwide, 1 in 10 high school students (9.9 percent) has been hit, slapped, or physically hurt on purpose by a boyfriend or girlfriend;

Whereas more than 1 in 4 teenagers have been in a relationship where a partner is verbally abusive;

Whereas 20 percent of teen girls exposed to physical dating violence did not attend school because the teen girls felt unsafe either at school, or on the way to or from school, on 1 or more occasions in a 30-day period;

Whereas violent relationships in adolescence can have serious ramifications for victims by putting the victims at higher risk for substance abuse, eating disorders, risky sexual behavior, suicide, and adult revictimization;

Whereas being physically and sexually abused leaves teen girls up to 6 times more

likely to become pregnant and more than 2 times as likely to report a sexually transmitted disease;

Whereas nearly 3 in 4 children ages 11 to 14 (referred to in this preamble as "tweens"), say that dating relationships usually begin at age 14 or younger and about 72 percent of eighth and ninth graders report "dating";

Whereas 1 in 5 teens say their friends are victims of dating violence and nearly ½ of tweens who are in relationships know friends who are verbally abused;

Whereas more than 3 times as many tweens (20 percent) as parents of tweens (6 percent) admit that parents know little or nothing about the dating relationships of tweens;

Whereas teen dating abuse most often takes place in the home of 1 of the partners;

Whereas a majority of parents surveyed believe they have had a conversation with their teen about what it means to be in a healthy relationship, but the majority of teens surveyed said that they have not had a conversation about dating abuse with a parent in the past year;

Whereas digital abuse and "sexting" is becoming a new frontier for teen dating abuse;

Whereas 1 in 4 teens in a relationship say they have been called names, harassed, or put down by their partner through cellphones and texting;

Whereas 3 in 10 young people have sent or received nude pictures of other young people on their cell or online, and 61 percent who have "sexted" report being pressured to do so at least once;

Whereas targets of digital abuse are almost 3 times as likely to contemplate suicide as those who have not encountered such abuse (8 percent vs. 3 percent), and targets of digital abuse are nearly 3 times more likely to have considered dropping out of school;

Whereas the severity of violence among intimate partners has been shown to be greater in cases where the pattern of violence has been established in adolescence;

Whereas primary prevention programs are a key part of addressing teen dating violence and many successful community examples include education, community outreach, and social marketing campaigns that also understand the cultural appropriateness of programs;

Whereas skilled assessment and intervention programs are also necessary for youth victims and abusers; and

Whereas the establishment of National Teen Dating Violence Awareness and Prevention Month will benefit schools, communities, and families regardless of socioeconomic status, race, or sex: Now, therefore, be it

Resolved, That the Senate—

(1) designates the month of February 2010, as "National Teen Dating Violence Awareness and Prevention Month";

(2) supports communities to empower teens to develop healthier relationships; and

(3) calls upon the people of the United States, including youth and parents, schools, law enforcement, State and local officials, and interested groups to observe National Teen Dating Violence Awareness and Prevention Month with appropriate programs and activities that promote awareness and prevention of the crime of teen dating violence in their communities.

The preamble was agreed to.

The resolution, with its preamble, reads as follows:

S. RES. 395

Whereas, on January 23, 1860, the history of the Colorado National Guard began when the first General Assembly of the Jefferson Territory authorized the formation of 2 independent militia companies, the Jefferson Rangers and the Denver Guards, both of which were disbanded after the Colorado Volunteers were established as the official Colorado Territorial Militia;

Whereas after Colorado became a State in 1876, the Colorado State Militia was activated on dozens of occasions to protect public rights, safety, and property;

Whereas during World War I, nearly all units of the Colorado National Guard were called into service, serving as replacements on the front lines as well as carrying out crucial artillery support roles in most of the major campaigns near the end of the war;

Whereas during World War II, Colorado National Guard units served in both the European and Pacific theaters, providing crucial indirect fire support throughout the Pacific, significantly contributing to the invasion of Italy and southern France, and partaking in the liberation of the Dachau concentration camp in April 1945;

Whereas a year prior to the establishment of the United States Air Force in September 1947, the 120th Tactical Reconnaissance Squadron (Fighter) was federally recognized and redesignated as the 120th Fighter Squadron (Single-Engine), thus becoming the first federally recognized unit of the Air National Guard;

Whereas the Colorado National Guard was called into Federal service in 1950 during the Korean War and in 1961 during the Berlin Crisis;

Whereas in 1968, the 120th Tactical Fighter Squadron of the Colorado Air National Guard became one of the first Air National Guard units to be mobilized and the first of 4 fighter units to be deployed for combat operations in the Vietnam War;

Whereas in 1990 and 1991, the Colorado National Guard was called into Federal service to support Operation Desert Shield/Storm in the Persian Gulf and enforce the United Nations-mandated no-fly zone over Iraq during Operations Northern and Southern Watch;

Whereas the Colorado National Guard was called into Federal service in 1994 to help

provide stability in Haiti and in 1999 as part of Operation Joint Forge in the Balkans;

Whereas in recent years, the Colorado National Guard has supported various anti-drug and search-and-rescue missions and assisted the citizens of Colorado during numerous natural disasters and State emergencies;

Whereas hours after the attack on the World Trade Center and the Pentagon on September 11, 2001, the Colorado National Guard was activated to bolster airport security at 14 major airports across the State and the Pueblo Chemical Depot, with Colorado Guardsmen, as part of Operation Noble Eagle, launching the first defensive aircraft over the city of Denver within minutes of the terrorist attacks and initiating the Air Sovereignty Alert mission, which continues today with airmen and aircraft on alert 24 hours a day, 365 days a year, to protect our Nation from aerial threats;

Whereas since September 11, 2001, more than 6,500 Colorado National Guard members have served in Iraq and Afghanistan in support of Operations Iraqi Freedom and Enduring Freedom, with more than 550 Colorado National Guard members currently deployed in support of both missions and another 160 members preparing for mobilization;

Whereas the 3rd Battalion of the 157th Field Artillery Regiment, which traces its lineage back to the Civil War, is currently deployed in support of Operation Iraqi Freedom and is the largest Colorado Army National Guard unit to deploy since World War II;

Whereas in 1985, the Colorado National Guard established the High-Altitude Army Aviation Training Site (HAATS) to instruct rotary wing aviators on how to better operate in hostile, high-altitude, and power-limited environments;

Whereas HAATS is the only United States military school teaching such specialized techniques and has provided critical training to helicopter aviators in Iraq and Afghanistan;

Whereas in 1993, the Colorado National Guard was among the first to form a partnership under the auspices of the State Partnership Program with the Republic of Slovenia, and in 2002, formed a second partnership with the Hashemite Kingdom of Jordan;

Whereas the more than 3,700 citizen soldiers of the Colorado Army National Guard are based in 20 communities across Colorado, and the more than 1,500 citizen airmen of the Colorado Air National Guard are based at Buckley Air Force Base in Aurora, Colorado, as well as in Greeley and Colorado Springs, Colorado;

Whereas the citizen soldiers and airmen of the Colorado National Guard have served with courage and selflessness and have earned the respect and gratitude of Coloradans and all Americans; and

Whereas the Colorado National Guard continues to build on its heritage as a ready, reliable, and relevant community-based force that is always ready and always there, whether to protect our homeland against attacks, to support civil authorities, or to defend freedom overseas: Now, therefore, be it Resolved, That the Senate—

(1) recognizes the 150th anniversary of the founding of the Colorado National Guard and its exemplary service to the State of Colorado and the Nation;

CONGRATULATING SENATOR SPECTER

Mr. DURBIN. Will the Senator yield? Mr. SPECTER. I will yield.

Mr. DURBIN. Mr. President, I just wanted to say a few words to the Senator from Pennsylvania.

I would like to congratulate my colleague on the occasion of his 10,000th vote in the Senate. He has been a colleague of mine now for the 13 years I have served in the Senate, and I have enjoyed working with him. Occasionally, we have been on opposite sides of an issue, and at times we have been on the same side. I much prefer the latter. He is an able attorney and a thoughtful and reflective Member of the Senate. I have enjoyed my service with him, and I congratulate him on his 10,000th vote.

I am particularly pleased that he cast that vote from this side of the Senate. I look forward to working with Senator SPECTER and thank the people of Pennsylvania for giving us an opportunity to work with him and to share his public service these many years. I congratulate the Senator.

Mr. SPECTER. I thank the distinguished Senator from Illinois for those kind remarks. We have worked together very harmoniously. On occasions where we voted differently, it was always in the spirit of collegiality. One personal note. He and I are frequenters of the Senate gym. I arrive about 6:30 a.m., and he has already been there for awhile. He is a robust athlete in addition to being a great assistant majority leader.

Mr. DURBIN. If the Senator from Pennsylvania will yield, I tell people I go to the Senate gym for no apparent reason. But I thank him for his kind words.

CASTING 10,000 VOTES

Mr. SPECTER. Mr. President, I come to the point where no other Senator is seeking recognition, and we are through expediting the work of the clerks, so I am going to make a statement reflecting on my 10,000th vote.

The circumstances are somewhat unusual. I cast the vote and expected to
