

1-1, poison control centers, and mental health hotlines, and the public needs to be educated on when to use those services in addition to or instead of 9-1-1;

Whereas international visitors and immigrants make up an increasing percentage of the United States population each year, and visitors and immigrants may have limited knowledge of our emergency calling system;

Whereas people of all ages use 9-1-1 and it is critical to educate those people on the proper use of 9-1-1;

Whereas senior citizens are at high risk for needing to access to 9-1-1 and many senior citizens are learning to use new technology;

Whereas thousands of 9-1-1 calls are made every year by children properly trained in the use of 9-1-1, which saves lives and underscores the critical importance of training children early in life about 9-1-1;

Whereas the 9-1-1 system is often misused, including by the placement of prank and nonemergency calls;

Whereas misuse of the 9-1-1 system results in costly and inefficient use of 9-1-1 and emergency response resources and needs to be reduced;

Whereas parents, teachers, and all other caregivers need to play an active role in 9-1-1 education for children, but will do so only after being first educated themselves;

Whereas there are many avenues for 9-1-1 public education, including safety fairs, school presentations, libraries, churches, businesses, public safety answering point tours or open houses, civic organizations, and senior citizen centers;

Whereas children, parents, teachers, and the National Parent Teacher Association contribute importantly to the education of children about the importance of 9-1-1 through targeted outreach efforts to public and private school systems;

Whereas we as a Nation should strive to host at least 1 educational event regarding the proper use of 9-1-1 in every school in the country every year;

Whereas programs to promote proper use of 9-1-1 during National 9-1-1 Education Month could include—

- (1) public awareness events, including conferences and media outreach, training activities for parents, teachers, school administrators, other caregivers and businesses;
- (2) educational events in schools and other appropriate venues; and
- (3) production and distribution of information about the 9-1-1 system designed to educate people of all ages on the importance and proper use of 9-1-1; and

Whereas the people of the United States deserve the best education regarding the use of 9-1-1: Now, therefore, be it

*Resolved*, That the Senate—

- (1) designates April 2010 as “National 9-1-1 Education Month”; and
- (2) urges Government officials, parents, teachers, school administrators, caregivers, businesses, nonprofit organizations, and the people of the United States to observe the month with appropriate ceremonies, training events, and activities.
