

has suffered this abuse. Instead of defending the one child policy, Vice President BIDEN should have asked for the release of Chen and Yuan, or at least made a formal request to see them.

Although Vice President BIDEN attempted to backtrack on his extraordinarily callous comment about the policy, his voting record as a Senator shines a spotlight on his long-held disregard for the severity of this human rights violation. On September 13, 2000, he joined 52 other senators in defeating an amendment by then-Senator Jesse Helms condemning the one child policy. Then-Senator BIDEN reportedly did so because he was concerned that condemning China on fundamental human rights would interfere with the normalization of trade relations.

I invited the Vice President to a hearing I held last week to explain his “full understanding” of the one child policy. I was informed that he was not in D.C. and could not attend. Given the grave importance of this issue, and the literally millions of lives at stake, I extend to the Vice President an open invitation to testify at a hearing at his convenience to share his “understanding” with the Subcommittee on Africa, Global Health, and Human Rights, and what actions, if any, the Obama Administration is taking to end this barbaric policy.

I also asked Secretary of State Hillary Clinton at a hearing on March 1st of this year whether she or President Obama raised the issue of forced abortion in China directly in a face-to-face manner with President Hu when he was in Washington. She refused to answer it then, and I have yet to receive a response.

Not only is the current Administration turning a blind eye to the atrocities being committed under the one child policy, but it is even contributing financial support—contrary to U.S. law—through the UNFPA. Twenty seven years ago—on May 9, 1984—I authored the first amendment ever to a foreign aid bill to deny funding to organizations such as the United Nations Population Fund (UNFPA) that are complicit with China’s forced abortion and involuntary sterilization policy. After all these years, it is amazing and disheartening to me that most policy makers—including and especially the Obama Administration—remain indifferent or worse, supportive, of these massive crimes against women and children. The Obama Administration has long enabled this cruel policy by its silence and financial support to the tune of \$50 million a year to the UNFPA, an organization that supports, plans, implements, defends and whitewashes the Chinese government’s brutal program.

U.S. funding for the UNFPA was withheld in accordance with what is known as the Kemp-Kasten provision, which prohibits any monies for an organization that supports or participates in the management of a program of coercive abortion or involuntary sterilization, for Fiscal Years 1986–1993, 1999, and 2002–2008.

In June 2008, Deputy Secretary of State John Negroponte notified Members of Congress that he had determined that UNFPA had provided “financial and technical resources through its sixth cycle China Country Program to the National Population and Family Planning Commission and related entities,” and therefore provided support for and participated in the management of the Chinese government’s program of coercive abortion and invol-

untary sterilization. It was on this basis that no funding was provided to the UNFPA that year.

Unfortunately, despite the fact that the Seventh Country Programme, 2011–2015, clearly indicates that UNFPA’s support and participation in China’s coercive policies continue, the Obama Administration is allowing money to flow to UNFPA in violation of the Kemp-Kasten Amendment.

On one of several trips to Beijing, I challenged Peng Peiyun—then China’s director of the nation’s population control program—to end the coercion, we had quite a debate. Madame Peng told me that the UNFPA was very supportive of the one child per couple program and that the UNFPA adamantly agrees with her that the program is voluntary and that coercion doesn’t exist. In other words, I—we—are simply making it all up.

For over 30 years, the UNFPA has consistently heaped praise on China’s population control program and repeatedly urged other countries to embrace similar policies.

A few years ago this fall, the UNFPA and the Chinese government rolled out the red carpet and hosted high level diplomats from Africa including health ministers to sell “child limitation” policies. Despite the fact that China’s enforcement mechanism relies on heavy coercion and its aging population will soon implode its economy, many African leaders seem to have taken the bait. Limitations on the number of children a mother may carry to term are under active consideration throughout the continent.

President Paul Kagame of Rwanda for example wants a limit of three children per woman. I spoke to him directly about it and heard the same arguments I heard from family planning officials on trips to Beijing.

Last week, we heard about the broader social implications of the one child policy and the extreme disparity between the numbers of men and women in China, particularly in terms of security. Therefore, the negative ramifications of the policy for the Chinese people that we will be examining have implications also for numerous other countries and the world in general.

I appreciated hearing from all of our distinguished witnesses, and wish to extend my sincere gratitude for them joining us last week.

CHARLES R. HOYNOWSKI

HON. LOU BARLETTA

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 29, 2011

Mr. BARLETTA. Mr. Speaker, I rise to honor Mr. Charles R. Hoynowski for his exemplary service to our country and state. Mr. Hoynowski served honorably in the United States Naval Reserve from 1961 to 1967. In that time, Mr. Hoynowski was injured while serving in Cuba during the Cuban crisis. Additionally, Mr. Hoynowski earned the Armed Forces Expeditionary Medal, the National Defense Service Medal, Navy “E” Ribbon, and the Navy Reserve Meritorious Service Medal. It is because of the service of veterans like Charles Hoynowski that all Americans have the freedoms that we enjoy today.

After leaving the service, Mr. Hoynowski went on to have a distinguished 20-year career as a Pennsylvania State Trooper. In 1991, Mr. Hoynowski retired from the Pennsylvania State Police, but his commitment to public service, and especially veterans, did not end. Mr. Hoynowski has always fought for the rights of veterans. He believes that the United States must honor all living veterans so they can enjoy the fruits of the liberties they defended.

In 2005, Mr. Hoynowski opened a \$400,000 log cabin veterans’ club on Blackman Street in Wilkes-Barre. He also erected a monument to honor all of those who lost their lives on September 11, 2001, and to honor all veterans.

Today, Mr. Hoynowski continues to fight for the rights of veterans in Northeastern Pennsylvania by educating local veterans on what government benefits they are entitled to, and by contacting local elected officials to advocate on behalf of veterans. Americans like Charles Hoynowski are the reason why the United States of America continues to be the greatest country in the world.

Mr. Speaker, I recognize Mr. Charles R. Hoynowski for his service to the United States of America, and to his fellow veterans. He has played an integral role in ensuring that our community’s veterans are given the recognition and benefits they deserve.

REVEREND PAUL A. McDONNELL

**HON. LOU BARLETTA**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 29, 2011*

Mr. BARLETTA. Mr. Speaker, I rise to honor the Reverend Paul A. McDonnell, Oblate of St. Joseph, for his lifelong dedication to serving his church and his community.

Father McDonnell began his spiritual journey immediately after graduating from Wyoming Area High School by entering the Oblates of St. Joseph Seminary in Laffin, Pennsylvania. During his time as a seminarian, he earned his Bachelor of Arts degree in philosophy from King's College in Wilkes-

Barre, Pennsylvania. After spending five years in Rome, Italy, Father McDonnell returned to the United States with a bachelor's degree in sacred theology from the Pontifical University of St. Thomas Aquinas (Angelicum) and a master's degree in pastoral theology at the Lateran University. Upon his return, he was ordained a Roman Catholic priest in his home parish of St. Anthony of Padua, Exeter, by former Auxiliary Bishop of Scranton Bishop Francis X. DiLorenzo.

Father McDonnell has served the Pennsylvania Province of the Oblates of St. Joseph Congregation as assistant pastor; pastor of Our Lady of Mount Carmel Church, Pittston; and the provincial superior of the Our Lady of Sorrows Province. Presently, he serves as the provincial vicar and secretary, as well as the North American representative at the Congregation's Rome headquarters.

Father McDonnell's service extends past his work in the Oblates of St. Joseph. He serves as Chaplain to UNICO and to the Ancient Order of Hibernians. McDonnell's community involvement is clearly evident as he was named the honorary chairman of the 2011 capitol campaign of the YMCA, and he holds positions on the boards of the Wesley Village Nursing Facility and the Earthly Angels Autism Foundation.

Mr. Speaker, on this day I would like to applaud the Reverend Paul A. McDonnell for his 20 years of serving parishes within the Diocese of Scranton and extending his hand to all of humanity. He is deserving of the honor of being named the Italian-American Association's 2011 Person of the Year.

IN RECOGNITION OF THE SERVICE  
OF PETER L. JOHNSON

**HON. JO BONNER**

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 29, 2011*

Mr. BONNER. Mr. Speaker, as Chairman of the Committee on Ethics, and with and on behalf of my colleague, Representative SÁNCHEZ, the Ranking Member of the Committee, we rise today so that we may recognize the long and dedicated service of Peter Johnson to the House of Representatives. Peter is retiring this week from the Committee on Ethics, where he has performed two important functions for eight years. And well before he joined our Committee, Peter has been serving this community with pride and excellence since 1979.

Unbeknownst to most of the community, Peter has been our connection to so many of you. As both the Systems Administrator of the Committee and the Financial Disclosure Administrator, Peter has kept our office running and your financial disclosures on track. An important part of our tradition of excellent customer service, Peter is the unseen trooper whom anyone with an extension has relied upon. And beyond financial disclosures, Peter has managed the significant amount of material we produce on-line to help you understand our processes, our rules, and our results.

Prior to joining the Committee on Ethics, Peter climbed the ranks of the office of the Clerk of the House, serving the community in the vital function of public disclosure for a number of records trusted to the Clerk's care. Peter has supervised, managed, and adminis-

tered most of the functions so crucial to the sunlight we welcome in this institution. In the Clerk's office, Peter was an institutional liaison to both the Federal Election Commission and the lobbyist community to ensure, in both arenas, that the House of Representatives served the public's interest in access to important information that the people have relied upon for many years.

In short, Peter Johnson has been a model of professional non-partisan dedication to some of the most important functions of accountability and transparency for the House of Representatives for over 30 years now. On behalf of a grateful Committee and community, we thank him for his service and wish him all the best in his retirement from this journey and his transition to the next.

Mr. BARLETTA. Mr. Speaker, I rise to honor Keith C. Naylor for his 36 years of dedicated service at the VA Medical Center in Wilkes-Barre, Pennsylvania. Mr. Naylor began his career in 1975 as a kinesiologist at the VAMC. Shortly thereafter, Naylor worked with his fellow therapists to develop the Wheelchair Olympics at the VAMC. Mr. Naylor would be selected to coach the VAMC Wilkes-Barre Wheelchair Olympics team in San Diego in 1995.

Mr. Naylor has gone above and beyond during his career, obtaining many acknowledgements and awards. He has been recognized on more than one occasion for his performance at the VAMC because he contributed to the mission of his department by substantially exceeding performance requirements. In 1980 he assisted in the Vietnam Outreach program and improved the lives of many Vietnam veterans by encouraging them to use the VAMC to serve their needs. In 1987, Naylor was named Employee of the Year for his work with the employee exercise program. Mr. Naylor gained praise as he became the M.O.V.E. Coordinator in 1993. He used his knowledge and skills to help overweight and obese veterans manage their weight through nutrition and exercise for eight years.

Mr. Speaker, Keith C. Naylor has used his 36 years at the VA Medical Center in Wilkes-Barre to not only provide for his family, but to improve the overall quality of life of our country's veterans. He used his personality, skills, and compassion to help those who need it, and has been an asset to the VA Medical Center. As he steps down from his post, he will certainly be missed by all who have worked with or been served by him.
