

During the cleanup of the World Trade Center disaster, a large tattered flag was pulled from the rubble. It was brought by the New York Says Thank You organization to Greensburg, Kansas, a city recovering from a devastating tornado. Volunteers from New York, along with Greensburg residents, began stitching the flag back together with flags recovered from the Greensburg tornado.

The flag now serves as a symbol of American resilience and compassion. It is carried around our country by a core group of volunteers. These patriotic men and women sacrifice their time and travel at their own expense to bring this great flag to millions throughout our Nation. Over 160 million Americans have seen the flag in person or on television. The flag is brought to public events, town gatherings and cultural and sporting events. At these venues, American citizens can share their national pride, even adding stitches to the flag itself. Once completed, the flag will become part of the National September 11th Memorial Museum being built at the World Trade Center.

On March 29, 2011, the National 9/11 Flag was brought to the York Beach, Maine Fire Department. Alongside FDNY firefighters, local service heroes stitched a patch onto the flag. Through their participation, these remarkable men and women add to the American story, honoring their colleagues and country in an historic stitching ceremony. The volunteers who travel with the flag and the local community partners make these events of honor possible.

Mr. Speaker, please join me again in recognizing the men and women who participate in the restoration of the National 9/11 Flag.

IN RECOGNITION OF DR. MELVIN
SABSHIN

HON. FRANK PALLONE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 12, 2011

Mr. PALLONE. Mr. Speaker, I rise today to remember former medical director for the American Psychiatric Association, Melvin Sabshin. He led the APA for nearly a quarter century from 1974 to 1997. Dr. Sabshin passed away on Saturday, June 4, 2011 at the age of 85.

Dr. Sabshin's accomplishments during his tenure at APA were numerous and far-reaching. His years at APA included publication of new editions of the "Diagnostic and Statistical Manual of Mental Disorders"; creation of the American Psychiatric Press, Inc.; development of practice guidelines; and strengthening research, advocacy, education, and public affairs. Sabshin also increased the organization's international involvement, including working with the World Psychiatric Association and others to help end the use of psychiatry to suppress political dissent in the Soviet Union and other parts of the world.

Dr. Sabshin completed high school at age 14 and undergraduate study at the age of 17. After brief service in the U.S. Army, he completed medical school and residency at Tulane University. He then took a position at the Michael Reese Hospital in Chicago and in 1961 became the head of the Department of Psychiatry at the University of Illinois College of

Medicine. During this time he became active in the APA and was elected to the Board of Trustees; and in 1974 he became the medical director of the APA.

Upon his retirement from APA, he took a position as clinical professor of psychiatry with the University of Maryland and lived much of the year in London with his British wife, where he was an Honorary Fellow of the Royal College of Psychiatrists. He remained active in the APA, attending Annual Meetings throughout his retirement.

Dr. Sabshin was an author of dozens of scientific articles and author or co-author of 7 books, including his latest in 2008, "Changing American Psychiatry: a Personal Perspective," in which he describes changes in psychiatry in the post WWII era and later and offers his insights into the process. Dr. Sabshin is survived by his wife, Marion Bennathan, his son, James Sabshin, MD, and 4 granddaughters.

Mr. Speaker, please join me in remembering the life of Dr. Melvin Sabshin.

TRIBUTE TO MR. JOSEPH
LITTLEFIELD

HON. CHELLIE PINGREE

OF MAINE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 12, 2011

Ms. PINGREE of Maine. Mr. Speaker, I rise today to recognize and honor Mr. Joseph Littlefield of Ogunquit, Maine. Mr. Littlefield, through lifelong service to his community and state, exemplifies Maine's great tradition of philanthropy. Last year, Mr. Littlefield was named the 'Ogunquit Outstanding Citizen.' In addition to his many other generous contributions to the community, Mr. Littlefield recently donated Beach Plum Farm to the Great Works Regional Land Trust. Beach Plum Farm is a 23-acre parcel of land that includes paths, gardens, and beach plums. Residents of Ogunquit will have this wonderful gift forever. Mr. Littlefield's continued passion for life and his generosity to his fellow Mainers is extraordinary. Maine is fortunate to have Mr. Littlefield in our community.

PERSONAL EXPLANATION

HON. BRUCE L. BRALEY

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 12, 2011

Mr. BRALEY of Iowa. Mr. Speaker, I regret missing floor votes on Monday, July 11, 2011. Had I registered my vote, I would have voted: "yea" on rollcall 534, On Agreeing to the Amendment for H.R. 2354—Tierney of Massachusetts amendment; "nay" on rollcall 535, On Agreeing to the Amendment for H.R. 2354—Graves of Missouri amendment; "yea" on rollcall 536, On Agreeing to the Amendment for H.R. 2354—Scalise of Louisiana amendment; "nay" on rollcall 537, On Agreeing to the Amendment for H.R. 2354—Woodall of Georgia amendment; "nay" on rollcall 538, On Agreeing to the Amendment for H.R. 2354—McClintock of California amendment.

ENERGY AND WATER DEVELOPMENT AND RELATED AGENCIES
APPROPRIATIONS ACT, 2012

SPEECH OF

HON. GENE GREEN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, July 8, 2011

The House in Committee of the Whole House on the State of the Union had under consideration the bill (H.R. 2354) making appropriations for energy and water development and related agencies for the fiscal year ending September 30, 2012, and for other purposes:

Mr. GENE GREEN of Texas. Mr. Chair, I am opposed to the Energy and Water Appropriations bill for several reasons. One of these reasons is that while this bill increases funding for the Army Corps of Engineers over the President's request, it is not enough. The Army Corps completes critical flood control projects and also, through dredging at our port, fuels a major economic engine in Harris County, Texas and has been underfunded for years.

The Port of Houston is the largest foreign tonnage port and the largest petrochemical port in the country. In fact, it moves the second largest amount of cargo in the country, as 8.5 percent of our nation's cargo moves through the Port of Houston. The commerce that occurs at our port is critical to our nation's energy and chemical sectors and to our country's ability to trade and move goods throughout our country. It is a port of national significance, but has not received the attention that is necessary to answer the challenges we face in the near future. Despite the national importance of our port, it is facing a dredging crisis.

Currently, the Houston Ship Channel is dredged to a depth of 43 feet, but it should be as deep as 45 feet. The Panama Canal is expanding and when it is completed, the Port of Houston should be able to accept ships that take full advantage of the larger Panama Canal, and for this, they would need a depth of 50 feet.

However, under both the President's plan and the Republicans' plan, dredging at the Port of Houston will be left behind. For instance, under the President's budget, dredging at the Port is funded at about \$23 million, that is \$60 million lower than the amount necessary to just get the port to a depth of 45 feet, let alone 50 feet, which would be millions more.

As we confront the dual challenges of adopting policies that create jobs and reduce the debt, funding for dredging projects is an item that, while costly, will have more of a positive impact on our economy than a negative impact on our deficit. The Texas Transportation Institute performed a study and determined that a direct economic impact of the loss of 1 foot of draft is \$373 million. The majority of this impact is lost business opportunities due to light loading of non-containerized vessels. As the dredging crisis at the port continues to worsen, this opportunity cost will quickly accelerate.

HONORING SHANNA ROGERS

HON. MICHAEL H. MICHAUD

OF MAINE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 12, 2011

Mr. MICHAUD. Mr. Speaker, I rise today to recognize Shanna Rogers for being awarded the Geneva Kirk Award by the United Way Foundation of Androscoggin.

The Geneva Kirk Award is given annually by United Way of Androscoggin to individuals who have exemplified exceptional volunteerism and service to their community. This award honors the memory of Miss Geneva Kirk who dedicated her life to serving and teaching others, volunteering in a multitude of ways throughout her community.

Shanna was nominated by Androscoggin Head Start not only for her innumerable hours of community service to Head Start, but also for her involvement in many other organizations. Shanna works part time for the Neighborhood Housing League and part time at Marché's Restaurant. In her work with the Neighborhood Housing League, Shanna acts as an advocate for safe and affordable housing and as a mentor for tenants in the downtown area.

Her tireless work with Androscoggin Head Start and Child Care, the Neighborhood Housing League, the Women's Wisdom Center and the Visible Community demonstrates a commitment to her neighbors that would have made Geneva proud.

I am extremely honored to congratulate Shanna Rogers for receiving the Geneva Kirk Award.

Mr. Speaker, please join me again in recognizing Shanna Rogers for her hard work within her community.

PERSONAL EXPLANATION

HON. TIMOTHY V. JOHNSON

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 12, 2011

Mr. JOHNSON of Illinois. Mr. Speaker, on Monday July 11, 2011, due to inclement weather in Chicago, Illinois, I was unable to cast my votes for Roll Nos. 534, 535, 536, 537, and 538. I was originally booked on United flight 5347 from Springfield at 1:15 (CST), connecting to United flight 704 leaving O'Hare at 3:00 p.m. and arriving in DCA at 5:49 (EST). I was also backed up on American Airlines flight 3879 departing Chicago O'Hare at 3:00 p.m. However, I could not make either of these flights due to my original flight from Springfield being delayed until 7:00 p.m.

Had I been present, my votes would have been as follows:

For Roll No. 534, to increase funding for the Corps of Engineers construction by \$133.8 million and Operations and Maintenance by \$51 million and reduce funding for Nuclear Energy by \$133.8 million and Fossil Energy Research and Development by \$92.8 million, I would have voted "nay."

For Roll No. 535, which reduces the Missouri River Fish and Wildlife project by \$1.75 million and increases Operations and Maintenance by \$1 million for levee repair, I would

have voted "yea." In light of the recent problems with flooding along the Mississippi, this transfer appears to be prudent.

For Roll No. 536, which transfer \$6.3 million from supervision and general administrative expenses in the headquarters of the Corps of Engineers to Corps of Engineers, Operation and Maintenance for dredging of waterways, I would have voted "yea." As with Roll No. 535, recent flooding problems make this transfer prudent.

For Roll No. 537, which transfers \$4.9 million from Operation and Maintenance for global warming to the Spending Reduction Account, I would have voted "yea." I have voted to cut spending in a host of programs including those with which I am sympathetic.

For Roll No. 538, which transfers \$3.25 billion from various research and development accounts and regional economic development commissions to the Spending Reduction Account, I would have voted "yea." I have voted to cut spending in a host of programs including those with which I am sympathetic.

TRIBUTE TO GEORGE E.
SHINHOSER ON HIS RETIREMENT

HON. DONALD M. PAYNE

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 12, 2011

Mr. PAYNE. Mr. Speaker, I ask my colleagues here in the House of Representatives to join me as I rise to pay tribute to the wonderful accomplishments of George E. Shinhosier as he retires from the YMCA of Newark and Vicinity. It is indeed a pleasure for me to add my congratulations to that of his family, friends and colleagues of the YMCA of Newark and Vicinity as they celebrate in honor of a man who has been a Y professional for 42 years. George Shinhosier's retirement caps a career that saw him lead YMCA's in multiple states, with his last five years in the great State of New Jersey. For all the contributions he has made over the years, Mr. Shinhosier deserves to be feted on this marvelous albeit melancholy occasion.

The YMCA of Newark and Vicinity was fortunate to have the wise counsel of Mr. Shinhosier who came to serve on an interim basis but chose to stay for an extended period. During his tenure, he was able to accomplish multiple goals including a positive financial bottom line. Rarely has an individual been such an integral part of an organization where strength, integrity and determination have been the driving forces of the outcomes. Clearly, George Shinhosier could have taken his talents elsewhere but the Y is extremely grateful that he chose to follow in the footsteps of the Rev. Dr. Martin Luther King whom he credits with much of his accomplishments. In fact, George Shinhosier worked with Dr. King during the 1960's and participated in many of the civil rights initiatives occurring during that time period.

Based on George's background, it is no wonder that he chose to serve and he has served well. As a strong supporter of the YMCA and its programs for youth, it has been my personal honor to work with George Shinhosier and to encourage his efforts. These efforts have led to some dynamic improvements and image boosting for the YMCA

of Newark and Vicinity. His sphere of influence in the community and the synergy he helped to create through the Y will always be remembered by the many employees, program participants and residents of the Greater Newark area.

Mr. Speaker, I know my fellow members of the House of Representatives agree that George Shinhosier has been a part of the fabric of the Y and that his departure will leave a void that will not easily be filled. We wish him well in this new phase of his life.

TRIBUTE TO ORANGE BEACH FIRE
CHIEF FORNEY HOWARD

HON. JO BONNER

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 12, 2011

Mr. BONNER. Mr. Speaker, I rise to honor an Alabamian who for more than four decades has stood watch over our communities and our homes, keeping us safe and risking his own life to protect many who were at the mercy of a fire, an accident or an unforeseen force of nature. On August 1, 2011, after forty-plus years on the job, Orange Beach Fire Chief Forney Howard will officially retire from public service.

Chief Howard began his career in 1970 when he joined the City of Birmingham Fire Department. During his tenure in Alabama's largest city, Forney served in the Birmingham Fire Training Division for five years as Captain and as Chief of Training.

During this period, over 500 firefighter recruits were trained and graduated from the Training Bureau. He had the privilege of being part of the first Paramedic Class in the State of Alabama during the summer of 1973. Chief Howard also served on the Birmingham's first Hazmat Unit. At his retirement from the Birmingham Fire Department, Chief Howard was Battalion Chief for the eastern district of that city.

In April 2004, Forney Howard was appointed interim Fire Chief for the City of Orange Beach, and the following month the Mayor and City Council made the appointment permanent. His experience and abilities were put to the test early in his tenure when Hurricane Ivan made a direct hit on the Gulf Coast in September of that same year.

Under his tenure with the City of Orange Beach, Chief Howard has lead the Fire Department and their Emergency Management services through several tropical occurrences, fires and the 2010 BP oil spill. Less than two months prior to his retirement, Chief Howard directed the Orange Beach Fire and Rescue response effort that successfully battled a significant wildfire at Gulf State Park.

In 2003, Chief Howard was recognized as Firefighter of the Year in Orange Beach, Emergency Technician of the Year for Birmingham in 1975, and has been a past member and past President of the Alabama Association of Fire Chiefs. Chief Howard served on the Board of Trustees for South Baldwin Medical Center and is currently on the Board of Trustees for Columbia Southern University, where he also obtained a Bachelor's Degree in Fire Science.

A fighter who not only saved lives but is also a cancer survivor himself, Chief Howard
