COAST GUARD AND MARITIME TRANSPORTATION ACT OF 2011

SPEECH OF

HON. CHRIS VAN HOLLEN

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Friday, November 4, 2011

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 2838) to authorize appropriations for the Coast Guard for fiscal years 2012 through 2015, and for other purposes:

Mr. VAN HOLLEN. Mr. Chair, I rise regarding H.R. 2838, the Coast Guard and Maritime Transportation Act.

H.R. 2838 reauthorizes the activities of the U.S. Coast Guard and authorizes funding for the resources necessary to support the men and women who put their lives at risk every day to promote the safety and livelihoods of the people who use our country's waterways. The bill provides these resources in a fiscally responsible manner that advances the mission of the Guard while improving administration and reducing costs.

Our nation's waterways are the recreational and commercial arteries of the country. The safe and reliable movement of goods and people on our lakes, rivers and along our coast-

lines, helped to build the United States into the country it is today. Since its creation, the Coast Guard has played a vital role in America's economic and national security. The investments authorized by this bill will help to ensure the continued availability of the critical resources necessary for the Coast Guard to continue serving and protecting the people of the United States.

Despite its benefits, the bill has a major flaw. While the underlying bill enjoys bipartisan support, I share the Administration's concern about the Majority's insistence on attaching controversial "ballast water" language to the measure, whose effect would be to undermine the Clean Water Act and hinder states' efforts to control invasive species. For that reason, I will support the Dingell-Slaughter and Bishop amendments addressing this issue and will oppose final passage if they are not adopted.

RECOGNITION OF THE STATE OF OHIO FOR DECEMBER 1ST AS ROSA PARKS DAY

HON. MARCIA L. FUDGE

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 15, 2011

Ms. FUDGE. Mr. Speaker, I rise today to recognize Ohio as the first state to designate December 1 as Rosa Parks Day with legislation to honor her life and legacy as the Mother of the Modern Civil Rights Movement.

In 2005, then-State Representative Joyce Beatty wrote, advocated for and won unanimous support to pass Ohio's legislation in the 50th-anniversary year of Mrs. Parks' courageous act of refusing to give up her seat on a Montgomery, Alabama bus to a white passenger. This act sparked the Montgomery Bus Boycott and the Modern Civil Rights Movement.

Ohio continues to honor Rosa Parks with an annual statewide tribute on December 1 entitled "The Power of One," which celebrates that historical day when she took a stand by staying seated. A partnership between the Central Ohio Transit Authority, The Ohio State University, the Ohio Historical Society and the Ohio Civil Rights Commission brings the tribute to life each year. It includes a Children's Assembly that welcomes 800 schoolchildren to learn and be inspired by her legacy. Ohio's leadership in honoring Rosa Parks ensures that young children will be reminded that she is a symbol for justice and civil rights, and that sometimes one person can change the world.

I am proud to recognize the great state of Ohio for commemorating Rosa Parks' legacy of inspiration and courage and our state's ongoing education of young people about civil rights.

THE ACHIEVING A BETTER LIFE EXPERIENCE ACT

HON. ANDER CRENSHAW

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 15, 2011

Mr. CRENSHAW. Mr. Speaker, I rise today to introduce the bipartisan, bicameral Achieving a Better Life Experience Act of 2011. The ABLE Act is a much needed, long overdue, savings tool for individuals with disabilities.

I would like to thank my colleagues in the Senate, Senator CASEY and Senator BURR for their tireless efforts to introduce a companion bill in the U.S. Senate. I would also like to thank Representative McMORRIS RODGERS for her pivotal role in crafting this meaningful legislation.

The federal government gives American families a helping hand in saving for the future. Accounts with special tax advantages

help people save for college, retirement, healthcare and other life events—but people with disabilities have different challenges for the future, some face decades of expenses that most of us cannot even imagine. Yet, they do not have access to the same advantages that our tax code provides others.

The average cost of raising a child with a significant medical disability is more than \$1 million over the course of the child's lifetime. Continuing education, transportation, housing and medical care make up some of the predictable costs on that staggering bill. ABLE accounts would relieve some of that burden by allowing parents with disabled children or family members of disabled individuals to invest through a tax-deferred 529 account that could be drawn from for these future expenses. No longer would parents have to stand aside and watch as others use IRS-sanctioned tools to lay the groundwork for a brighter future. They would be able to do so for their children as well.

The ABLE Act amends Section 529 of the Internal Revenue Code of 1986 to provide for the establishment of ABLE accounts for the care of family members with disabilities through tax-free savings accounts.

Mr. Speaker, this bipartisan, bicameral legislation tackles the unfairness in our tax code head-on by creating tax free savings accounts for individuals with disabilities. ABLE accounts will make long-term health, greater independence, and a fuller quality of life a possibility. No longer would individuals with disabilities have to stand on the sidelines and watch others use IRS-sanctioned tools to lay the groundwork for a brighter future.

The cost to reform the U.S. Tax Code to offer ABLE accounts would be minimal, but the positive impact for individuals with disabilities, their families and others who are struggling to cope with an uncertain future would be sizable.

We must move beyond the policies of the past that force individuals with disabilities to live in poverty. The ABLE Act allows individuals with disabilities to save, work, and earn just like any other American. As citizens of this great and prosperous country, we must speak up for those who cannot speak for themselves. Helping disabled Americans "achieve a better life experience" is a step forward toward equality with every other American—and it's a step worth taking.

IN HONOR OF THE 60TH ANNIVERSARY OF THE KOREAN WAR COMMEMORATION COMMITTEE

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 15, 2011

Mr. KUCINICH. Mr. Speaker, I rise today in honor of the 60th Anniversary of the Korean War Commemoration Committee as they recognize Korean Veterans on November 11, 2011, Veterans Day.

The Korean War began on June 25, 1950 when the North Korean People's Army invaded the Republic of Korea. The Korean War was the first "hot" conflict of the Cold War and included historic battles and offensives as well as important technological and medical advances. On July 27, 1953, the United States,

North Korea and China signed an armistice. A total of 33,651 U.S. service members died in battle during the Korean War; 27,709 U.S. Army; 4,269 U.S. Marines; 1,198 U.S. Air Force; and 475 U.S. Navy. Seven thousand, one-hundred and forty Service Members became prisoners of war.

The Korean War Commemoration Committee's mission is to honor the service and sacrifice of Korean War Veterans, American service members, and their allies who fought heroically to preserve Freedom; to commemorate the key events of the Korean War; and educate the American people about the significance of the Korean War.

Mr. Speaker and colleagues, please join me in honor of the 60th Anniversary of the Korean War Commemoration Committee as they pay special tribute to the more than 6.8 million servicemen and women who bravely fought in the Korean War.

COAST GUARD AND MARITIME TRANSPORTATION ACT OF 2011

SPEECH OF

HON. JOHN L. MICA

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Friday, November 4, 2011

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 2838) to authorize appropriations for the Coast Guard for fiscal years 2012 through 2015, and for other purposes:

Mr. MICA. Mr. Chair, H.R. 2838, the Coast Guard and Maritime Transportation Act 2011, authorizes Coast Guard funding for Fiscal Years 2012, 2013 and 2014. The authorized levels were approved in the Transportation and Infrastructure Committee's Budget Views and Estimates, and reflect the levels set in the House-passed Budget Resolution.

Following up on the Committee's Sitting on Our Assets Report, H.R. 2838 decommissions two aging icebreakers, neither of which currently operates. The bill also restricts the purchases of future National Security Cutters (NSCs) until current NSCs meet long-promised mission performance capabilities.

In addition to authorizing the Coast Guard and making improvements to the service's programs and capabilities, the bill also improves the administration of maritime transportation, including—clarifying the circumstances under which a foreign seaman injured outside the United States can sue in United States courts.

The bill incorporates H.R. 2840, the Commercial Vessel Discharges Reform Act of 2011. H.R. 2840 establishes a uniform national standard for ballast water discharges. This provision is strongly supported by the U.S. and international maritime industry. It protects the environment and makes maritime transportation more efficient.

H.R. 2838 also incorporates an amended version of H.R. 2839, the Piracy Suppression Act of 2011, which authorizes additional actions to suppress piracy. It also improves the tracking of ransom payments to pirates to assure these payments do not fund terrorism.

This bill promotes maritime safety and security and makes maritime commerce more efficient. I urge my colleagues to vote "aye" on H.R. 2838.

IN CELEBRATION OF THE 90TH BIRTHDAY OF CHIEF APOSTLE WILLIAM L. BONNER

HON. CHARLES B. RANGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 15, 2011

Mr. RANGEL. Mr. Speaker, today I rise to celebrate the 90th birthday of dear beloved spiritual leader, Chief Apostle William L. Bonner at the National Church of Our Lord Jesus Christ (COOLJC) Day at the Greater Refuge Temple in Harlem. Let me also note that on Saturday, November 5, 2011, the Greater Refuge Temple, which is the "Mother Church" of the Church of Our Lord Jesus Christ, paid special tribute to Bishop Bonner's 50 years of service and pastoral leadership to the greater COOLJC church family and community throughout our great Nation.

Founded by the late apostle Bishop Robert C. Lawson, D.D., LL.D., The Church of Our Lord Jesus Christ had its inception in the year 1919. Bishop Lawson, then Elder Lawson was invited to a prayer meeting, which was in progress in a basement in the 40th Street area of New York City. So energetic was his service to the Lord that his fame spread abroad and reached the ears of Mr. and Mrs. James Burleigh and Mr. and Mrs. Edward Anderson. These two blessed couples opened their homes to Elder Lawson and their home today is affectionately thought of as the "Cradle of the Church of Our Lord Jesus Christ".

Within a short period, the congregation outgrew its place of worship, having approximately 200 members, and larger quarters had to be sought. Bishop Lawson purchased the sight at 52–54–56 West 133 Street and relocated his thriving church. It was there that his vision was enlarged and the Lord lay upon his heart to conduct a tent revival and great numbers were added to the church.

Under the thriving ministry of Apostle Lawson, many preachers, missionaries, and teachers were sent into the field establishing numerous works. To the far-flung isles of the sea, to the continent of Africa and to the Caribbean, these Christian heralds went carrying the apostolic message. It was in the year 1932, that Bishop Lawson initiated the radio broadcast over the stations WGBS. He broadcasted successfully over WHOM and WINS. The broadcast is presently continuing over station WBNX every Sunday evening.

In August of 1945, as the church out grew its quarters on 133rd Street, Bishop Lawson
