**VETERANS’ INSURANCE AND  
HEALTH CARE IMPROVEMENTS  
ACT**

Mr. DURBIN. I ask unanimous consent that the Veterans’ Affairs Committee be discharged from further consideration of H.R. 3219, and the Senate proceed to its immediate consideration.

The PRESIDING OFFICER. Without objection, it is so ordered.

The clerk will report the bill by title. The assistant legislative clerk read as follows:

A bill (H.R. 3219) to amend title 38, United States Code, to make certain improvements in the laws administered by the Secretary of Veterans Affairs relating to insurance and health care, and for other purposes.

There being no objection, the Senate proceeded to consider the bill.

Mr. AKAKA. Mr. President, I am pleased that the Senate is acting on H.R. 3219, the proposed “Veterans’ Benefits Act of 2010.” The bill, as it comes before the Senate, is a compromise agreement developed with our counterparts on the House Committee on Veterans’ Affairs. I thank Chairman FILNER and Ranking Member BUYER of the House Committee for their cooperation on this legislation. I also thank my good friend, the committee’s ranking member, Senator BURR, for his cooperation as we have developed this bill. A full explanation of the Senate and House negotiated agreement can be found in the Joint Explanatory Statement, which I will ask be printed in the RECORD at the conclusion of my remarks.

The amended bill, which I will refer to as the “compromise agreement,” contains ten titles that are designed to enhance compensation, housing, labor and education, burial, and insurance benefits for veterans. I will highlight a few of the provisions.

The compromise agreement would make several important improvements in insurance programs for disabled veterans. It would increase the maximum amount of veterans’ mortgage life insurance that a service-connected disabled veteran may purchase from the current maximum of \$90,000 up to \$200,000. In the event of the veteran’s death, the veteran’s family would be protected because VA will pay the balance of the mortgage owed up to the maximum amount of insurance purchased. The need for this increase is obvious in today’s housing market.

In addition, this legislation would increase the amount of supplemental life insurance available to totally disabled veterans from \$20,000 to \$30,000. Many totally disabled veterans find it difficult to obtain commercial life insurance. This legislation would provide these veterans with a reasonable amount of life insurance coverage.

This benefits package also includes a provision that will expand eligibility

for retroactive benefits from traumatic injury protection coverage under the Servicemembers’ Group Life Insurance program, commonly referred to as TSGLI. Section 1032 of Public Law 109–13, the Emergency Supplemental Appropriations Act for Defense, the Global War on Terror, and Tsunami Relief, 2005, established traumatic injury protection under the SGLI program. TSGLI went into effect on December 1, 2005. Therefore, all insured servicemembers under SGLI from that point forward are also insured under TSGLI and their injuries are covered regardless of where they occur. In order to provide assistance to those servicemembers who suffered traumatic injuries on or between October 7, 2001, and November 30, 2005, retroactive TSGLI payments were authorized under section 1032(c) of the Supplemental Appropriations Act to individuals whose qualifying losses were sustained “as a direct result of injuries incurred in Operation Enduring Freedom or Operation Iraqi Freedom.” Under section 501(b) of Public Law 109–233, the Veterans’ Housing Opportunity and Benefits Improvement Act of 2006, this definition was amended to allow retroactive payments to individuals whose qualifying losses were sustained “as a direct result of a traumatic injury incurred in the theater of operations for Operation Enduring Freedom and Operation Iraqi Freedom.”

However, without corrective action, men and women who were traumatically injured on or between October 7, 2001, and November 30, 2005, but were not in the OIF or OEF theaters of operation, will continue to be denied the same retroactive payment given to their wounded comrades. This legislation would correct that inequity.

This bill also modifies programs that provide adaptive assistance to veterans. It would increase and provide an index for an existing VA grant program, which provides funds to assist severely disabled veterans in purchasing automobiles or other conveyances that can accommodate their disabilities. The increase to \$18,900 would help prevent erosion of the value and effectiveness of this benefit.

Another provision included in this bill would expand this grant program to provide automobile and adaptive equipment assistance to disabled veterans and servicemembers with severe burn injuries. Due to the severe damage done to their skin, individuals with these disabilities experience difficulty operating a standard automobile not equipped to accommodate their disabilities. This legislation would help them obtain vehicles with special adaptations for assistance in and out of the vehicle, seat comfort, and climate control.

Another key part of this legislation is a provision to help homeless women veterans and homeless veterans with children. The majority of programs and service providers currently available to homeless veterans have historically
