

sacrificed everything for the sake of these ideals. These ideals continue to be gifted to every American citizen. Their sacrifice gave us all these gifts so today we owe them our sincere gratitude for each.

Last, the color blue symbolizes vigilance, perseverance, and justice. Vigilance is an enduring quality of our military men and women, and our veterans. Throughout the world, they have remained vigilant in their service of protecting the liberty and freedom of American citizens. Perseverance means one never gives up. How true of our service men and women. Despite the terrible conditions of war, they never gave up on the ideals for which they were fighting for. They fought to keep America free and safe for generations of American citizens. Without their vigilance and perseverance, America would not be the great country it is today. Each day, school children recite the words, "With liberty and justice for all," when they say the Pledge of Allegiance. What this means is that America upholds the ideals of pursuit of life, liberty, and happiness. Anything that threatens these ideals is perceived as a threat to justice. It's not us, the average citizen, who eliminates the threat, but our country's service men, women, and veterans who stand up and fight for justice for all.

So hold high the flag and its colors. Her story is one of freedom. Through the years, our military has rallied around her and fought and sacrificed so much. They have fought to keep us free. The flag unites us all under her majestic colors.

So, as we are gathered here today, take a look around you. The flowers that decorate the grave sites will one day wither and die. The engraving on the headstones will eventually fade. The sound of Taps will linger silently through these trees. But the one thing that will forever remain, year after year, is the American flag, waving valiantly over the graves of our fallen heroes. Thank you.

HONORING KATHY FLETCHER, AN ENVIRONMENTAL LEADER IN WASHINGTON STATE

HON. JAY INSLEE

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 7, 2011

Mr. INSLEE. Mr. Speaker, I rise today to honor Kathy Fletcher for her lifelong dedication to bettering the environment within Washington State and across the Nation.

Kathy Fletcher is retiring after 20 years serving as the Executive Director of People for Puget Sound, a citizen's organization she founded in 1991 to preserve the Puget Sound and Northwest Straits. The organization has inspired countless individuals through its education and volunteer programs. It also has successfully lobbied to strengthen environmental safeguards throughout the Puget Sound. Kathy has had a distinguished career spanning over 30 years of environmental activism, beginning with a position on President Carter's White House Domestic Policy Staff handling environmental and natural resource issues. A fifth-generation Washingtonian, she moved to Seattle to become the first chair of the Puget Sound Water Quality Authority and has since sat on the board of many local and national environmental organizations. Through her efforts, Kathy has helped protect Washington State's coastlines from disintegration and degradation and has made environmental activism more accessible to all.

Kathy, thank you for your environmental leadership and for your tireless efforts to improve Washington State for the benefit of all.

REGARDING DEPLOYMENT OF UNITED STATES ARMED FORCES IN LIBYA

SPEECH OF

HON. JOSEPH J. HECK

OF NEVADA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 3, 2011

Mr. HECK. Madam Speaker, I rise today in support of House Resolution 292.

On March 19, 2011, in response to United Nations Security Council Resolution 1973, the Obama administration, in cooperation with our NATO allies, commenced Operation Odyssey Dawn to enforce a no-fly zone in Libyan airspace.

In accordance with the War Powers Resolution, the administration must seek congressional authorization for this operation within 60 days.

Madam Speaker, that 60 days has come and gone, and we are now on our 77th day of conducting military operations in Libya. Yet the President has still not sought congressional authorization.

Without congressional authorization, the War Powers Resolution dictates that the President must withdraw our forces within 90 days.

As that 90th day rapidly approaches, this legislation puts the administration on notice that it has 14 days to provide a compelling rationale for our involvement in Libya, or Congress will exercise its constitutional prerogative to withhold funds for this operation.
