STATEMENTS ON INTRODUCED
BILLS AND JOINT RESOLUTIONS

By Mr. KERRY (for himself, Mr. DODD, Mr. CASEY, and Mr. BINGAMAN):

S. 3950. A bill to amend title XVIII of the Social Security Act to provide for the application of a consistent Medicare part B premium for all Medicare beneficiaries for 2011; to the Committee on Finance.

Mr. KERRY. Mr. President, the Centers for Medicare and Medicaid Services, CMS, recently announced that nearly three-quarters of Medicare enrollees will see no increase in their Medicare Part B premium in 2011.

This group of beneficiaries is protected by a "hold harmless" provision in the law for years when there is no increase in Social Security checks. As a result, these beneficiaries will continue to pay the same monthly premium of \$96.40 that they have paid since 2008.

Unfortunately, 27 percent of Medicare beneficiaries do not receive this "hold-harmless" protection and will see their monthly premiums disproportionately increase to \$115.40 to shoulder the full load for those beneficiaries who are held harmless. This represents an increase of nearly 19 percent over the past two years with no cost of living adjustment to their retirement pensions or annuities.

This inequity in the law negatively affects new Medicare enrollees, low-income beneficiaries who receive Medicare and Medicaid, higher income enrollees who already pay higher premiums, and seniors who do not receive Social Security, such as federal, state, and local government retirees.

I believe we have a responsibility to protect all Medicare beneficiaries from premium increase, especially during these tough economic times when every penny counts. A premium increase for many seniors would mean choosing between food and medicine and that's a choice they should not have to make.

That is why today I am introducing the Medicare Premium Fairness Act. This legislation would restore fairness to our Medicare system and put money in the pockets of 12 million seniors and individuals with disabilities who desperately need it. It would correct this inequity in the law by applying the "hold harmless" provision to all Medicare beneficiaries, so that no enrollee will pay a monthly premium more than \$96.40 in 2011.

The Medicare Premium Fairness Act is cosponsored by Senator DODD and Senator CASEY, both of whom have been integral to the development of this legislation. Our legislation is supported by twenty four organizations that represent retirees and senior citizens across the country. I would like to thank all of the number of organizations who have endorsed our legislation today, including the American Federation of State, County and Municipal Employees, AFSCME, the National Ac-

tive and Retired Federal Employees Association, NARFE, and the National Committee to Preserve Social Security and Medicare, NCPSSM.

Now is the time to protect all Medicare beneficiaries from substantial and unfair Part B premium increases next year. I look forward to working with my colleagues in the Senate to pass the Medicare Premium Fairness Act before the end of the year.

By Mr. AKAKA:

S. 3953. A bill to amend title 38, United States Code, to provide benefits for children with spina bifida of veterans exposed to herbicides while serving in the Armed Forces during the Vietnam era outside Vietnam, and for other purposes; to the Committee on Veterans' Affairs.

Mr. AKAKA. Mr. President, as chairman of the Senate Committee on Veterans' Affairs, today, I am introducing legislation that would expand an existing VA benefit program for certain children with spina bifida. These benefits are currently provided under chapter 18 of title 38, United States Code, to the natural children of veterans who were exposed to herbicides such as Agent Orange, in Vietnam or near the Demilitarized Zone, DMZ, in Korea during the Vietnam era.

Current law provides benefits for the natural children of veterans exposed to herbicides only if the veteran served in a specific location, during a specific time frame. VA reports that 1,222 children currently receive these benefits and that only 10 of these receive them based on the service of a parent who served in outside of Vietnam.

However, VA has conceded that certain veterans who worked on the perimeter of Air Force bases in Thailand outside of the locations provided in current law during the Vietnam era were exposed to herbicides. As a result, children of those veterans suffering from spina bifida are excluded from the benefits provided based solely on where the exposure occurred.

The legislation I am introducing today would correct this inequity. Because only a very small number of children whose veteran parent served outside of Vietnam currently receive benefits, I expect only a small number of children would qualify for benefits under this bill. However, it is an inequity that should be remedied.

I urge our colleagues to support this bill and provide the exact same benefit to all children who have spina bifida related to the veteran parent's exposure to herbicides regardless of the location of their parent's exposure.

By Mr. BEGICH:

S. 3955. A bill to amend title 10, United States Code, to authorize space-available travel on military aircraft for members of the reserve components, a member or former member of a reserve component who is eligible for retired pay but for age, widows and widowers of retired members, and de-

pendents; to the Committee on Armed Services.

Mr. BEGICH. Mr. President, today I am introducing the Space Available Equity Act.

Members and retirees of the National Guard and Reserve, their families, and surviving military spouses make great sacrifices for our Nation. However, too often these individuals do not receive the benefits they have earned for their service.

For instance, members of the reserve components and "gray area" retirees, National Guardsmen or Reservists eligible for retirement but under the age of 60, have limited space-available travel privileges on Department of Defense aircraft under current regulation. Their space-available travel benefits are restricted to the continental United States and are not extended to their dependents, unlike active duty members and retirees.

Surviving spouses of a military member eligible for retired pay retain no space-available travel privileges at all after the death of their spouse, despite having made a lifetime commitment to the military or in many cases, lost their loved one in war.

To correct these inequities, I am introducing the National Guard, Reserve, Gray Area Retiree, and Surviving Spouse Space-available Travel Equity Act. This bill will give these deserving individuals comprehensive and equitable space-available travel privileges on Department of Defense aircraft. The bill is endorsed by the National Guard Association of the United States.

I urge my colleagues to join me in giving parity to our reserve component members and surviving military spouses.

Mr. President, I ask unanimous consent that the text of the bill be printed in the RECORD.

There being no objection, the text of the bill was ordered to be printed in the RECORD, as follows:

S. 3955

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "National Guard, Reserve, "Gray Area" Retiree, and Surviving Spouses Space-available Travel Equity Act of 2010".

SEC. 2. ELIGIBILITY OF RESERVE MEMBERS, GRAY-AREA RETIREES, WIDOWS AND WIDOWERS OF RETIRED MEMBERS, AND DEPENDENTS FOR SPACE-AVAILABLE TRAVEL ON MILITARY AIRCRAFT.

(a) ELIGIBILITY.—Chapter 157 of title 10, United States Code, is amended by inserting after section 2651 the following new section:

"§ 2652. Space-available travel on department of defense aircraft: reserve members, reserve members eligible for retired pay but for age; widows and widowers of retired members and dependents

"(a) RESERVE MEMBERS.—A member of a reserve component holding a valid Uniformed Services Identification and Privilege Card shall be provided transportation on Department of Defense aircraft, on a space-available basis, on the same basis as active
