IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 8, 2011*

Mr. KUCINICH. Mr. Speaker, I rise today in remembrance of Mr. Jerome P. Stano, a former Parma Councilman, Ohio State Representative and Ohio State Senator.

Mr. Stano was born in Cleveland on September 30, 1932. He graduated from Cleveland's Benedictine High School and later attended Benedictine Illinois College. During the Korean War, Mr. Stano bravely served our country as a member of the U.S. Air Force.

Mr. Stano began his career in politics as a councilman for Parma's Ward 2. He was elected to the Ohio General Assembly as a State Representative and on January 3, 1974, Mr. Stano began his tenure as an Ohio State Senator. He served the citizens of the 24th District faithfully, working on issues such as medical care for the elderly, until December 31, 1980.

Mr. Stano worked tirelessly on behalf of the residents of Parma, Ohio and was an active member of the community following his career in politics. He is credited with founding Parma's Pee Wee Football program. Mr. Stano was also an active member of the Parma Elks Lodge, the American Legion and the Knights of Columbus. Due to his commitment to the citizens of Parma, one of the city's parks on Gerald Avenue, has been named in his honor.

Mr. Speaker and colleagues, please join me in remembrance of Mr. Jerome P. Stano. I offer my condolences to his wife of 57 years, Klara; his children, Paul, Elaine, Diane and Kathy; and his grandchildren Christian, Bretton, Douglas, David and Grant.

“TEN YEARS AGO THIS DAY” IN  
HONOR OF THE RISING AND THE  
OPENING OF THE 9/11 MEMORIAL  
ON THE 10TH ANNIVERSARY OF  
9/11

**HON. PETER T. KING**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 8, 2011*

Mr. KING of New York. Mr. Speaker, I rise today in honor and in remembrance of all of the Heroes and lost loved ones of all of the families of 9/11. On this the 10th anniversary, I ask that this tribute in honor of them, and the new visitor center and the rising of The Two New Towers and their strength penned by Albert Caswell, be placed in the RECORD.

TEN YEARS AGO THIS DAY

Ten . . .  
Ten years ago this very day . . .  
Upon, this most hallowed ground . . . these  
most scared graves . . .  
As here and now we all so kneel and pray  
. . .  
As they tried to so take America's very  
heart away!  
As so many magnificent men and women  
died on that day!  
As so many fine lives were so lost, and so left  
all in such pain and dismay!  
As all of their loved ones were so left with  
that kind of pain, that only Heaven can  
so take away . . .

And all of those innocent children aboard all  
of those planes who now so they . . .  
Will never grow up to be happy, old, and so  
gray . . .  
Who were once but all the apples of their  
parents eyes, night and day!  
As all hearts are so warmed, whenever we so  
think of how in the face of evil they so  
stayed!  
As all across our Nation, America so wept on  
that day!  
From The Towers, to The Pentagon . . . and  
Flight 93, as upon us all such evil so  
weighted!  
As America so saw, “Let's Roll” and what of  
most heroic hearts are so made!  
And to what new heights, they could so  
reach . . . so soar, as did they!  
As all of our tears flowed and poured, as out  
across our Nation we so mourned and  
prayed!  
As all of The Towers fell down on that day  
. . .  
Leaving us all with that kind of pain, that  
even time can not so take away . . .  
As ten years later to this very day, still all  
of our hearts feel like it was only yes-  
terday!  
And yet, America's heart has grown even  
greater they say!  
All because of what they so taught us, and to  
what our Nation they so gave!  
For from this most hallowed ground, and  
from their strength and courage we  
have so found!  
The strength to stand and to rebuild, as over  
these sacred footprints the water wash-  
es down!  
Upon, this spot where all of their most sac-  
red ashes were once so found . . .  
All so scattered all across this ground!  
All in this high place of reverence and of  
such faith so now, where all of their  
most magnificent souls can so be felt  
all around!  
Has Come A Rising, of remembrance to all of  
them so now!  
To last forever and a day, this most sacred  
ground!  
A Rising . . . to so honor each and every  
man, woman and child so how!  
All in our Lord's plan, so that in 100 years  
from now we will all stand here so very  
proud!  
And then 100 more, we will stand here all in  
such honor at this shrine so now!  
As we will feel all of their courage and  
strength, and what their fine faith has  
so meant!  
To us all so now!  
So that whenever someone looks upon this  
hallowed place, that they will leave  
with but tears on their face!  
As a Tribute to Them and The American  
Way, and to this The Human Race!  
As A Triumph of Good Over Evil, that the  
entire world will say!  
That we have all so walked with our Lord  
and his Angels this day!  
With all of their blessings of Hope, Courage  
and Faith . . . which within our hearts  
will stay!  
You, may bring down our buildings!  
You may murder our women, men, and our  
most precious children!  
Crash planes into fields, or at The Pentagon,  
and yet still you will not victory so  
wield!  
For, as long as we have such strong fine  
women and men, who into such graves  
do so tragically descend!  
Who so believe in America and what our  
Freedom so brings, upon which our Na-  
tion depends!  
Then, Will Come A Rising . . . over such evil  
that which all of us despise then . . .

Standing here on this sacred ground, one  
feel's all of their souls so beseeching us  
so now!

To teach our children well, all about what  
their fine lives have so meant . . .  
So that they too may teach their children's  
children time and again!

To remember what it so means to be an  
American, as up from the ashes anew  
so came!

A Rising, With Faith In Hearts We Will For-  
ever So Honor Their Names!

Goodness . . . Evil . . . Darkness . . . Light  
. . . Those Brave Hearts Who Bring The  
Light!

As Against The Darkest of All Evil's, As On-  
ward We Fight!

Together enjoined, as we battle on into the  
darkest of all nights!

As why With This Rising, we so honor these  
Heroes and their Families, with such  
homage we pay!

All because they made America's heart  
stronger that day!

Ten Years Ago This Day! Never Forget!

HONORING THE LIFE OF JOHN  
HOWARD WELLS, JR.

**HON. MICHAEL C. BURGESS**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 8, 2011*

Mr. BURGESS. Mr. Speaker, I rise today to remember the life of John Howard Wells, Jr. Mr. Wells was a patriot, veteran, and had a love of country. Mr. Wells fought in the Korean War aboard the *USS Hollister*, DD-788. He was a Cold Warrior in the 60's and 70's and at one point in his career his security clearance was so high that the level of clearance was classified.

Mr. Wells also spent part of his career working for NASA. During the 80's and 90's he was a Ground Controller for the Space Shuttle Project and worked in the original Mission Control at the Johnson Space Center. He also took a major role in the design, engineering, construction, and start-up of the New Mission Control Room which recently closed in July following the last flight mission of *Atlantis*.

His family will tell you that even these accomplishments are not what made him great. The titles of husband, father, and grandfather are what defined him in life. He taught his children how to have confidence in their talents. He wrote love letters to his wife. He loved and doted on his daughters and was joyous in the grandchildren they brought to him. He helped his son through the toughest years of his life

with loving honesty and helped him never lose sight of the realities and obligations of being a man and father. He also taught his children about politics, but would never let the discussions get hotter than what was necessary to properly forge and hone their positions.

Mr. Speaker, it is with great honor that I rise and remember the veteran, and above all a husband, father and grandfather.

John was educated in the Los Angeles Unified School District and attended 20th Street Elementary School, Lafayette Junior High School, and graduated from Thomas Jefferson High School in 1943. That same year, John was drafted into the United States Army and served our country proudly from 1943–1946 during World War II. After his tour of duty, John enrolled in California State College and earned his Bachelor and Master of Arts degrees. Throughout his career, John worked as an elementary school teacher, pupil service and attendance counselor, and administrator. He was also a member of the Associated Administrators of Los Angeles. After retiring in 1987, John continued to work part-time for the District.

John was baptized and engaged in fellowship at Ward A.M.E. church in Los Angeles, California. On July 8, 1951, John was united in holy matrimony with Lenicia Boggs, who preceded him in death. To this union, Stephen John Weemes was born. On July 31, 1981, John united in holy matrimony to Toni Anthony Brown, thanks to the late Clayton Moore for playing Cupid.

John was a kind, generous, loving, warm-hearted, and cordial gentleman. With his outgoing and infectious personality, John knew no strangers. He enjoyed spending time with family, friends, and colleagues. Some of his favorite leisure activities were golfing, reading, and watching all sports on television. John also loved to travel, and cruising was his and Toni's favorite mode of transportation. John took pleasure in walking and playing with his beloved dogs; first "Princess Lui," and currently "Lexie," a.k.a. "Pooh."

HONORING THE 100TH ANNIVERSARY OF ST. JOHN'S HOSPITAL

**HON. BETTY MCCOLLUM**

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 8, 2011*

Ms. MCCOLLUM. Mr. Speaker, I rise today to mark the special occasion of the centennial celebration of St. John's Hospital. For 100 years, this community hospital has provided quality health care to residents in the Saint Paul—Minneapolis Metropolitan Area.

In 1911, when it first opened its doors in Saint Paul's Dayton's Bluff neighborhood, St. John's German Lutheran Hospital was a 25-bed facility. A new 65-bed fireproof hospital was built in 1914 on the site of the current Metropolitan State University in Saint Paul. During the influenza epidemic of 1918, St. John's Hospital was turned over to the City of Saint Paul to care for charity patients. In just one month, St. John's Hospital treated nearly 400 flu patients. In a turn of events, in 1933, due to a low patient load, the hospital was forced to close some floors and hospital staff took vacations without pay and a 10 percent salary reduction.

After weathering difficult times, in the 1950s St. John's Hospital underwent an expansion to 165 beds, becoming one of the first hospitals in the nation to create an Intensive Care Unit (ICU), and was recognized for its "Progressive Patient Care." St. John's Hospital constructed a second facility in 1985 in Maplewood at its current location. St. John's Hospital joined the newly-created HealthEast Care System in 1986, along with Bethesda and St. Joseph's Hospitals. After 75 years, in 1987, St. John's Hospital closed its hospital on Saint Paul's East Side.

St. John's Hospital has implemented many innovations during the past decade. In 2005, St. John's Hospital was the first community hospital in the Twin Cities to offer the daVinci Surgical System—a robotic surgical system used to treat prostate cancer. In addition, St. John's Hospital was the first hospital in Minnesota to utilize digital mammography and one of the first hospitals in the state to provide cutting-edge artificial disc surgery for patients experiencing lower back pain.

Today St. John's is an award-winning hospital and with more than 1500 employees, one of the largest job providers in the East Metro Area. On an annual basis, it treats more than 41,000 patients in the emergency department, delivers more than 3,000 babies and performs
