

both Trapper and Tom had the knowledge, background, and expertise to launch Alcom in early 2006.

When the company opened its doors, it employed just a handful of people but sold 105 of its trailers to dealers on its first day of operation. Business continued to stay strong, and within a year, Alcom was using all 46,000 available square feet at the mill. Facing a dilemma that could have easily forced their company out of State, Trapper and Tom instead chose to utilize a \$1.1 million SBA loan guarantee to move into an expanded, 70,000 square foot facility in the Winslow Industrial Park. In part because of the expansion, Alcom now employs 80 and is slated to complete \$18 million in sales in 2010. The company sells its trailers to 200 dealers throughout the United States and Canada. Additionally, the company's 5-year plan anticipates the company having 196 employees and \$44 million in sales in 2013, an incredible measurement of the company's success and growth.

The ability of Alcom to grow and thrive during such difficult economic times is a testament to the dedication and commitment of Trapper Clark and Tom Sturtevant, who vividly represent America's entrepreneurial spirit. Indeed, Alcom is truly one of our Nation's shining small business success stories, and has quickly become a nationwide leader in the design and manufacturing of recreational aluminum trailers. I am proud that Maine is home to such a vibrant and resilient firm, and I am optimistic for the company's future prospects. Once again, I congratulate Trapper and Tom for being exceptional models for Maine and the Nation, and I wish them and everyone at Alcom all the best for many more successful years to come.●

TRIBUTE TO DEREK JOHNSON

● Mr. THUNE. Mr. President, today I wish to recognize Derek Johnson, son of Wayne and Nancy Johnson, of Aberdeen, SD. Derek will graduate from Aberdeen Central High School on May 23, 2010.

Derek has a very unique and touching story. He has overcome much adversity to become the positive role model and impressive young leader he is today. While playing for the Aberdeen Central Golden Eagles' high school football team in the fall of 2007, Derek suffered a serious injury that would change life as he knew it. After much contemplation and several extensive surgeries, Derek's lower left leg was amputated. Throughout his struggles, and the long painful recovery process, Derek maintained a positive attitude and steadfast work ethic that served as an inspiration to his teammates, classmates, the community, and entire State of South Dakota.

In March 2009, Derek's invincible attitude and courageous spirit were highlighted when he was selected as one of seven nationwide regional winners of

the National High School Spirit of Sport Award. This award, selected by the National Federation of State High School Associations, is presented to high school athletes, coaches, administrators, managers and trainers that best exemplify the ideals of the positive spirit of sport.

Perhaps nothing embodied Derek's spirit more than when he returned to the athletic field this past school year. He returned to the football team to provide encouragement for his teammates. Through his hard work and determination, he was also able to compete as part of the Aberdeen Central Golden Eagles' varsity wrestling team. As a reflection of his athletic talent and perseverance, Derek earned eighth place in the South Dakota Class A Wrestling Championships.

Throughout his high school career, Derek has served as a shining example and genuine role model. I want to thank Derek for being such a positive influence on all of the lives he has touched and wish him the best of luck in his future endeavors. On behalf of the Aberdeen community, the entire State of South Dakota, and all of us here serving in the U.S. Congress, I am pleased to extend my sincere congratulations to Aberdeen Central's Derek Johnson. This young South Dakotan will continue to be a true hero and inspiration. He has made us all very proud. Congratulations.●
