

grown to include persons of Hispanic and Asian ancestry.

Mr. Speaker, I ask that my colleagues join me today in congratulating The Baptist Church in the Great Valley and its storied history on the occasion of its 300th anniversary and to extend best wishes for the Church's continuing work to meet the pastoral and spiritual needs of its congregation and the community.

---

RECOGNIZING THE LIFE OF  
CLAUDE B. DUNLAP, JR.

**HON. JEFF MILLER**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 7, 2011*

Mr. MILLER of Florida. Mr. Speaker, on behalf of the United States Congress, I rise today to honor the life of Northwest Florida's beloved Claude B. Dunlap, Jr.

A native of Florida's First Congressional District, Mr. Dunlap spent his childhood and adolescence in Baghdad, Florida. Mr. Dunlap then enlisted in the United States Army and served with honor and distinction during the Vietnam War. He earned the Good Conduct Medal, the National Defense Service Medal, the Vietnam Service Medal, the Vietnam Campaign Medal, and the Expert Rifle Medal.

Following his military service, Mr. Dunlap joined the Baghdad Volunteer Fire Department in 1973. For nearly 40 years, Mr. Dunlap served the citizens of Baghdad and Santa Rosa County, Florida. Mr. Dunlap's dedication to the fire department was evident from the beginning, and his leadership capabilities were clearly demonstrated as he rose to Captain and then to Assistant Chief. In 1995, Mr. Dunlap was named Chief of the Baghdad Volunteer Fire Department, a position that he held until his recent passing.

During his tenure as the Fire Chief, the Baghdad Volunteer Fire Department grew tremendously. Mr. Dunlap ensured that firefighters had the necessary safety equipment to operate on a daily basis and respond to calls. Mr. Dunlap also oversaw the purchase of a new Engine, Rescue truck, Brush truck, boat, and 2 staff vehicles, as well as the beginning of construction on a new fire station.

In addition to his duties as Fire Chief, Mr. Dunlap worked for more than 30 years at the Florida Department of Transportation, where he served as a Maintenance Supervisor. In this capacity, Mr. Dunlap traveled extensively throughout the state of Florida to assist in the cleanup efforts after numerous hurricanes.

To some, Claude Dunlap will be remembered as a Fire Chief and a dedicated servant to the Santa Rosa County community. To others he will be remembered as a hero and a patriot, who answered the call of duty with honor and distinction. He will long be remembered by his family and friends as a loving husband, father and grandfather, and his impact on the Northwest Florida community will not be forgotten.

Mr. Speaker, on behalf of the United States Congress I am proud to honor the life of Claude Dunlap and his lasting legacy.

HONORING SUSAN SORDONI

**HON. TOM MARINO**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 7, 2011*

Mr. MARINO. Mr. Speaker, I rise today in honor of one of my constituents, Susan Sordoni, as the recipient of the Distinguished Service Award from the Eastern Pennsylvania/Delaware Region Anti-Defamation League.

Susan Sordoni graduated from College Misericordia in 1968 with a Bachelor's degree in biology. She went on to conduct her post-graduate work in biology at Wilkes University in 1968 and 1969. In 1980 and 1981, Susan pursued Liberal Studies at the New School for Social Research in 1980 and 1981.

With the support of her family, Susan returned to school to pursue her childhood dream of becoming a physician. She attended Wilkes University in 1991 and 1992 to pursue Post Baccalaureate studies. At age 45, Susan took the Medical College Admission Test. She was accepted at the Medical College of Pennsylvania. She graduated in 1997, and in November of 2000, she completed a family practice residency through Hahnemann Medical School.

Upon opening her practice, Susan saw a great need for medical services for those with little or no insurance. In response to this need, Susan founded the Volunteers in Medicine Medical Clinic in Wilkes-Barre. She has served as the Chairperson of the organization, as well as a Physician volunteer, since the organization's founding. The clinic has served over 4,000 patients in the Wyoming Valley and continues to expand its services to include a dental clinic.

Susan currently serves at the Medical Director for Home Hospice in Kingston. Susan, along with her husband Andy, founded Circle of Friends at Misericordia University, to help mentally challenged women as they transition into the work place.

Susan continues to devote her time to many community organizations including the Osterhout Free Library, Pennsylvania Ballet, Commonwealth Medical College of Pennsylvania, University of Scranton, Commonwealth Commission of the Bicentennial of the United States and the Scranton Diocese Special Education Program.

Mr. Speaker, I rise today to honor Dr. Susan Sordoni. Dr. Sordoni continues to serve the people of the Wyoming Valley. She is a remarkable woman with strong commitments to her family, her career, and her community.

HONORING THE BRITISH FLIGHT  
TRAINING SCHOOL IN TERRELL,  
TEXAS

**HON. JEB HENSARLING**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 7, 2011*

Mr. HENSARLING. Mr. Speaker, I would like to recognize the 70th Anniversary of the Lend-Lease Act and the subsequent establishment in Terrell, Texas of the first British Flying Training School in the United States.

On March 11, 1941, the Lend-Lease Act was signed into law by President Franklin D.

Roosevelt. The President described the Lend-Lease Act as "helping to put out the fire in your neighbor's house before your own house caught fire and burned down."

During World War II, thousands of British pilots learned to fly at six civilian training schools in the United States. The first and largest of the schools was in Terrell, Texas, located in Kaufman County. After the United States entered the War, American Aviation Cadets also trained at the school. More than 2,000 Royal Air Force and American Army Air Force pilots earned their wings in the skies over North Texas between 1941 and 1945 to help our nation achieve victory.

As the Congressman for the Fifth District of Texas, I am pleased today to recognize founding of the first British Flying Training School in the nation. Today, its legacy is commemorated by the No. 1 British Flying Training School Museum in Terrell, Texas. It is my honor to recognize the dedicated museum board of directors and patrons whose efforts afford future generations the opportunity to understand and appreciate America's history.

---

RECOGNIZING FRED FRERES FOR  
HIS RETIREMENT FROM CHRIS-  
TIAN BROTHERS HIGH SCHOOL

**HON. STEVE COHEN**

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 7, 2011*

Mr. COHEN. Mr. Speaker, today I rise to honor Mr. Fred Freres after learning of his upcoming retirement after thirty nine years of teaching at Christian Brothers High School in Memphis, Tennessee.

A native of Chicago, Fred moved to Memphis to attend what was then called Christian Brothers College where he became the first person in his family to attend college and received his degree in History in 1970. A decade later he would receive his Masters in Political Science from Memphis State University.

That same year he married his college sweetheart, Cathy, and went to work selling insurance to support his new family. His dream to teach and inspire young people proved unflappable and his opportunity came in August, 1972 at Christian Brothers High School teaching in the history department—a department he would later chair.

Due to his passion for teaching and his tireless efforts at coordinating numerous extracurricular activities, Fred became an integral part of the CBHS family. Participants in organizations such as the Key Club, the Organization for Young Political Scientists, the LaSallian Development Committee, and the National Honor Society Committee found a tireless mentor and advocate. Fred even worked as the baseball and basketball announcer for five years and coached the Cross Country team for three years.

As I read an article in the CBHS newsletter about Fred, I was moved by a quote where he used the word "vocation" to describe his profession—and that part of that vocation was inspiring the young men he taught, "to become good citizens, not just interested in what's happening in their community, nation and world, but have a positive impact on their world."

Mr. Speaker, now more than ever the nation is in need of teachers who inspire young people to become active participants in our democracy and dedicate significant portions of their lives to public service. Fred Freres has done just that over his thirty nine years in the classroom. Proof of this can be found right here on Capitol Hill, where numerous “Brother’s Boys” have worked over the years after having been encouraged by Fred Freres.

I wish Fred and Cathy nothing but the best for their future and hope that they get to spend more time with one another and their three daughters, Catie, Julie and Annie as well as their two grandchildren—Hailey and Clara. And if he gets really lucky Mr. Speaker, he might even live long enough to see his beloved Chicago Cubs win the World Series.

Thank you Fred Freres for the dedication to your vocation, service to your community and inspiration you have provided to your students over the course of your career.

THE IMPORTANCE OF PATIENT SAFETY

HON. JAIME HERRERA BEUTLER

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 7, 2011

Ms. HERRERA BEUTLER. Mr. Speaker, I rise today to promote increased awareness about patient safety and a higher quality of health care in our country. According to the 1999 Institute of Medicine report, more than 98,000 patients die annually from medical errors that occur in the hospital. The HealthGrades analysis of patient safety published in 2009 stated that almost 100,000 preventable deaths occurred annually in Medicare patients from 2005 to 2007. Based on these findings, patient safety has not improved in almost a decade.

All of us have either been patients or know someone who has been a patient, and we expect our loved ones to receive excellent patient care. Recently, I had the opportunity to meet with a nurse from Vancouver, Washington, who shared the touching story regarding the death of her father. Kristi Victoria Goodwin told me about her father Kenneth Edgar Anderson, who died from multiple preventable medical errors.

Mr. Anderson, a 55 year old, went to his doctor after experiencing chest pains while riding his bicycle. The doctor ordered cardiac testing, but, unfortunately, Mr. Anderson was never notified that his cardiac tests were abnormal. Based on his cardiac tests, Mr. Anderson should have received a cardiology consult, further cardiac testing, and based on his autopsy results, he would have been a candidate for open heart surgery. Instead, almost three months after his cardiac workup was completed, Mr. Anderson died from sudden cardiac death while riding his bicycle.

I ask my colleagues to join me in thanking Kristi for coming to D.C. to share this personal story to illustrate the importance of the issue of patient safety. I also ask that you join me in promoting patient safety and improving the quality of health care in this country.

TRIBUTE TO BRIGADIER GENERAL PHILIP M. RUHLMAN

HON. MADELEINE Z. BORDALLO

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 7, 2011

Ms. BORDALLO. Mr. Speaker, I rise to recognize and pay tribute to Brigadier General Philip M. Ruhlman for 31 years of service and dedication to the United States Air Force. He currently serves as the Director of Manpower, Organization and Resources in Washington, D.C., and will retire from active duty on May 1, 2011. He will be missed by many.

Brigadier General Ruhlman graduated from the U.S. Air Force Academy in 1980, and earned his wings the following year. He received his first assignment as a jump-qualified battalion air liaison officer and forward air controller, flying the O-2A Skymaster. He transitioned to the F-16 Fighting Falcon, and has since flown every version assigned to the Air Force. In 1987, he earned a master’s degree in Aeronautical Science from Embry-Riddle Aeronautical University. He has also served as a National Defense Fellow and Air Force Fellow for the National Defense University, and as a Senior Executive Fellow for the John F. Kennedy School of Government at Harvard University.

A command pilot with more than 3,200 flight hours, Brigadier General Ruhlman has led a fighter squadron, fighter operations group, and two wings—including the largest operational F-16 fighter wing in the Air Force. He flew 43 F-16 combat missions over Iraq and Kuwait during Operation Desert Storm, and served as a wing weapons officer, instructor pilot, and Chief of Standardization and Evaluation. His staff assignments include joint element, major command, direct reporting unit, Air Staff and NATO levels serving at home and abroad.

Throughout his career, Brigadier General Ruhlman’s exemplary service earned him numerous awards and military decorations. During his command of the 36th Wing on Andersen Air Force Base, Guam, he was instrumental in resolving road access issues for landlocked properties contiguous to the base. His efforts to find solutions to these issues demonstrated his commitment to building and maintaining a positive relationship between the civilian and military communities. In addition, I wish to recognize Brigadier General Ruhlman’s efforts in implementing the Joint Region Marianas—a collaboration between the Air Force and the U.S. Navy that provides installation support for all components of the Department of the Defense on Guam and in the Northern Mariana Islands. Brigadier General Ruhlman was always a staunch advocate for Guam and understood the need for greater collaboration with the local government to make the military build-up a success. His efforts were successful, in great part, because of the leadership and guidance that he received from leaders in the Air Force like retired General Howie Chandler.

Mr. Speaker, Brigadier General Ruhlman distinguished himself as an exceptional leader during his career with the U.S. Air Force. His commitment and dedication will be remembered for many years to come. I trust my fellow members of the House will join me in wishing the very best to General Ruhlman, his wife Lina, and son, Alex on their future endeavors.

IN MEMORY OF ELIZABETH “MOTHER LIZ” ANN SAMUELS

HON. KEITH ELLISON

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 7, 2011

Mr. ELLISON. Mr. Speaker, I rise today to mourn the passing of Civil rights activist, leader, and community advocate Elizabeth Ann Samuels. Elizabeth Samuels was known by those in the community of North Minneapolis as “Mother Liz” for her nurturing and strong demeanor and as a champion of human and civil rights.

A longtime resident of North Minneapolis, Mother Liz graduated from North High School and attended Augsburg College. Mother Liz served her neighborhood and the African American community in a number of key civic posts. For example, she spent many years as Director of the American Red Cross in North Minneapolis and also worked for the Coalition of Black Churches, the African American Leadership Summit, and the Willard Homewood Organization.

Mother Liz was deeply dedicated to her friends, family, and community and touched the lives of many people through her work, volunteering, and care-giving. I ask that we remember the spirit and passion for equality and peace that Mother Liz helped shape in the Minneapolis community.

IN RECOGNITION OF KATHLEEN COLLINS, PRESIDENT OF THE KANSAS CITY ART INSTITUTE

HON. EMANUEL CLEAVER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 7, 2011

Mr. CLEAVER. Mr. Speaker, I proudly rise today in recognizing the outstanding achievements and cultural legacy nurtured at the Kansas City Art Institute by retiring President, Kathleen Collins. She took over the duties as President in 1996 and through the years has built strong community partnerships that resulted in creative and innovative projects. Her efforts enhanced and modernized the quality and function of the Kansas City Art Institute into providing an education in creativity, professionalism and business practices.

The Kansas City Art Institute dates back to 1885 to a group of artists who referred to themselves as the Sketch Club. Walt Disney, Thomas Hart Benton, Robert Rauschenberg and Robert Morris have all been associated with the Institute. Two of Kansas City’s most well known businessmen, J.C. Nichols and William T. Kemper, Jr., served on the Board of Trustees. Today, the Kansas City Art Institute is an integral part of the cultural growth of Kansas City and continues to sustain the support of the community.

Under Kathleen Collins’ leadership, enrollment escalated and the Institute expanded, with over \$25 million in renovations and improvements on campus. The H&R Block Artspace, the Jannes Library and Learning Center, the Lawrence and Kristina Dodge Painting Building, the Café Nerman, and the
