SENATE RESOLUTION 675—COMMEMORATING THE 100TH ANNIVERSARY OF THE WEEKS LAW

Mr. GREGG (for himself and Mrs. SHAHEEN) submitted the following resolution; which was referred to the Committee on Agriculture, Nutrition, and Forestry:

S. RES. 675

Whereas the 100th anniversary of the Act of March 1, 1911 (commonly known as the “Weeks Law”) (16 U.S.C. 480 et seq.), marks 1 of the most significant moments in conservation and Forest Service history;

Whereas New Hampshire, along with the southern Appalachians, was at the center of efforts to pass the Weeks Law;

Whereas John Wingate Weeks, sponsor of the Weeks Law, was born in Lancaster, New Hampshire, and maintained a summer home there that is now Weeks State Park;

Whereas, in 1903, the Appalachian Mountain Club, and the newly formed Society for the Protection of New Hampshire’s Forests, helped draft a bill for the creation of a forest reserve in the White Mountains;

Whereas passage of the Weeks Law on March 1, 1911, was made possible by an unprecedented collaboration of a broad spectrum of interests, including the Appalachian Mountain Club, the Society for the Protection of New Hampshire Forests, industrialists, small businesses, and the tourist industry;

Whereas, in 1914, the first 7,000 acres of land destined to be part of the White Mountain National Forest were acquired in Benton, New Hampshire, under the Weeks Law;

Whereas national forests were established and continue to be managed as multiple use public resources, providing recreational opportunities, wildlife habitat, watershed protection, and renewable timber resources;

Whereas the forest conservation brought about by the Weeks Law encouraged and inspired additional conservation by State and local government as well as private interests, further protecting the quality of life in the United States;

Whereas the White Mountain National Forest continues to draw millions of visitors annually who gain a renewed appreciation of the inherent value of the outdoors;

Whereas the multiple values and uses supported by the White Mountain National Forest today are a tribute to the collaboration of 100 years ago, an inspiration for the next 100 years, and an opportunity to remind the people of the United States to work together toward common goals on a common landscape; and

Whereas President Theodore Roosevelt stated “We want the active and zealous help of every man far-sighted enough to realize the importance from the standpoint of the nation’s welfare in the future of preserving the forests”: Now, therefore, be it

Resolved, That the Senate—

(1) recognizes the significance of the 100th anniversary of the Act of March 1, 1911 (commonly known as the “Weeks Law”) (16 U.S.C. 480 et seq.) to the history of conservation and the power of cooperation among unlikely allies;

(2) encourages efforts to celebrate the centennial in the White Mountain National For-

est with a focus on the future as well as to commemorate the past; and

(3) encourages continued collaboration and cooperation among Federal, State, and local governments, as well as business, tourism, and conservation interests, to ensure that the many values and benefits flowing from the White Mountain National Forest today to the citizens of New Hampshire, and the rest of the United States, are recognized and supported in perpetuity.

Whereas diabetes is a serious chronic condition that affects people of every age, race, ethnicity, and income level;

Whereas the CDC reports that Hispanic, African, Asian, and Native Americans are disproportionately affected by diabetes and suffer from diabetes at rates that are much higher than the general population;

Whereas according to the CDC, 3 people are diagnosed with diabetes every minute;

Whereas each day, approximately 4,384 people are diagnosed with diabetes;

Whereas in 2007, the CDC estimates that approximately 1,600,000 individuals aged 20 and older were newly diagnosed with diabetes;

Whereas a joint National Institutes of Health and CDC study found that approximately 15,000 youth in the United States are diagnosed with type 1 diabetes annually and approximately 3,700 youth are diagnosed with type 2 diabetes annually;

Whereas according to the CDC, between 1980 and 2007, diabetes prevalence in the United States increased by more than 300 percent;

Whereas the CDC reports that over 24 percent of individuals with diabetes are undiagnosed, a decrease from 30 percent in 2005;

Whereas the National Diabetes Fact Sheet issued by the CDC states that more than 10 percent of adults of the United States and 23.1 percent of people of the United States age 60 and older have diabetes;

Whereas the CDC estimates that 1 in 3 people of the United States born in the year 2000 will develop diabetes in the lifetime of that individual;

Whereas the CDC estimates that 1 in 2 Hispanic, African, Asian, and Native Americans born in the year 2000 will develop diabetes in the lifetime of that individual;

Whereas according to the American Diabetes Association, in 2007, the total cost of diagnosed diabetes in the United States was \$174,000,000,000, and 1 in 10 dollars spent on health care was attributed to diabetes and its complications;

Whereas according to a Lewin Group study, in 2007, the total cost of diabetes (including both diagnosed and undiagnosed diabetes, pre-diabetes, and gestational diabetes) was \$218,000,000,000;

Whereas a Mathematica Policy study found that, for each fiscal year, total expenditures for Medicare beneficiaries with diabetes comprise 32.7 percent of the Medicare budget;

Whereas according to the CDC, diabetes was the seventh leading cause of death in 2007 and contributed to the deaths of over 230,000 Americans in 2005;

Whereas there is not yet a cure for diabetes;

Whereas there are proven means to reduce the incidence of, and delay the onset of, type 2 diabetes;

Whereas with the proper management and treatment, people with diabetes live healthy, productive lives; and

Whereas American Diabetes Month is celebrated in November: Now, therefore, be it

Mr. CARPER (for himself and Ms. SNOWE) submitted the following resolution; which was referred to the Committee on Energy and Natural Resources:

S. RES. 677

Whereas, since 1997, communities across the United States have come together each year to celebrate and observe America Recycles Day on November 15th;

Whereas America Recycles Day, which is managed by the nonprofit organization Keep America Beautiful, is the only nationally recognized day dedicated solely to the promotion of recycling in the United States;

Whereas recycling is important to the sustainability of resources of the United States;

Whereas Americans throw away enough aluminum cans every month to rebuild the entire commercial air fleet of the United States;

Whereas the United States should encourage the establishment of recycling programs and services;

Whereas the Trust for the National Mall is a nonprofit organization started to help beautify and refurbish the facilities and grounds of the National Mall by raising funds from individuals, groups, and corporations with a common goal of keeping the capital city of the United States beautiful for more than 30,000,000 visitors each year;

Whereas The Coca-Cola Company, a private company, has created a subsidiary company, Coca-Cola Recycling, with the goal of recapturing the equivalent of 100 percent of the packaging placed in the North American marketplace by Coca-Cola products;

Whereas effective public-private partnerships, such as the partnership among the National Park Service, the National Park Foundation, the Trust for the National Mall, and The Coca-Cola Company, have allowed a comprehensive recycling plan to be implemented on the National Mall; and
