Ms. LANDRIEU (for herself, Mr. INHOFE, Mrs. LINCOLN, Mr. GRASSLEY, Mrs. MURRAY, Mr. DEMINT, Mr. KERRY, Ms. COLLINS, Mr. NELSON, of Nebraska, Mr. ENZI, Mr. CARDIN, Mr. VOINOVICH, Mr. FRANKEN, Mr. THUNE, Mr. CONRAD, Mr. COBURN, Mr. MERKLEY, Mr. BROWNBACK, Mr. JOHNSON, Mr. BENNETT, Mr. ROCKEFELLER, Mr. ALEXANDER, Mrs. HUTCHISON, Mr. LEMIEUX, Mrs. GILLIBRAND, Mr. LUGAR, Ms. KLOBUCHAR, Mr. LAUTENBERG, Mr. WYDEN, Mr. INOUE, and Mr. CORNYN) submitted the following resolution; which was referred to the Committee on Health, Education, Labor, and Pensions:

S. RES. 647

Whereas there are approximately 463,000 children in the foster care system in the United States, approximately 123,000 of whom are waiting for families to adopt them;

Whereas 55 percent of the children in foster care are age 10 or younger;

Whereas the average length of time a child spends in foster care is over 2 years;

Whereas, for many foster children, the wait for a loving family in which they are nurtured, comforted, and protected seems endless;

Whereas the number of youth who "age out" of foster care by reaching adulthood without being placed in a permanent home has continued to increase since 1998, and

more than 29,000 foster youth age out every year;

Whereas everyday, loving and nurturing families are strengthened and expanded when committed and dedicated individuals make an important difference in the life of a child through adoption;

Whereas a 2007 survey conducted by the Dave Thomas Foundation for Adoption demonstrated that though "Americans overwhelmingly support the concept of adoption, and in particular foster care adoption . . . foster care adoptions have not increased significantly over the past five years";

Whereas, while 4 in 10 Americans have considered adoption, a majority of Americans have misperceptions about the process of adopting children from foster care and the children who are eligible for adoption;

Whereas 71 percent of those who have considered adoption consider adopting children from foster care above other forms of adoption;

Whereas 45 percent of Americans believe that children enter the foster care system because of juvenile delinquency, when in reality the vast majority of children who have entered the foster care system were victims of neglect, abandonment, or abuse;

Whereas 46 percent of Americans believe that foster care adoption is expensive, when in reality there is no substantial cost for adopting from foster care and financial support is available to adoptive parents after the adoption is finalized;

Whereas both National Adoption Day and National Adoption Month occur in November;

Whereas National Adoption Day is a collective national effort to find permanent, loving families for children in the foster care system;

Whereas, since the first National Adoption Day in 2000, more than 30,000 children have joined forever families during National Adoption Day;

Whereas, in 2009, adoptions were finalized for nearly 5,000 children through 400 National Adoption Day events in all 50 States, the District of Columbia, Puerto Rico, and Guam; and

Whereas the President traditionally issues an annual proclamation to declare November as National Adoption Month, and National Adoption Day is on November 20, 2010: Now, therefore, be it

Resolved, That the Senate—

(1) supports the goals and ideals of National Adoption Day and National Adoption Month;

(2) recognizes that every child should have a permanent and loving family; and

(3) encourages the people of the United States to consider adoption during the month of November and all throughout the year.

SENATE RESOLUTION 648—DESIGNATING THE WEEK BEGINNING ON MONDAY, NOVEMBER 8, 2010, AS "NATIONAL VETERANS HISTORY PROJECT WEEK"

Mr. CRAPO (for himself, Mrs. LINCOLN, Mrs. SHAHEEN, and Mr. DORGAN) submitted the following resolution; which was referred to the Committee on the Judiciary:

S. RES. 648

Whereas 2010 marks the 10th anniversary of the establishment of the Veterans History Project by Congress in order to collect and preserve the wartime stories of veterans of the Armed Forces of the United States;

Whereas Congress charged the American Folklife Center at the Library of Congress to

undertake the Veterans History Project and to engage the public in the creation of a collection of oral histories that would be a lasting tribute to individual veterans;

Whereas the Veterans History Project relies on a corps of volunteer interviewers, partner organizations, and an array of civic minded institutions nationwide who interview veterans according to the guidelines outlined by the project;

Whereas these oral histories have created an abundant resource for scholars to gather first-hand accounts of veterans' experience in World War I, World War II, the Korean War, the Vietnam War, the Persian Gulf War, and the Afghanistan and Iraq conflicts;

Whereas there are 17,000,000 wartime veterans in the United States whose stories can educate people of all ages about important moments and events in the history of the United States and the world and provide instructive narratives that illuminate the meanings of "service", "sacrifice", "citizenship", and "democracy";

Whereas more than 70,000 oral histories have already been collected and more than 8,000 oral histories are fully digitized and available through the website of the Library of Congress;

Whereas the Veterans History Project will increase the number of oral histories that can be collected and preserved and increase the number of veterans it honors; and

Whereas "National Veterans Awareness Week" has been recognized by Congress in previous years: Now, therefore, be it

Resolved, That the Senate—

(1) designates the week beginning on Monday, November 8, 2010, as "National Veterans History Project Week";

(2) recognizes "National Veterans Awareness Week";

(3) calls on the people of the United States to interview at least 1 veteran in their families or communities according to guidelines provided by the Veterans History Project; and

SENATE RESOLUTION 649—SUPPORTING THE GOALS AND IDEALS OF "NATIONAL SAVE FOR RETIREMENT WEEK", INCLUDING RAISING PUBLIC AWARENESS OF THE VARIOUS TAX-PREFERRED RETIREMENT VEHICLES AND INCREASING PERSONAL FINANCIAL LITERACY

Mr. CONRAD (for himself, Mr. ENZI, and Mr. CARDIN) submitted the following resolution; which was considered and agreed to:

S. RES. 649

Whereas people in the United States are living longer, and the cost of retirement is increasing significantly;

Whereas Social Security remains the bedrock of retirement income for the great majority of the people of the United States but was never intended by Congress to be the sole source of retirement income for families;

Whereas recent data from the Employee Benefit Research Institute indicates that, in the United States, less than 2% of workers or their spouses are currently saving for retirement and that the actual amount of retirement savings of workers lags far behind the

amount that will be needed to adequately fund their retirement years;

Whereas financial literacy is an important factor in United States workers' understanding of the true need to save for retirement;

Whereas saving for one's retirement is a key component to overall financial health and security during retirement years, and the importance of financial literacy in planning one's retirement must be advocated;

Whereas many workers may not be aware of their options for saving for retirement or may not have focused on the importance of, and need for, saving for their own retirement;

Whereas many employees have available to them, through their employers, access to defined benefit and defined contribution plans to assist them in preparing for retirement, yet many of those employees may not be taking advantage of those plans at all or to the full extent allowed by those plans as prescribed by Federal law;

Whereas the need to save for retirement is important, even during economic downturns or market declines, making continued contributions all the more important;

Whereas all workers, including public- and private-sector employees, employees of tax-exempt organizations, and self-employed individuals, can benefit from increased awareness of the need to develop personal budgets and financial plans that include retirement savings strategies and to take advantage of the availability of tax-preferred savings vehicles to assist them in saving for retirement; and

Whereas October 17 through October 23, 2010, has been designated as "National Save for Retirement Week": Now, therefore, be it

Resolved, That the Senate—

(1) supports the goals and ideals of "National Save for Retirement Week", including raising public awareness of the various tax-preferred retirement vehicles as important tools for personal savings and retirement financial security;

(2) supports the need to raise public awareness of the availability of a variety of ways to save for retirement which are favored under the Internal Revenue Code of 1986 and are utilized by many Americans, but which should be utilized by more;

(3) supports the need to raise public awareness of the importance of saving adequately for retirement and the continued existence of tax preferred employer-sponsored retirement savings vehicles; and

(4) calls on the States, localities, schools, universities, nonprofit organizations, businesses, other entities, and the people of the United States to observe National Save for Retirement Week with appropriate programs and activities, with the goal of increasing retirement savings for all the people of the United States.

S. RES. 650

Whereas lead poisoning is one of the leading environmental health hazards facing children in the United States;

Whereas approximately 200,000 children in the United States under the age of 6 have harmful levels of lead in their blood;

Whereas lead poisoning may cause serious, long-term harm to children, including reduced intelligence and attention span, behavioral problems, learning disabilities, and impaired growth;

Whereas children from low-income families are significantly more likely to be poisoned by lead than are children from high-income families;

Whereas children may be poisoned by lead in water, soil, housing, or consumable products;

Whereas children most often are poisoned in their homes through exposure to lead particles when lead-based paint deteriorates or is disturbed during home renovation and repainting; and

Whereas lead poisoning crosses all barriers of race, income, and geography: Now, therefore, be it

Whereas eighty-five percent of the rice consumed in the United States is grown by American rice farmers, which supports rural communities and the economy of the United States;
