

staff nurse, a charge nurse, Home Training Coordinator, Director of Nursing, and Clinic Manager. She has also been Regional Quality Manager, and Director of Training and Organizational Development for Fresenius' West Business Unit. Currently, in addition to serving as President of ANNA, Donna is the Regional Vice President for Fresenius' East Texas Region.

Donna has been an active member of ANNA for more than 20 years—serving in a variety of leadership roles. As ANNA President, she has implemented a broad range of initiatives that will continue to improve care for patients whose lives depend on dialysis and other kidney replacement treatments. In particular, she has helped to ensure that ANNA will play a significant role in the nation-wide proliferation of quality improvements and policy in kidney care.

ANNA is one of the largest and most prestigious nursing associations in America. The organization is the recognized leader in nephrology nursing practice, education, research, and advocacy. ANNA's members are registered nurses and health care professionals that care for patients of all ages who are experiencing, or are at risk for, kidney disease.

Please join me in commending Donna Painter for her years of service to ANNA and the patients she cares for in Texas. Thank you, Mr. Speaker.

GIRLS OF STEEL ROBOTICS TEAM

HON. MICHAEL F. DOYLE

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 29, 2011

Mr. DOYLE. Mr. Speaker, I rise today to congratulate the Girls of Steel robotics team on winning the Rookie All-Star Award at the 2011 Pittsburgh Regional F.I.R.S.T. Robotics Competition held on March 12th and 13th.

Because of their hard work and impressive performance, the team has been invited to compete at the F.I.R.S.T. Championship in St. Louis in April. The championship is the final and largest competition of the robotics season and features teams from across the world.

F.I.R.S.T., which stands for "For Inspiration and Recognition of Science and Technology," is an organization dedicated to introducing our youth to the world of science and technology. This year alone, approximately 250,000 students are gaining practical, team-based engineering experiences by participating in F.I.R.S.T.

As a co-chair of the Congressional Robotics Caucus, I think competitions such as these are outstanding tools for getting students interested in careers in science, technology, engineering, and math. I believe our nation's future economic growth and prosperity depends upon getting young people interested and engaged in scientific pursuits, and I want to commend organizations like F.I.R.S.T. for the important work they do in that regard.

The Girls of Steel team is made up of 24 young women from high schools in and around the Pittsburgh area. In their first year of competition, and using a robot they designed and built in only six weeks, the girls

went up against 39 other teams from across the United States and Canada. In this regional competition, teams were challenged to construct robots that could place tubes on elevated pegs. After finishing this first part of the task, the robots were required to deploy smaller robots capable of climbing to the top of a 10-foot pole. Upon reaching the top, the "minibots" would set off sensors to signal completion of the task. The Girls of Steel performed well in the qualification round, and their success continued throughout the seeding and elimination rounds of the competition.

In recognition of their hard work, intelligence, and teamwork, I want to mention each of these inspiring young ladies by name. They are Grace Handler, Calista Frederick-Jaskiewicz, Hallie Goldstein, Nila Ravi, Elizabeth Kysel, Rachel Lischy, Olivia Parks, Bryce Volk, Jaden Barney, Maya Chandrasekaran, Julia DiPietro, Campbell Konrad, Rachel Round, Jordyn Zechender, Naoka Gunawardena, Dakota Calvert, Jeannette Melanie Young, Tayler Wright, Kathryn Hendrickson, Pragna Mannam, Anna Maria Sicenica, Dahee Kim, Zhimi Ding, and Xinchao Li.

I also want to express my appreciation to the Carnegie Mellon University Field Robotics Center, which has mentored the Girls of Steel. As a result of their efforts, more young women are gaining real-world technological experiences which will certainly aid them in the future.

I wish the Girls of Steel the best of luck as they head to St. Louis to compete this April, and I hope for their continual success.

STATEMENT OF PERSONAL EXPLANATION

HON. JAMES B. RENACCI

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 29, 2011

Mr. RENACCI. Mr. Speaker, although present and on the House floor during the legislative day of March 16, 2011, my "no" vote for Rollcall vote No. 186 did not register. Had my vote correctly registered, the record would display a vote of "no."

RECOGNIZING MR. LEE E. RHYANT UPON HIS RETIREMENT

HON. PHIL GINGREY

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 29, 2011

Mr. GINGREY of Georgia. Mr. Speaker, today I rise to commemorate a decade of achievement by an important business leader in our community, Mr. Lee E. Rhyant.

Mr. Rhyant has spent over ten years serving as the Executive Vice President and General Manager of the Lockheed Martin Aeronautics Company facility in Marietta, Georgia. He successfully led a staff of 8,000 with his clear vision and his ability proved to be great as he built a strong association with the U.S. Air Force and industry leaders in Cobb County and throughout the metro Atlanta region.

He's been recognized for his leadership with numerous honors and awards. He was named one of Georgia's 100 Most Influential People, Executive of the Year by the National Management Association, Citizen of the Year by the Cobb Chamber of Commerce and the Marietta Daily Journal, and Man of Influence by the Atlanta Business League.

Mr. Rhyant has taken his success and used it to give back to his community and the 11th District of Georgia. He has served on numerous local and national boards, chaired many major philanthropic events, and has shared his knowledge and experience with youth leadership forums, local schools, and even universities.

Mr. Speaker, I ask my colleagues to join me in recognizing the accomplishments of this outstanding citizen and community leader, Mr. Lee Rhyant, and wish him the best of luck as he retires and starts a new chapter.

CONGRATULATIONS TO THE NEW- MAN CHAPEL UNITED METH- ODIST CHURCH

HON. RON PAUL

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 29, 2011

Mr. PAUL. Mr. Speaker, I am pleased to congratulate the parishioners of Newman Chapel United Methodist Church of Kendleton, Texas, on the opening of their new multipurpose worship center. The Center opened this past Sunday, March 27th.

Established in approximately 1872, Newman Chapel was the first Methodist Church organized in the Kendleton. Originally, parishioners met by the San Bernard River under the old oak trees. Services were held at the river until 1874 when the parishioners constructed a log cabin that served as both as a place for worship and a school.

Newman Chapel may have come a long way from its roots in a gathering of believers by the San Bernard River, but what has never changed is the parishioners and staff's commitment to the mission of building a spirit-filled community church of believers. The new worship center will enhance the Church's ability to carry out this mission by providing a more spacious and comfortable location for worship and other traditional church activities. The new multipurpose center will also be used for new ministries and needed services to the all the people of Kendleton. Some of the new programs planned include a Sunday morning breakfast and bible study, a senior daycare center, after school tutorials and programs to provide nutritious food to Kendleton's low-income population.

In conclusion, I once again extend my congratulations to the parishioners and staff of Newman Chapel United Methodist Church on the opening of their new multi-purpose worship center. I am certain all of Newman Chapel's parishioners as well as the community of Kendleton will benefit from the worship center.

IN RECOGNITION OF THE 10TH PASTORAL APPRECIATION OF BISHOP CLARENCE E. STEWART, JR.

HON. MIKE ROGERS

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 29, 2011

Mr. ROGERS of Alabama. Mr. Speaker, I would like to pay tribute to a very special Alabamian today, Bishop Clarence E. Stewart, Jr.

Bishop Stewart has served as pastor of Ambassadors for Christ Ministries in Montgomery, Alabama, since 2002. Over the past decade, the church has grown tremendously and he's also created a successful television and radio ministry.

Bishop Stewart received his education in Montgomery County, Alabama and continued his studies at Alabama State University. He is the son of Clarence E. Stewart, Sr. and Annie Ruth Gilmore, and is father to three daughters, Jennifer, Shay, and Joia, and one son, Clarence III (Tre').

I am proud to honor the 10th Pastoral Appreciation of Bishop Clarence E. Stewart, Jr., and applaud him for his ministries in Montgomery.

PERSONAL EXPLANATION

HON. BILL JOHNSON

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 29, 2011

Mr. JOHNSON of Ohio. Mr. Speaker, on rollcall No. 186, I recall voting on the entire series in this voting session. I was standing with Rep. RENACCI (OH-16), and we both voted the entire series. We both used the same voting machine, and he was also flagged as a missed vote.

I would have voted "no."

RECOGNIZING TEDDY OSBORN ON HIS ACCOMPLISHMENT OF EARNING 129 BOY SCOUTS OF AMERICA BADGES

HON. STEVE STIVERS

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 29, 2011

Mr. STIVERS. Mr. Speaker, I rise today to recognize Teddy Osborn of Grove City, Ohio for making Boy Scouting history in Ohio. Teddy, a highly decorated Eagle Scout, is an active member of Ohio's largest Boy Scout troop, Troop 200, chartered out of Northwest Methodist Church in Columbus.

Today I would like to commend Teddy for earning the maximum number of Boy Scouts of America badges—all 129. While accumulating the mandated number of 21 merit badges can be tough; earning all 129 badges is not only going above and beyond, but is an outstanding accomplishment.

An 18-year-old senior at Columbus Bishop Ready High School, Teddy attained what less than one percent of all Boy Scouts annually achieve when he earned his 100th merit badge. In earning all 129 merit badges, Teddy

is the first boy scout in Ohio's 100 years of scouting history to earn all available merit badges.

On behalf of the citizens of Ohio's 15th Congressional District, I congratulate Teddy Osborn on this historic scouting accomplishment.

REMEMBERING ROBERT CHAUNCEY MYERS

HON. TOM MCCLINTOCK

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 29, 2011

Mr. MCCLINTOCK. Mr. Speaker, I rise today to honor the memory of Robert Myers of Roseville, California.

Robert was born in Ohio in 1937 and as a young child moved with his family to Los Angeles where he was raised. At age 17, Robert enlisted in the United States Air Force and after completing his training as an aircraft mechanic, deployed overseas to Europe. Robert's post was the front lines of the Cold War, where he was charged with guarding and maintaining strategic nuclear assets. Robert left the service in 1962 rising to the position of Crew Chief to USAF General Bernard Schriever, who oversaw the U.S. strategic missile program and over 40% of the Air Force budget. After leaving the armed forces, Robert continued a career of service to his community as a firefighter with the Torrance Fire Department in Torrance, California, a post he held to his retirement in 1993.

Following his long career of public service, Robert and his wife, Gwen, moved to Sun City in Roseville, California. It is doubtless that by the time Robert moved to Roseville he had already provided more service to this country than could reasonably be expected, both through his service in the United States Air Force and the Torrance Fire Department, but he wasn't finished yet. While living in Sun City, Robert became one of the founders of the Tea Party group there: leading book clubs, discussions and activities devoted to educating citizens and advocating for the founding principles of our country. Mr. Speaker, it is the patriotism of men like Robert that will ultimately lead to the salvation of our country from our current trials, and I believe that his contributions to this fight at home are every bit as valuable and important as the years he spent guarding nuclear weapons at the height of the Cold War.

Robert is survived by his wife, Gwen, his four children: Christine, Steven, Richard and Elizabeth; and his three grandchildren: Alice, Oscar and Sophia. The quality of Robert's dedicated life of service is only matched by the remarkable family he supported and raised as a loving husband, father and grandfather.

Mr. Speaker, patriots such as Robert Myers have ensured the safety and success of our union from its earliest days to the present time, and I have no doubt that his life has served to further that cause. It is with a grateful and humbled heart that I rise today to honor his memory and thank him for his many years of service.

RECOGNIZING LINDSAY CZARNIAK

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 29, 2011

Ms. NORTON. Mr. Speaker, I rise to ask the House of Representatives to join me in recognizing Lindsay Czarniak for her outstanding work in sports broadcasting as an anchor and reporter for NBC Washington. This month we are celebrating Women's History Month in the District of Columbia by honoring Lindsay Czarniak, whose excellence in a field dominated by men has made her a favorite on television here.

Lindsay, who was born in Pennsylvania and raised in Northern Virginia, is seen by her viewers as a quintessential Washingtonian because of her credibility and effectiveness in connecting with residents while reporting on our teams for NBC4 sports. After serving as co-host of the George Michael Sports Machine, Lindsay struck out on her own on NBC4 with her signature show, Lunch with Lindsay. She has interviewed many great sports figures, including Art Monk, Sugar Ray Leonard, and James Brown. Lindsay also has covered the 2008 Winter Olympics in Beijing, China, as well as NASCAR races as a pit reporter on TNT.

This year, our celebration of Women's History Month will honor not only Lindsay Czarniak, but also another female groundbreaker, Natalie Randolph, the only current female boys high school varsity head football coach in the nation. Lindsay also has generously agreed to participate in an assembly, where she will interview Natalie Randolph, a member of the D.C. Divas, a woman's professional football team, and a member of the Calvin Coolidge Senior High School football team concerning Coach Randolph's football and coaching career.

Lindsay Czarniak is an inspiration to young girls, to women, and to all Americans who support equal opportunity on the basis of ability and hard work. The excellence of her work in the male-dominated sports world makes all who are fortunate to see her on television understand that nothing is beyond a woman's capability, and that no field, sports or otherwise, is off limits to women.

Mr. Speaker, I ask the House of Representatives to join me in honoring Lindsay Czarniak, as a trailblazing example of excellence in her profession.

BAHRAIN, IRAN AND THE GCC

HON. ENI F.H. FALEOMAVEAGA

OF AMERICAN SAMOA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 29, 2011

Mr. FALEOMAVEAGA. Mr. Speaker, I rise today to speak about the threat posed by the Islamic Republic of Iran to Bahrain, a U.S. ally and a member of a group of U.S. allies, The Gulf Cooperation Council or the GCC.

Bahrain is a small country with a free economy and a government that is friendly to the United States. It plays host to the Fifth Fleet of the United States Navy, which patrols the waters of the Persian Gulf and protects world shipping there. Bahrain has been declared a
