

as the 2011 Walton County, Florida Outstanding Farm Family of the Year.

For over 45 years, this multigenerational farm family has epitomized the true meaning of a strong work ethic and is blessed with good soil and a devoted family. Kyle McDonald along with his father, Ingram McDonald, owns 190 acres of land. He and his wife, Kim, their children, Garrett and Karley, and their canine companion, Patch, work together night and day to tend to their cattle and horses as well as their hay field.

Kyle and Kim have raised Garrett and Karley to be active members of their community and to be good stewards of the land. The McDonalds are members of the Florida Panhandle Cattlemen's Association and the Walton County Farm Bureau. Aside from their help on the farm, Garrett and Karley are both accomplished riders. Karley ropes and barrel races, and her brother ropes, calf ropes and team ropes. Garrett has won 16 saddles and numerous cash prizes over the years including placing fifth in the Nation for his age group in the all-around event this past July.

Mr. Speaker, our great Nation was built by farmers and their families. The Walton County Outstanding Farm Family of the Year award is a reflection of the McDonald family's tireless work and dedication to family, faith and trade. On behalf of the United States Congress, I would like to offer my congratulations to the McDonald family for this great accomplishment. My wife Vicki and I wish them the best for continued success.

THE PASSING OF MR. ROLLIN POST

HON. NANCY PELOSI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 13, 2011

Ms. PELOSI. Mr. Speaker, I rise today to pay tribute to the life of a dear friend, consummate professional, and proud San Franciscan: Rollin Post.

Rollin Post was a portrait of persistence, honesty, passion, and strength in his life, in his work as a reporter and commentator, in his love of politics and family.

For more than four decades, working behind the scenes for L.A.-area news radio and reporting on-air in San Francisco, Rollie set the standard for excellence in political journalism; in asking tough questions and always seeking the truth, he did our city, state, and nation a great service.

It was a true privilege to get to know Rollie on a personal level over the years; indeed, I was honored to call him a friend. He was a fixture from my earliest days in public life in San Francisco and in California. Later, we worked together to put on the annual 'The Party's NOT Over' event, a bipartisan gathering of Democrats, Republicans, and the press to raise money for minority journalism scholarships. He was held in high esteem and respect by our entire family.

Rollie brought the news to the public; he translated current events into terms all viewers and listeners could understand and appreciate; in the spirit of the best in journalism, he never failed to keep the Bay Area informed about politics and government. He was original and widely beloved, and his voice will be sorely missed.

I hope it is a comfort to his wife, Diane, his children and grandchildren, his family and friends that so many share in their grief at this time.

WALKER FAMILY RANCH TRIBUTE

HON. SCOTT R. TIPTON

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 13, 2011

Mr. TIPTON. Mr. Speaker, I rise today to honor the Walker Family Ranch of Westcliffe, Colorado. George Walker purchased a 240-acre piece of property in Custer Country and along with his wife and daughter, began a ranching company.

George's daughter Hazel soon married Willard Walker and in 1939, George passed the farm property onto his daughter and son-in-law. The couple continued the Walker ranching practice and expanded the property to 882 acres. The ranch functioned year-round as a cattle ranch.

After Willard Walker's passing in 1968, Hazel and her family maintained the ranch and in 1971, formed the W.A.W. Cattle Ranch, Inc. Today, the W.A.W. is an active cattle ranch in the Wet Mountain Valley area.

The Walker Family Ranch has been chosen by the Centennial Farms Program as one of its eighteen 2011 honorees. The program honors farms that have long contributed to the agricultural success and foundation of the State of Colorado.

Mr. Speaker, it is an honor to recognize the Walker Family Ranch. The ranch is a valuable cultural and historic asset to Colorado and our state is truly blessed to have such a vibrant presence of American entrepreneurial spirit.

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 13, 2011

Mr. CONYERS. Mr. Speaker, I rise in honor of a former employee of my district office and friend of mine, Jerry O'Malley, who recently passed at the age of 82.

Born to Jerome and Florence O'Malley on July 1, 1929, Mr. O'Malley was raised in Southeast Michigan. He attended and graduated from Detroit Catholic Central. He went on to earn his Bachelors in Business Administration from the University of Detroit. Upon graduation, he began his professional life in Florida where he worked his way up through Ford Motor Company. Starting on the assembly line, Mr. O'Malley retired from Ford's business development division.

After retiring from Ford, Mr. O'Malley returned to Michigan to pursue his passion for public service. Working for County Executive Ed McNamara as the Director of the county's Equipment Division, Mr. O'Malley embarked on decades of political activism and community service. Residing in Dearborn, Mr. O'Malley was active in the campaigns of virtually every Democratic candidate on the ticket in recent history.

He leaves behind three daughters, Catharine, Theresa Ann, and Diana. He was

grandfather of Thomas, Kyle, Michael, Nathan, Joshua, Aaron, Tom, and Tabatha. He was the great grandfather of Nathan and Nolan. Mr. O'Malley was predeceased by his wife Catherine, his brother Harry and granddaughter Isabel.

We will miss Jerry. Detroit and the surrounding area have lost a true jewel of our community.

ELLIOTT FARMS TRIBUTE

HON. SCOTT R. TIPTON

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 13, 2011

Mr. TIPTON. Mr. Speaker, I rise today to honor the Elliott Farms, LLC of Monte Vista, Colorado. In 1907, the Sanderson family of Hamilton, Missouri moved west and settled in Monte Vista. In 1908, the family acquired a 160-acre farm.

The property was passed down through the generations that followed and grew in size. The farm saw many years of fruitful potato crops that brought the family and the valley a great deal of prosperity. Today, the farm is operated in four sections and still makes use of the 1916 house and 1930s garage and barn.

Elliott Farms, LLC was recognized by the Colorado Historical Society at the 139th Colorado State Fair. Elliott Farms, LLC is one of eighteen farms honored by the Centennial Farms Program for its rich history, tradition, and contributions to the State of Colorado over the past century.

Mr. Speaker, it is an honor to recognize Elliott Farms LLC. Its agricultural contributions to the State of Colorado, as well as its valuable historical and cultural traditions, have helped make Colorado a leader in agricultural production.

RECOGNIZING CHIEF NICHOLAS
SENSLEY

HON. TOM McCLINTOCK

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 13, 2011

Mr. McCLINTOCK. Mr. Speaker, I rise today in recognition of Police Chief Nicholas Sensley of Truckee, California.

Chief Sensley began his public service in law enforcement in 1987 as a police and fire dispatcher with the UCLA Police Department. Nicholas was promoted to Police Officer in 1988 after graduating from the Los Angeles County Sheriff's Academy STARS Center, where he would begin serving as a Recruit Training Officer in 1990—one of the earliest returning instructors in the Academy's history. In May of 1991 he joined the Santa Rosa Police Department where he served in numerous assignments until ultimately departing in November 2008 as Patrol Lieutenant. In December of that year, Nicholas was appointed Chief of Police in Truckee, where he has served to this day.

Nicholas's service to the communities in which he has lived undoubtedly deserves the thanks and appreciation of his many constituents, but it is impossible to measure his contribution as a public servant if we limit the examination to California alone. Throughout his career, Chief Sensley has developed an expertise in mitigating the terrible plight of human trafficking that affects millions each year. He has worked as a consultant and developer in the United States, Europe, Asia, Africa, and the South Caribbean since 1998, playing an instrumental role in facilitating training, education and effective counter-human-trafficking initiatives globally. He has also been acknowledged as an international expert on significant community problem-solving by the US Department of Justice, the US Department of State, the Organization for Security and Cooperation in Europe (OSCE), the International Centre for Migration Policy Development, and by other international governments and organizations for his contributions.

Mr. Speaker, it is with a grateful heart that I rise today to thank Chief Nicholas Sensley for his many years of public service to the people of California. I wish him well as he retires from police work to accept a position to continue advancing human freedom with Humanity United in Washington, DC.

Thursday, October 13, 2011

Mr. GRAVES of Missouri. Mr. Speaker, please join me in congratulating the outstanding achievement of Immacolata Manor in

Liberty, Missouri, for celebrating 30 years of providing habilitation services to persons with developmental and intellectual disabilities.

Immacolata Manor's mission is to focus on the values and principles of community membership, self-determination, human rights, and basic needs, so that each individual will be supported and empowered to achieve their highest potential and to live their lives with dignity and respect.

The beautiful property on which Immacolata Manor is located is a former country estate, centering around a handsome colonial house that stands on 40 acres. Immacolata Manor opened in 1981 by several women who all had daughters with developmental disabilities. In recent years, they have been successful in raising funds to build five fully-accessible homes. They currently provide residential services to 31 adults.

Some of the residents are employed in local businesses. Those who are not employed are able to participate in the great My Day Program, conducted on the Manor campus. This community integration program includes individualized recreational and life skills activities designed to meet the needs of each participant.

Mr. Speaker, I ask that you join me in applauding Immacolata Manor for their exceptional dedication to providing residential and habilitation services to persons with developmental disabilities. ANNOUNCEMENTS OF HOMELESS
VETERANS OUTREACH CAMPAIGN
KICK-OFF BY THE DEPARTMENT OF VETERANS AFFAIRS

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 13, 2011

Mr. KUCINICH. Mr. Speaker, it is my pleasure to be here today to join the local Department of Veterans Affairs (VA) as they announce the launching of their Homeless Veterans Outreach Campaign.

According to the National Coalition for the Homeless, there are between 130,000–200,000 homeless veterans on any given night. That means that homeless veterans constitute nearly one-fourth to one-fifth of the total homeless population. There is an increasing number of female homeless veterans. Studies have demonstrated that women who served in the military are more likely than their non-serving counterparts to experience homelessness in their lifetime. It is clear that we must do more to prevent and address homelessness in the veteran's community.

Current members of our armed services have been asked to endure multiple tours in Iraq and Afghanistan, increasing the likelihood that they will experience significant levels of stress and Post-Traumatic Stress Disorder. The stresses of deployment and low-levels of social support when they return home are just some of the factors that can lead to homelessness. With high levels of unemployment, foreclosures, and continued economic hardship across the country and in the State of Ohio, it is harder than ever for returning veterans to reintegrate post-service.

That is why the outreach campaign by the VA to increase awareness of services available to veterans who are homeless or are at risk of becoming homeless is so important. Veterans need to know that they have the support they need when they return from a tour abroad.

Homelessness can be ended. It can be ended by ensuring that there are decent jobs that provide a living wage, access to health care and affordable housing and adequate support for those who can no longer work.

I am committed to ensuring that the VA has the resources it needs to provide returning veterans with the care they need and to expand their services to eradicate homelessness among veterans.
