

Today, the USDA is in the process of conducting economic analyses as well as a comprehensive review of the comments submitted on the proposed rule.

H.R. 2112 would stop the USDA in its tracks and prevent it from completing its year of work on GIPSA.

Two of our Nation's largest member organizations who work to support farmers, ranchers and producers are opposed to the provision which would cut off funding for the GIPSA rule—the National Farmers Union and the Farm Bureau.

Like me, these Iowa members and the national organizations believe that this is an issue under the jurisdiction of the authorizing committee, not the appropriating committee, and that regardless of which side of the regulation you may fall, that the comment review and economic analyses deserve completion.

NFU President Roger Johnson said in a recent statement: "I urge that funds for the enforcement of the GIPSA rule be reinstated in future versions of the agriculture appropriations bill."

The American Farm Bureau Federation sent a letter to my colleague, Congresswoman KAPTUR, on May 31, 2011, the day of the full committee markup, that stated: "We oppose language to preclude USDA from reviewing the comments and completing their economic analysis and are strongly opposed to any action that would stop work on that [GIPSA] rule."

However, appropriators ignored this call to action, and instead chose to move forward on behalf of large processors.

The rulemaking process on the GIPSA rule was started with the issuance of the draft rule on June 22, 2010—nearly one year ago and more than 60,000 comments were submitted on the GIPSA rule docket. To end the process now would equate to an unfortunate waste of government resources.

Thirty years ago there were 1.3 million beef cattle operations. Today there are 740,000. In 1980, there were 660,000 hog farms. Today there are 67,000. Last year alone, approximately 2,300 additional hog producers went out of business.

On behalf of producers and competition in our marketplace, I urge my colleagues to oppose defunding the GIPSA rule, and allow the USDA to complete their work and review on this issue.

BERG CONGRATULATES NORTH
DAKOTAN DR. DORI CARLSON
FOR BECOMING FIRST WOMAN
TO SERVE AS PRESIDENT OF
THE AMERICAN OPTOMETRIC AS-
SOCIATION

HON. RICK BERG

OF NORTH DAKOTA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 16, 2011

Mr. BERG. Mr. Speaker, today I rise to congratulate Dr. Dori Carlson, who will soon be sworn in as the 90th President of the American Optometric Association, the first woman to ever serve in this prestigious position, at their 114th annual meeting in Salt Lake City, Utah, on June 18, 2011.

The American Optometric Association represents approximately 36,000 doctors of optometry, optometry students and optometric professionals and is centered on improving the quality and availability of eye and vision care. Doctors of optometry provide two-thirds of all primary eye care in the United States; optometrists serve patients in nearly 6,500 communities across the country and in 3,500 of those communities are the only eye doctors.

Dr. Carlson is a 1989 graduate of the Pacific University College of Optometry. Following graduation from optometry school, she completed a residency in hospital-based rehabilitative optometry at the American Lake and Seattle Veterans Affairs Medical Centers in Tacoma and Seattle, Washington. In 1994, she was honored as the North Dakota Young Optometrist of the Year and as the Optometrist of the Year in 2003.

She is a founding member of InfantSEE, a no-cost public health program developed to provide professional eye care for infants nationwide. Through this program, great strides are being made to ensure that potential eye and vision problems are detected early. Infant eye assessments have been available in North Dakota since the InfantSEE program launched in 2005, and Dr. Carlson has made it her mission to see as many infants as she can.

Dr. Carlson is in private practice in Park River and Grafton, North Dakota, where she provides primary care to rural North Dakotans of all ages. Her advocacy on behalf of optometrists and their patients has earned her the respect of her colleagues, and it is a high honor to be recognized by her peers to lead the profession of optometry in the coming year.

Today I join her family, friends and colleagues in congratulating her on this achieve-

ment and wishing her the best of luck in this endeavor.

IN HONOR OF LANCE CORPORAL
ROBERT "BOBBY" THRAILKILL,
USMC

HON. BILL HUIZENGA

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 16, 2011

Mr. HUIZENGA of Michigan. Mr. Speaker, I rise today to honor a real American hero, Lance Corporal Robert "Bobby" Thrailkill of Pentwater, Michigan.

While out on foot patrol in Sagen, Afghanistan, on October 26, 2010, Bobby found a roadside bomb. After motioning for his fellow Marines to step back, the bomb exploded, causing traumatic injuries to Bobby, including the loss of his legs. Bobby faced months of rehabilitation at Walter Reed with courage and has come far in his recovery.

Today, June 16th, Bobby will marry his fiancé Karra Barr. I want to congratulate Bobby on this day and wish him a life of happiness, as well as thank him for his service to our country. In honor of Bobby, the following poem was written by Albert Caswell.

THE KILL ZONE

On battlefields of honor bright. . . .
There are but all of those who but bring
their light. . . .
All in the darkness of these days. . . . these
nights. . . .
Are but all of those heroes who but carry
that fight, all In The Kill Zone. . . .
Brave Hearts, men of courage
and might. . . .
Whose blind faith but wins that battle, that
fight. . . .
Who into darken buildings will walk. . . .
Knowing full well what death before them so
lies, all in that dark. . . .
All in that Kill Zone. . . .
As they but lead with their fine hearts. . . .
The ones who so kick in all those doors, who
are thou art. . . .
Envoys from God, our Lord's heart!
United States Marines, men like Lcpl
Thrailkill who so do their part. . . .
Who all in his most magnificent shades of
green, is one darn fine United States
Marine. . . .
As ever up ahead, out on point as he was so
courageously seen!
And on that day Robert when you so faced
death; lying there with but not much
left. . . .

As defeat you would not except. . . .
As Robert your fine heart would so
crest. . . .
With two legs gone as on the morning as you
awoke, with not much left to hold on
to. . . .
As deep down inside of you, your fine heart
so spoke. . . .
As you wiped all of those tears from your
eyes, and Marine you so told yourself .
. . . .
that you had new mountains to so climb. . . .
Yea, Michigan Marines are just that
kind. . . .
Who all in shades of green, the word courage
so define. . . .
For you have miles to go before you
sleep. . . .
Hills to climb, all in your heart of courage so
very deep. . . .
As Robert, there is nothing from your new
mission that will you so keep!
All on your road to recovery . . . , as to all
souls you so speak!
For once you walked upon those killing
fields. . . .
All for your God and Country Tis of Thee,
this man of steel. . . .
As now your new war to be won. . . .
As for all of your lost Brothers In Arms
these ones,
you will feel upon you face the new day's
sun!
Because, Strength In Honor . . . , is but from
where you come. . . .
The kind of man that every father, so wished
he had as a son. . . .
As You So Teach Us Robert, As You So Be-
seech Us Robert. . . .
Oh look Marine, from where you've come, so
far, so fast, shining like the morning
sun!
As out on point, up ahead your new life has
just begun. . . .
As with your strong heart we now so see you
run. . . .
One of Michigan's greatest of all son's. . . .
And on this day, get down on your
knees. . . .
And but thank all of these!
All of these fine sons, sons like Robert who
into the Kill Zone must venture to do
what must be done!
Could you in your life, so find the strength
. . . to walk into such that valley of
death?
Could you but find the courage and faith,
to rebuild your life when you've so lost your
strong legs as left?
Oh yes Robert how you have so shown us all
the way!
As one of the finest Americans, who never
took . . . but gave!

AGRICULTURE, RURAL DEVELOP- MENT, FOOD AND DRUG ADMIN- ISTRATION, AND RELATED AGENCIES APPROPRIATIONS ACT, 2012

SPEECH OF

HON. RUSH D. HOLT

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 14, 2011

The House in Committee of the Whole House on the State of the Union had under consideration the bill (H.R. 2112) making appropriations for Agriculture, Rural Development, Food and Drug Administration, and Related Agencies programs for the fiscal year ending September 30, 2012, and for other purposes:

Mr. HOLT. Madam Chair, I rise in strong opposition to H.R. 2112, the Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act for Fiscal Year 2012. This bill ignores the plight of hundreds of thousands of women and children who struggle to obtain nutritious food in neighborhoods across America. The measure originally put forward by the Republican majority proposed \$833 million in cuts to the Special Supplemental Nutrition Program for Women, Infants, and Children, commonly known as WIC. This program provides assistance to new mothers, babies, and children under five who have been identified as nutritionally at risk. In any decent society, this is the most basic obligation we have to our fellow citizens. Yet the funding level proposed by the majority would have left 400,000 to 550,000 women and children without this aid.

I am pleased that the Appropriations Committee adopted an amendment by my colleague, Representative DELAURO, to reinstate \$147 million in WIC funding. Even with this restoration, however, between 200,000 and 350,000 low-income women and children around the country would be dropped from the program next year. In New Jersey, as many as 6,500 citizens could lose this assistance.

I would remind those who claim that we cannot afford the cost of this program that just one week of lost revenue from the Bush tax breaks for millionaires, which were extended over my objection, would more than fill the gap in funding for this program to ensure that every mother and child has access to healthy
