

with loving honesty and helped him never lose sight of the realities and obligations of being a man and father. He also taught his children about politics, but would never let the discussions get hotter than what was necessary to properly forge and hone their positions.

Mr. Speaker, it is with great honor that I rise and remember the veteran, and above all a husband, father and grandfather.

IN REMEMBRANCE OF JOHN
THOMAS WEEMES

HON. LAURA RICHARDSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 8, 2011

Ms. RICHARDSON. Mr. Speaker, I rise today in remembrance of John Thomas Weemes, a man who was an active member of the Los Angeles community. Mr. Weemes was born April 2, 1925 in Los Angeles, California to Annie Wardell Brown and Albert Thomas Weemes. Affectionately known as "Johnny," he was the fifth of six children. John was educated in the Los Angeles Unified School District and attended 20th Street Elementary School, Lafayette Junior High School, and graduated from Thomas Jefferson High School in 1943. That same year, John was drafted into the United States Army and served our country proudly from 1943–1946 during World War II. After his tour of duty, John enrolled in California State College and earned his Bachelor and Master of Arts degrees. Throughout his career, John worked as an elementary school teacher, pupil service and attendance counselor, and administrator. He was also a member of the Associated Administrators of Los Angeles. After retiring in 1987, John continued to work part-time for the District.

John was baptized and engaged in fellowship at Ward A.M.E. church in Los Angeles, California. On July 8, 1951, John was united in holy matrimony with Lenicia Boggs, who preceded him in death. To this union, Stephen John Weemes was born. On July 31, 1981, John united in holy matrimony to Toni Anthony Brown, thanks to the late Clayton Moore for playing Cupid.

John was a kind, generous, loving, warm-hearted, and cordial gentleman. With his outgoing and infectious personality, John knew no strangers. He enjoyed spending time with family, friends, and colleagues. Some of his favorite leisure activities were golfing, reading, and watching all sports on television. John also loved to travel, and cruising was his and Toni's favorite mode of transportation. John took pleasure in walking and playing with his beloved dogs; first "Princess Lui," and currently "Lexie," a.k.a. "Pooh."

John Thomas Weemes passed away on August 31, 2011. He was preceded in death by his parents, siblings Emma Bess, Annie, Albert, and Carrie. He leaves to cherish his memory his loving wife, Toni A. Weemes (Ruby), son Stephen John Weemes, daughter-in-law Sheyrl Nickles-Weemes, sister Evelyne Brown, Lexie, and a host of relatives and friends.

HONORING THE 100TH ANNIVERSARY OF ST. JOHN'S HOSPITAL

HON. BETTY MCCOLLUM

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 8, 2011

Ms. MCCOLLUM. Mr. Speaker, I rise today to mark the special occasion of the centennial celebration of St. John's Hospital. For 100 years, this community hospital has provided quality health care to residents in the Saint Paul—Minneapolis Metropolitan Area.

In 1911, when it first opened its doors in Saint Paul's Dayton's Bluff neighborhood, St. John's German Lutheran Hospital was a 25-bed facility. A new 65-bed fireproof hospital was built in 1914 on the site of the current Metropolitan State University in Saint Paul. During the influenza epidemic of 1918, St. John's Hospital was turned over to the City of Saint Paul to care for charity patients. In just one month, St. John's Hospital treated nearly 400 flu patients. In a turn of events, in 1933, due to a low patient load, the hospital was forced to close some floors and hospital staff took vacations without pay and a 10 percent salary reduction.

After weathering difficult times, in the 1950s St. John's Hospital underwent an expansion to 165 beds, becoming one of the first hospitals in the nation to create an Intensive Care Unit (ICU), and was recognized for its "Progressive Patient Care." St. John's Hospital constructed a second facility in 1985 in Maplewood at its current location. St. John's Hospital joined the newly-created HealthEast Care System in 1986, along with Bethesda and St. Joseph's Hospitals. After 75 years, in 1987, St. John's Hospital closed its hospital on Saint Paul's East Side.

St. John's Hospital has implemented many innovations during the past decade. In 2005, St. John's Hospital was the first community hospital in the Twin Cities to offer the daVinci Surgical System—a robotic surgical system used to treat prostate cancer. In addition, St. John's Hospital was the first hospital in Minnesota to utilize digital mammography and one of the first hospitals in the state to provide cutting-edge artificial disc surgery for patients experiencing lower back pain.

Today St. John's is an award-winning hospital and with more than 1500 employees, one of the largest job providers in the East Metro Area. On an annual basis, it treats more than 41,000 patients in the emergency department, delivers more than 3,000 babies and performs

more than 6,000 surgeries. U.S. News & World Report named St. John's Hospital one of 2011–2012 "Top Metro Best Hospitals in the Twin Cities" and identified St. John's as one of the top hospitals in the country for Urology. This year, the Minneapolis/St. Paul Business Journal named HealthEast Hospitals, including St. John's, one of the "Best Places to Work" in Minnesota for the sixth time.

Mr. Speaker, the comprehensive and state-of-the-art health care services provided by St. John's Hospital are commendable and deserve to be celebrated.

CELEBRATING 40 YEARS WITH
COMMUNICATING FOR AGRICULTURE

HON. COLLIN C. PETERSON

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 8, 2011

Mr. PETERSON. Mr. Speaker, in 1972, Communicating for Agriculture (CA) started as a small group of dairy farmers in Minnesota's 7th Congressional District. Today CA has tens of thousands of agriculture and small business members across the United States, and 4 decades of legislative accomplishments on behalf of their members. From helping to form the first state high-risk pool for the medically uninsurable in Minnesota in 1976, to the first beginning farmer loan program in Iowa in 1980, to forming its own international agriculture exchange program in 1985, to receiving the first Agriculture Apprenticeship designation granted by the U.S. Department of Labor in 2007. CA was founded to promote the general health, welfare and advancement of people in agriculture or small business, and after 40 years of service to rural America, that mission continues to drive CA today.

In 1986, the CA Foundation applied for and received authority from the United States Department of State to sponsor a J-1 training and intern program, allowing the exchange of young people to have a learning experience in agriculture. That year 6 trainees arrived as part of CA Education and Exchange Program (CAEP). Within 10 years, the program grew to become the largest of its kind in the United States. Today, CAEP works with more than 1,000 young people from more than 50 countries in the areas of agriculture, horticulture, enology, equine and turf management, with CAEP international offices in Denmark, Mexico, Columbia, Chile, Uruguay, Brazil, Argentina, South Africa, Hungary, Moldova, Ukraine, United Kingdom, Canada, Australia, New Zealand, the Philippines and China.

Today, the U.S. State Department requires the J-1 Visa program to include a training plan that is agreed to by the CA Member Host, as well as the trainee or intern. Upon satisfactory completion of the program, CAEP awards a certificate of completion, which is taken by the trainee back to their home country where they will begin their career in their chosen field. The CA Foundation also provides opportunities and grants to Americans between the ages of 18 and 28 to have a similar 3 to 12 month placement in agriculture with one of our country partners around the world.

Congratulations to CAEP on 25 years of international agriculture education and ex-

change leadership and to CA on 40 years of serving rural America.

HONORING HAL STRICKLAND FOR
HIS DEDICATED SERVICE TO
COMMUNITY RECREATION

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 8, 2011

Mr. CONNOLLY of Virginia. Mr. Speaker, I rise to recognize Hal Strickland for receiving the National Voluntary Service Award from the National Recreation and Park Association.

This prestigious award is given to volunteers who work to improve recreation, parks and conservation programs in our communities. With more than three decades of volunteer service with local youth and parks organizations, Mr. Strickland has left a profound and lasting imprint on my community of Fairfax County, Va.

In addition to his career as a civil engineer for the U.S. Forest Service, Mr. Strickland served 14 years on the Fairfax County Athletic Council, including two as chairman. He founded the Chantilly Youth Association, and spent 25 years as president of the community sports league. He served as president of the Greenbriar Civic Association, and for the past 20 years, he has served on the Fairfax County Park Authority Board, where he has served as chairman six times.

He has said that he is most proud of his work on Fairfax County's successful synthetic turf field program. I was proud to partner with Mr. Strickland to launch that effort during my tenure as Chairman of the Fairfax Board of Supervisors. It played a vital component of our anti-gang initiative by providing young people with more year-round outdoor activities. This community collaboration also has expanded field opportunities for Fairfax's many sports leagues. The program now has more than two dozen synthetic fields across the county.

He is also known for his work of preserving green spaces in Centreville and Chantilly, despite the areas' rapid growth. This green space resembles the historic beginnings of the area, when it was a collection of gentlemen horse farms. He has truly influenced the quality of life in Fairfax through his accomplishments.

Mr. Speaker, I ask that my colleagues join me in commending Hal Strickland for receiving the National Voluntary Service Award and thanking him for his years of service in our community. Through his dedicated service, we are preserving our history through green spaces and making recreational activities more accessible to all for generations to come.
