

House, at Ground Zero in New York City, and all across the country once again remind us that there is more that unites us than divides us. We are all, at the core, proud Americans. If we can learn anything from recent events, it is that America is strong and resilient. If we stay dedicated to our efforts, we can get our country back on track.

Fueled with the feedback I heard from my neighbors during 2 weeks at home in northeastern Pennsylvania, I am ready to keep fighting for them.

Thank you, Mr. Speaker.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess until noon today.

Accordingly (at 10 o'clock and 58 minutes a.m.), the House stood in recess until noon.

AFTER RECESS

The recess having expired, the House was called to order by the Speaker at noon.

PRAYER

Monsignor Craig Harrison, St. Francis of Assisi Catholic Church, Bakersfield, California, offered the following prayer:

Gracious and loving God, we are grateful for the gifts and blessings You have shown our Nation.

Be with those who are suffering the devastation of the great storms that we have experienced and help us as a Nation to respond.

Bless the women and men gathered here who are called to protect and serve the people of the United States. Watch over and bless all those who serve our Nation abroad.

Guide the Members of this Congress, that their work today will reflect Your love and compassion and guide our Nation to be a leader in justice and peace.

We pray this in the name of the one who created us in love. Amen.

THE JOURNAL

The SPEAKER. The Chair has examined the Journal of the last day's proceedings and announces to the House his approval thereof.

Pursuant to clause 1, rule I, the Journal stands approved.

PLEDGE OF ALLEGIANCE

The SPEAKER. Will the gentleman from New Jersey (Mr. SIREs) come forward and lead the House in the Pledge of Allegiance.

Mr. SIREs led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Repub-

lic for which it stands, one nation under God, indivisible, with liberty and justice for all.

WELCOMING MONSIGNOR CRAIG HARRISON

The SPEAKER. Without objection, the gentleman from California (Mr. MCCARTHY) is recognized for 1 minute.

There was no objection.

Mr. MCCARTHY of California. Mr. Speaker, I am honored to welcome Monsignor Craig Harrison from Bakersfield, California, and appreciate that he was able to be here today to open up our floor session with the invocation. It is great to have a fellow Bakersfield High School Driller here on the floor with me.

Since he returned to Bakersfield in 1999 to be the pastor of his hometown parish, Monsignor Craig has had a profound, positive impact on the lives of the thousands in our community. The fact that the number of families in his parish has increased by over 5,000 and enrollment in the parish school has doubled is a testament to his leadership in our community.

He is more than just a faith leader. He is an author of a children's book, he is a faith leader to many of us throughout the community, and, on a personal note, he was a faith leader to my father as he battled his fight with cancer.

Monsignor Craig is a true friend to the Bakersfield community, and I appreciate that he was able to share his words of wisdom on the House floor.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (Mr. GARDNER). The Chair will entertain up to 15 further requests for 1-minute speeches on each side of the aisle.

U.S. FIREFIGHTERS GO TO MEXICO AND FLY OVER TEXAS

(Mr. POE of Texas asked and was given permission to address the House for 1 minute.)

Mr. POE of Texas. Mr. Speaker, the administration is fighting wildfires. In December, the United States sent two firefighting planes to battle fires in Israel. In April, two specially equipped U.S. Air Force C-130 cargo planes and 30 personnel were sent to battle wildfires in Mexico. The fires in Mexico burned about 380 square miles near the Texas border. The United States came to the rescue.

But not everyone gets help from the United States. A wildfire epidemic has also occurred in Texas, with more than 9,000 fires. Two million acres have been burned. That is the size of Rhode Island and Delaware combined and ten times the size of the fires in Mexico. And the State is still on fire.

Texas Governor Perry requested Federal help, but the administration summarily denied the Governor's request. The administration, it seems, is more concerned about taking care of foreign

nations while ignoring Americans in Texas. Why does the administration despise Texas? Meanwhile, the fires continue.

And that's just the way it is.

CONDEMNING THE DEATH OF JUAN WILFREDO SOTO

(Mr. SIREs asked and was given permission to address the House for 1 minute.)

Mr. SIREs. Mr. Speaker, I rise today to condemn the brutal beating and subsequent death of Juan Wilfredo Soto. Last Thursday, Soto, while participating in a peaceful protest against the Castro regime, Cuban authorities beat him so badly that he was later taken to the hospital, where he died.

Soto was a brave man and a respected advocate who helped support the hunger strikes of human rights award winner Guillermo Farinas.

Juan Wilfredo Soto's death is the latest brazen illustration of the violent methods the Castro brothers utilize to oppress freedom in Cuba. In the last 2 months reports of oppression have increased.

As many praised the false promises of the Sixth Communist Party Congress held in Cuba last month, few acknowledged the crackdown on dissidents and journalists that took place. Prior to the congress, Cuban authorities reportedly arrested and detained opposition members to ensure that all voices critical to the regime would be silent and that no protests would be visible.

The United States and the international community must join together in condemning the wrongful death of Juan Wilfredo Soto and supporting human rights on the island. We must show Cuban leaders that their brutality is not going to go unnoticed.

MAJORITY'S PLAN FOR MEDICARE IS THE WRONG APPROACH

(Mrs. DAVIS of California asked and was given permission to address the House for 1 minute.)

Mrs. DAVIS of California. Mr. Speaker, if the majority's plan for Medicare ever becomes law, seniors will lose their guaranteed benefit and get a private insurance voucher.

Seniors are calling. They are nervous and justified in asking all sorts of questions about the plan, such as: Will the voucher cover me if I get sick? Will the voucher result in rationed care? And will I need to pay more out of pocket?

The Congressional Budget Office says seniors will pay more—much more. Out-of-pocket costs to seniors will double in 2022 and rise by 68 percent by 2030.

This massive cost shifting saves the Federal Government a lot of money. And where does all of the money taken from seniors and Medicare go? Well, it doesn't pay off the debt. It doesn't create jobs or help folks pay for gas or groceries. But it does go to finance large new tax cuts for the most well-off.

This is the wrong approach to caring for our seniors.

TIME TO STOP POLITICAL GAMES AND WORK TOGETHER

(Mr. BACA asked and was given permission to address the House for 1 minute.)

Mr. BACA. Mr. Speaker, right now Californians in my home district face an almost 14 percent unemployment rate and are dealing with the fourth highest rate of foreclosures in the Nation.

What my constituents need above all else is for both of us, Republicans and Democrats, to come together on creating new jobs. Yet in the last 18 weeks the Republicans have controlled the House, they have yet to bring one single bill focused on creating jobs. Instead, they have put forward a partisan agenda that is more about scoring political points than helping American families.

We should be putting American families back to work. We should not be voting to dismantle safety nets for seniors and vulnerable Americans. The Republican attacks on Medicare and Medicaid go against our core values and threaten the health care of 44 million low-income Americans.

It is time to stop political games. Let's work together, and I say let's work together and focus on straightening out our economy and creating jobs.

CONGRATULATING NEWARK COMMUNITY HIGH SCHOOL BOYS BASKETBALL TEAM

(Mr. HULTGREN asked and was given permission to address the House for 1 minute.)

Mr. HULTGREN. Mr. Speaker, I rise to congratulate the Newark Community High School boys basketball team on their 2011 Illinois class 1A championship title. This is a great accomplishment; and their team, coaches, and the entire Newark community should be very proud.

Newark, Illinois, is a town of less than a thousand people. It is symbolic of our great Nation and is a place I am honored to represent. Newark High School, with a total enrollment of less than 200 students, has never before won the State championship. Coach Rick Tollefson, head coach of the Newark Norsemen, has been with the program for 5 years and in that time has led the Norsemen to three consecutive sectional championships as well as this year's State title. It has certainly been an exciting time for this close-knit community.

On behalf of the House of Representatives, I would like to personally congratulate everyone who made Newark history this year, as well as those who made it possible—the school's administrators and the entire Newark commu-

nity. I appreciate their hard work and dedication to this basketball program and to the students of Newark High School. Congratulations on a job well done.

CODE NAME "GERONIMO"

(Mr. FALEOMAVAEGA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. FALEOMAVAEGA. Mr. Speaker, just last week, the U.S. military carried out a covert operation that ended in the killing of the most wanted terrorist on the planet, Osama bin Laden. The news of Osama bin Laden's death at the hands of our heroic Navy SEALs sent forth a wave of tremendous relief by the American people.

However, Mr. Speaker, we also learned that the U.S. military and the CIA used the code name "Geronimo" for the operation to seize and kill Osama bin Laden. The first reports of the details of the raid stated that Osama bin Laden had been identified as "Geronimo"—enemy killed in action.

Mr. Speaker, I would strongly suggest to all my colleagues in the House that you should go and see the movie "Geronimo" and see for yourselves if the Chiricahua Apache warrior Geronimo was a terrorist and murderer of thousands of innocent men, women, and children like Osama bin Laden. On the contrary, Geronimo was one of the greatest American Indian warriors who fought against some of the most vicious, cruellest, and inhumane treatment and policies instituted by our Federal Government against his people.

As a Nation—Mr. Speaker—I know we can do better than this. And with all due respect, I believe the President and CIA Director Panetta owe the Apache Nation an apology.

JUAN WILFREDO SOTO

(Mr. RIVERA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. RIVERA. I rise today to inform my colleagues of yet another ruthless murder by the Castro dictatorship in Cuba. Last Sunday, Juan Wilfredo Soto Garcia, a dissident leader on the island, was viciously beaten to death by Castro's state security thugs simply for participating in a peaceful protest.

Soto belonged to Foro Anti-Totalitario Unido, or the United Anti-Totalitarian Forum, a peaceful dissident organization. Witnesses have attested that two of Castro's henchmen cuffed his hands behind his back and then beat him mercilessly and repeatedly with batons until he was dead.

For 30 years, Soto peacefully worked for freedom and change on the island and served 12 years in Castro's political prisons for his pro-democracy advocacy. Last year, Soto stated, "I hold Cuban state security, the government,

and the repressive police here responsible for whatever happens to me in the future."

This past weekend, he gave the ultimate sacrifice for Cuba's freedom and became yet another victim in the Castro brothers' 50-year reign of terror.

MEDICARE

(Mr. YARMUTH asked and was given permission to address the House for 1 minute.)

Mr. YARMUTH. Mr. Speaker, this past Tuesday, 41 House Republicans sent a letter to President Obama pleading with him to stop the criticism of the GOP's plan to turn Medicare into a private voucher system—a system that would cost future seniors thousands of dollars each year. Let bygones be bygones, these Republicans said. Let's wipe the slate clean. Well, I can't help but laugh at the irony.

Last year, in districts all throughout the country, Republican candidates for Congress attacked Democrats for supporting the Affordable Care Act, claiming it cut \$500 billion from Medicare—wrongly, I might add.

Fast forward 1 year later, and those same Republicans now in Congress just a few weeks ago voted for a budget that actually embraces the very same \$500 billion in savings we found in Medicare in the Affordable Care Act.

There's a difference, though. In the health care law, Democrats took that \$500 billion and reinvested it in Medicare to increase the life of the program for more than a decade. What did the Republicans do? They take that \$500 billion and use it to pay for more tax cuts for the wealthiest Americans and giant oil companies. And Medicare? They dismantle it, forcing future seniors into a new system that will require them to pay upwards of \$180,000 more for their care.

The American people will not let them forget.

UNDERSTANDING WHAT'S HAPPENING AT THE PUMP

(Mr. MORAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MORAN. Mr. Speaker, 1 year ago, lax regulation and reckless pursuit of higher oil company profits resulted in 11 deaths, 200 million gallons of oil dumped into our gulf waters, tens of thousands of marine and aquatic life lost, and a damaged fishing and tourism industry. A panel of experts showed us how we can learn from past mistakes and implement regulations to ensure that this disaster doesn't happen again. Yet over the last 2 weeks the Republican majority has passed legislation to create an even more lax regulatory environment than existed before the BP oil spill disaster.

Opening our shores to drilling and returning to pre-BP oil spill regulations won't reduce our dependence on foreign
