The motion was agreed to.

The PRESIDING OFFICER. The majority leader.

Mr. REID. Mr. President, for the benefit of all Members, we are trying to work through having an amendment Senator BAUCUS will offer when we dispose of the present amendment.

I have had one Senator come to me and ask: Once we get on the next Baucus amendment, what are we going to do? I will be happy to confer with the Republican leader and see if there is a way of moving forward. We have been on this matter for a long time—not on a contiguous basis, but this is the beginning of the end of the eighth week on this piece of legislation. But we have no desire at this time to have an outline of how we are going to get where we are going to.

I will be happy to visit with the Republican leader because one of his Senators asked me what we were going to do once we get on the Baucus amendment. The plan would be to complete tabling the Baucus amendment, and then the plan would be to recess subject to the call of the Chair. At that time, Senator BAUCUS would lay down the amendment. It is not ready. That is why we are not doing it now. And then we could decide at that time, or maybe even in the morning, how we are going to proceed. I think that gives everyone a general idea. There will be no more votes tonight after we have this one vote.

Mr. President, I move to table the Baucus motion to concur in the House amendment to the Senate amendment with amendment No. 4369, and I ask for the yeas and nays.

The PRESIDING OFFICER. Is there a sufficient second? There is a sufficient second.

The question is on agreeing to the motion. The clerk will call the roll.

The legislative clerk called the roll.

Mr. DURBIN. I announce that the Senator from West Virginia (Mr. BYRD), the Senator from North Dakota (Mr. DORGAN), and the Senator from West Virginia (Mr. ROCKEFELLER) are necessarily absent.

Mr. KYL. The following Senator is necessarily absent: the Senator from Kansas (Mr. ROBERTS).

The PRESIDING OFFICER. Are there any other Senators in the Chamber desiring to vote?
