

COMMENDING THE HUNTERDON CENTRAL SOFTBALL TEAM ON THEIR CHAMPIONSHIP SEASON

**HON. LEONARD LANCE**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 14, 2011*

Mr. LANCE. Mr. Speaker, I rise today to congratulate the Hunterdon Central Regional High School's Softball Team on its outstanding victory this past weekend in the New Jersey State Interscholastic Athletic Association's Blue Ribbon Awards Group 4 Championship. Hunterdon Central had previously been given the state ranking of fourth by the Newark Star Ledger and earned this title after compiling an astounding 31–2 record for the season. Hunterdon Central had previously won the Group 4 championship in 1999. Hunterdon Central prides itself on fundamentals and execution and the team's skills and experience demonstrate a mastery of the sport. The hard work of the Lady Red Devils shows determination and teamwork.

I also congratulate Hunterdon Central coach Pete Fick who has now achieved a career record of 699–227–1.

I commend the entire team on its hard work and congratulate all of the players on their stellar season and well deserved championship.

I am also pleased to praise the team's accomplishments with my colleagues in the House of Representatives and with the American people.

RECOGNIZING THE PRINCE WILLIAM CLEAN COMMUNITY COUNCIL AND ITS 2010 VOLUNTEER OF THE YEAR

**HON. GERALD E. CONNOLY**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 14, 2011*

Mr. CONNOLY of Virginia. Mr. Speaker, I rise to recognize the Prince William Clean Community Council (PWCCC) and its 2010 Volunteer of the Year, Walter Skaja. With the help of dedicated volunteers like Mr. Skaja, the Council works to eliminate litter and graffiti in our Prince William neighborhoods and commercial centers.

The idea of forming an organization in Prince William County aimed at addressing environmental issues was conceived in 1982 during a spring cleanup effort led by a group of concerned local citizens. These individuals, who later became the founding members of PWCCC, immediately recognized the importance of litter prevention education as a way to long-term environmental cleanliness. In 1986, the Prince William County Litter Control Council was born. The organization later came to be known as the Clean Community Council and became an affiliate of Keep America Beautiful, a nationwide non-profit that uses education and hands-on stewardship to advocate litter control, waste reduction, and community beautification.

The Council's litter prevention and graffiti abatement efforts have not gone unnoticed. The Council's accolades include a 1994 Governors Award for Volunteering Excellence. The

Council was a 2000 Virginia Stewardship Award Winner in the Communication/Education Category and received the Prince William County 2001 Partners for the Potomac Environmental Patron Award, 2000 and 2002 Keep America Beautiful National Awards and a 2008 Keep America Beautiful President's Circle Recognition Award.

The Council's volunteers always have been essential to its success and the Volunteer of the Year Award is a way to recognize their invaluable support.

The 2010 recipient, Walter Skaja, has been a volunteer with PWCCC since 2009. He started working with PWCCC through its Adopt-A-Spot program, where volunteers adopt an area of Prince William County and agree to remove litter and debris throughout the year. Shortly after adopting two neighborhood parks, Walter also adopted Cedar Point Elementary School. In the past two years, Walter has not been alone in his work for a clean environment. He has had help from Cub Scout Pack 1384. Walter routinely has 100 or more scouts to help him with his beautification efforts. They have transformed Cedar Point Elementary School with landscaping improvements that have included mulching and planting trees, shrubs and flowers. In addition to his volunteer work with the Adopt-A-Spot and Adopt-A-School programs, Walter spent time during the major snow storms in 2009 and 2010 removing snow from fire hydrants and clearing snow at Cedar Point Elementary School. His tireless efforts helped students, parents, and staff make it to school safely.

Mr. Speaker, we create safer, cleaner neighborhoods when residents take ownership for their communities. The Clean Community Council asks Prince William residents to take pride in their county. I ask my colleagues to join me in recognizing the successes of the Prince William Clean Community Council as well as in congratulating Walter Skaja on being named the recipient of the 2010 Prince William Clean Community Council Volunteer of the Year Award.

RECOGNIZING THE SERVICE OF DR. NANCY GRASMICK, SUPERINTENDENT OF MARYLAND PUBLIC SCHOOLS

**HON. JOHN P. SARBANES**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 14, 2011*

Mr. SARBANES. Mr. Speaker, I rise today to pay tribute to Dr. Nancy Grasmick for her years of outstanding service to the people of Maryland, including her twenty year leadership role as Superintendent of Maryland public schools, the longest serving appointed school chief in the United States. Dr. Grasmick began her career as a teacher of deaf children at William S. Baer School in Baltimore City. In her years as an educator in Maryland public schools, Dr. Grasmick has served as a resource teacher, principal, supervisor, assistant superintendent, and associate superintendent in Baltimore County. In 1989, Dr. Grasmick was appointed by Governor William Donald Schaefer to act as the Special Secretary for Children, Youth, and Families and in 1991, the Maryland State Board of Education appointed her to be the first female Maryland State Su-

perintendent of Schools. All of these achievements are the culmination of many years of hard work, strong dedication, and commitment to the people of Maryland. This commitment has been recognized many times over through many awards, including her induction into the Maryland Women's Hall of Fame in 2004.

Dr. Nancy Grasmick has been known for her emphasis on student achievement, teacher quality, parental involvement, and early childhood education. Under her leadership, Maryland has been recognized for its achievements in education, having been named as "the most consistently high performing state" by Education Week. Dr. Grasmick has made an enormous impact on Maryland public schools and has changed the lives of countless families in the State of Maryland and beyond.

I was my special privilege to work with Dr. Grasmick for seven years as liaison to the Baltimore City Public Schools. I saw firsthand the amazing work of a leader motivated by compassion and a burning determination to give every child the chance to succeed. Dr. Grasmick's commitment to excellence is unrivaled. She is relentless in demanding the very best of those around her, while always offering the kind word and gesture. In that way and so many others, she is a natural born leader. I could not have had a better mentor or friend. My congratulations to Dr. Grasmick on a brilliant career. We look forward to her continued contributions to the State of Maryland and to our nation.

MILITARY CONSTRUCTION AND VETERANS AFFAIRS AND RELATED AGENCIES APPROPRIATIONS ACT, 2012

SPEECH OF

**HON. MAXINE WATERS**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 2, 2011*

The House in Committee of the Whole House on the State of the Union had under consideration the bill (H.R. 2055) making appropriations for military construction, the Department of Veterans Affairs, and related agencies for the fiscal year ending September 30, 2012, and for other purposes:

Ms. WATERS. Mr. Chair, I want to thank Chairman CULBERSON and Ranking Member BISHOP for agreeing to offer my amendment en bloc to H.R. 2055—Military Construction and Veterans Affairs and Related Agencies Appropriations Act. My amendment simply removes funding from the VA Medical Support and Compliance Account and replaces it back in the very same account. My intent in doing this is to highlight an issue for my colleagues and for the Department of Veterans Affairs (VA).

I believe that the VA needs to comprehensively examine its wait times for processing requests for mental health services from veterans and that the VA should submit a report to Congress no later than January 1 of 2012 on changes they intend to make to ensure that veterans needing mental health services receive those services in a timely and efficacious manner.

Veterans in my district often wait years for a resolution of their cases with the VA. My office works closely with veterans, assisting

many of them in expediting their requests for the benefits to which they are entitled, including mental health benefits. Unfortunately, many of these veterans still wait years for a resolution of their cases. This is simply unacceptable. These men and women have sacrificed their health, well-being, and, in some cases, their livelihoods, for this country.

The excessively long wait times at the VA are unjust and un-American. The wait times for veterans who are suicidal or suffering from mental health illnesses, including Post Traumatic Stress Disorder (PTSD) and Traumatic Brain Injury (TBI), are especially troubling.

I strongly urge my colleagues to support timely mental health services for our veterans by voting "yes" on this amendment.

---

RECOGNIZING THE ACHIEVEMENTS OF CITY OF LAS VEGAS MAYOR OSCAR GOODMAN

---

**HON. SHELLEY BERKLEY**

OF NEVADA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 14, 2011

Ms. BERKLEY. Mr. Speaker, today I urge my colleagues to join me in recognizing the achievements of the Mayor of the City of Las Vegas, Nevada, Oscar Goodman.

Mayor Goodman has worked tirelessly for the City of Las Vegas. From 1999 to 2011, the Mayor facilitated 19 community and recreational centers, eight transportation projects, eight fire stations, seven expansion and beautification projects, a water reclamation center, and a police area command station.

Mayor Goodman has been responsible for many great accomplishments in the heart of downtown. As Mayor, he was successful in acquiring a large piece of urban real estate in the City without resorting to eminent domain. Symphony Park will include the Lou Ruvo Brain Institute, Performing Arts Center, business, medical, and retail opportunities.

Mayor Goodman also managed to acquire a historic downtown post office from the General Services Administration. The building is being converted to a state-of-the-art museum capturing the excitement and notoriety of the history of Las Vegas. Also in the center of Las Vegas, an intellectual marketplace is being designed and will be home to the University of Nevada Las Vegas' (UNLV) School of Architecture, UNLV Modern Letters Program, and the Nevada School of the Arts.

Mayor Goodman serves as the Chairman of the Las Vegas Convention and Visitors Authority and works non-stop to raise support for cultural programs and charities of Las Vegas.

Oscar Goodman first ran for Mayor of Las Vegas in 1999. By his third reelection bid in April 2007, Mayor Goodman captured 84 percent of the vote.

As the Congresswoman for the people of Las Vegas, it gives me great pleasure to recognize the achievements of the self-proclaimed "Happiest Mayor in the Universe," Mayor Oscar Goodman.

---

COMMENDING THE GRADUATES OF ROBINSON SECONDARY SCHOOL ON THEIR ENLISTMENT IN THE UNITED STATES ARMED FORCES

---

**HON. GERALD E. CONNOLLY**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 14, 2011

Mr. CONNOLLY of Virginia. Mr. Speaker, I rise to recognize nine graduating seniors in my community for their record of academic and athletic accomplishment and their admirable decision to enlist in the United States Armed Forces.

With graduation season upon us, thousands of young people in my community, and millions across the nation, are preparing for the next chapter in their lives. Some will pursue higher education or vocational training, others will seek to enter the workforce immediately, and many will answer the call to serve their community and their country.

I join with their families and friends in congratulating and commending the following Robinson Secondary School graduates on their enlistment:

United States Marines: Philipp Zinser, Daniel Kellam, Sam Lausier, Ji Jong Lee, Won Gyu Lee and Junsuk Choi

United States Navy: David Maeng

United States Air Force: Jade Vitali and Kevin Haas

At a time of great uncertainty both at home and abroad, these young people have stepped forward to follow in a long line of distinguished Virginians who selflessly volunteered to defend our nation and its ideals. In fact, these graduates hail from a school named for Sgt. James W. Robinson Jr., who was the first Virginian to receive the Medal of Honor for conspicuous gallantry and heroism during the Vietnam War. Sgt. Robinson's accomplishments continue to serve as a model for character and leadership not only for the students at the school bearing his name, but also for all those who seek to follow in his footsteps.

The Northern Virginia Chapter of Our Community Salutes will host a ceremony Thursday, June 9, to recognize these young people and their families and to wish them safety and success as they pursue a career in the Armed Forces.

Mr. Speaker, I ask my colleagues to join me in applauding the courage and dedication of these graduates and in assuring them and their families that the full support and resources of the U.S. Congress and the American people will be behind them every step of their journey in defense of our nation's freedom.

INTRODUCTION OF THE REGULATORY BALANCE ACT

---

**HON. STEPHEN LEE FINCHER**

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 14, 2011

Mr. FINCHER. Mr. Speaker, I rise today to discuss an issue of great importance to family farmers and agricultural businesses. The regulatory burdens placed on family farmers and the agriculture business hinder job creation, job retention, and innovative breakthroughs in technology and crop production. Family farm-

ers across the country lead the world in the production of a safe, secure food supply and provide a multi-billion dollar economic impact. In order for family farmers and the agriculture community to continue to prosper, the regulatory process must follow common sense and not be unduly burdensome.

That is why I am pleased to introduce the Regulatory Balance Act, which codifies into federal statute the cost benefit analysis required by Executive Order 12866. Simply put, any regulation with a significant economic impact of \$100 million or more proposed by the United States Department of Agriculture, USDA, the Environmental Protection Agency, EPA, and the Food and Drug Administration, FDA, must perform a cost-benefit analysis and report the same to Congress before the regulation takes effect. A cost-benefit analysis would determine whether a proposed regulation would have a negative economic impact on our Nation's economy.

As a farmer, I understand the costs associated with many of the regulations placed upon the agriculture community. By guaranteeing a more transparent, efficient regulatory process that works for family farmers instead of against them, the rural areas of my district and this country will thrive. Family farmers and the agriculture community will continue to be the best in the world as long as federal agriculture regulations are evenly balanced between cost and benefit.

Creating a stable regulatory environment, where balance between the cost to family farmers and the agriculture community is balanced with the benefit of the regulation, allows family farms and the agriculture community to invest and grow their business without added costs due to regulations that fly in the face of common sense.

Mr. Speaker, I urge my colleagues in the House (and Senate) to support me in passing the Regulatory Balance Act and bring stability and balance to the regulatory process.

THE STATE OF TEXAS HOUSE OF REPRESENTATIVES H.R. NO. 1955

---

**HON. K. MICHAEL CONAWAY**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 14, 2011

Mr. CONAWAY. Mr. Speaker, I submit the following:

H.R. No. 1955

RESOLUTION

Whereas, The United States Fish and Wildlife Service has proposed granting endangered species status to the dunes sagebrush lizard, a measure that would have a significant negative impact on the Lone Star State; and

Whereas, The business climate in Texas has been consistently ranked as the nation's best, and the oil and gas sector is crucial to its continued vitality; Texas is the nation's leading producer of oil and natural gas, and it holds 30 percent of the nation's natural gas reserves and almost a quarter of its oil reserves; the oil and gas industry contributes \$30 billion annually to the Texas economy and employs more than 315,000 Texans at some of the highest salaries in the state; and

Whereas, Despite its resilience, the Texas economy has not been immune to the global economic recession; there have been significant job losses over the past two years, and
