Mr. BROUN of Georgia. We hear from our Democratic colleagues that the budget deficit is going to be increased by repealing ObamaCare, but that is just simply not true. The Democrats have used some faulty accounting techniques, deceptive accounting techniques, to show that. The actual cost if we keep ObamaCare over the next 10 years, it is going to increase the deficit by over $700 billion. If we keep it. We cannot afford it. States cannot afford it. They are already suffering. My home State of Georgia has a $2 billion deficit, and the increase of Medicaid premiums that will be forced on States all over this country, they cannot afford to continue to do that.

We can lower the cost of health care. We can maintain good quality health care that is patient centered so patients can make their own decisions with their doctor. That is exactly the kind of health care system that we are going to bring forth to this House. We are going to repeal ObamaCare and we are going to continue to fight if it takes all of the way through the 2012 elections so that we get, hopefully, a President who will sign a repeal and replace bill. And then we will get through the Senate. So we will continue to fight for that.

I yield back to Dr. GINGREY.

Mr. GINGREY of Georgia. Just a few closing remarks.

Mr. Speaker, I want to thank Dr. GOSAR and Dr. BUCSHON for being with us tonight.

You know, we didn't have time to go into all of the details that we would like to have gone into, but one thing that is absolutely clear is that Governors across this country—and not just Republican Governors but Democratic Governors as well—are very, very concerned with the Medicaid mandates and the fact that this maintenance of effort requirement that says that Governors who can't even be innovative and creative in running their own Medicaid programs is resulting in budget-busting in all of these States that have to balance their budgets. Unfortunately, we don't do that up here. They're having to cut education to the bone, and they're having to cut public safety to the bone because of the massive increasing costs of Medicaid.

Well, we thank the Speaker for the time, and we appreciate the opportunity to speak to the American people. We will be back here tomorrow to pass House Resolution Number 9 so that we can get busy on replacing ObamaCare.

With that, I yield back the balance of my time.

Memorandum:

[a] As of January 18, 2011 the Congressional Budget Office could not produce a detailed year-by-year estimate of the statutory paygo effects of enacting H.R. 2—Repealing the Job-Killing Healthcare Law Act. The estimate above was provided in a CBO letter dated January 6, 2011 to Speaker of the House, John Boehner.

[b] P.L. 111–139 (the Statutory Pay-as-you-go Act of 2010) requires that the budgetary effects of enactment of the Community Living Assistance Services and Supports Act (CLASS) not be counted on OMB's statutory paygo scorecard. CBO initially estimated the CLASS Act would reduce the deficit by $70 billion; therefore, repeal of the CLASS Act, which would become effective upon enactment of H.R. 2, would not be counted as increasing the deficit under statutory paygo. CBO was unable to produce an updated estimate of the deficit impact of repealing the CLASS Act as of January 18, 2011.

[c] Sec. 3(h)(1)(C) of H. Res. 5 provides authority for the Chairman of the Committee on the Budget to exempt the budgetary effects of any measure that repeals the Patient Protection & Affordable Care Act and subtitle B of title II of the Health Care and Education Affordability Reconciliation Act of 2010.
