REPORT ON THE CONTINUATION OF THE NATIONAL EMERGENCY ORIGINALLY DECLARED IN EXECUTIVE ORDER 13536 ON APRIL 12, 2010 WITH RESPECT TO SOMALIA—PM 8

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency declared in Executive Order 13536 of April 12, 2010, is to continue in effect beyond April 12, 2011.

The deterioration of the security situation and the persistence of violence in Somalia, and acts of piracy and armed robbery at sea off the coast of Somalia, which have repeatedly been the subject of United Nations Security Council resolutions, and violations of the Somalia arms embargo imposed by the United Nations Security Council, continue to pose an unusual and extraordinary threat to the national security and foreign policy of the United States. For these reasons, I have determined that it is necessary to continue the national emergency with respect to Somalia and related measures blocking

the property of certain persons contributing to the conflict in Somalia.
