

two resolutions endorsing the report's findings, the United Nations Secretary-General has been requested to submit several reports on implementation of its recommendations, and the Human Rights Council is scheduled to follow up on implementation of the report during future sessions;

Whereas the findings of the Goldstone report and the subsequent and continued United Nations member state actions following up on those findings have caused and continue to cause extensive harm to Israel's standing in the world and could potentially create legal problems for Israel and its leaders;

Whereas Justice Richard Goldstone publicly retracted the central claims of the report he authored in an op-ed in *The Washington Post* on April 2, 2011;

Whereas Justice Goldstone wrote in that article that if he "had known then what I know now, the Goldstone Report would have been a different document";

Whereas Justice Goldstone concluded that, contrary to his report's findings, the Government of Israel did not intentionally target civilians in the Gaza Strip as a matter of policy;

Whereas, in contrast, Justice Goldstone states that the crimes committed by Hamas were clearly intentional, were targeted at civilians, and constitute a violation of international law;

Whereas Justice Goldstone also conceded that the number of civilian casualties in Gaza was far smaller than the report alleged;

Whereas Justice Goldstone admitted that Israel investigated the findings in the report, while expressing disappointment that Hamas has not taken any steps to look into the report's findings; and

Whereas Justice Goldstone concluded that "Israel, like any other sovereign nation, has the right and obligation to defend itself and its citizens": Now, therefore, be it

Resolved, That the Senate—

(1) calls on the United Nations Human Rights Council members to reflect the author's repudiation of the Goldstone report's central findings, rescind the report, and reconsider further Council actions with respect to the report's findings;

(2) urges United Nations Secretary-General Ban Ki Moon to work with United Nations member states to reform the United Nations Human Rights Council so that it no longer unfairly, disproportionately, and falsely criticizes Israel on a regular basis;

(3) requests Secretary-General Ban Ki Moon to do all in his power to redress the damage to Israel's reputation caused by the Goldstone report;

(4) asks the Secretary-General to do all he can to urge member states to prevent any further United Nations action on the report's findings; and

(5) urges the United States to take a leadership role in getting the United Nations and its bodies to prevent any further action on the report's findings and limit the damage that this libelous report has caused to our close ally Israel and to the reputation of the United Nations.

SENATE RESOLUTION 139—EXPRESSING THE SENSE OF THE SENATE THAT THE PRESIDENT SHOULD TAKE CERTAIN ACTIONS WITH RESPECT TO THE GOVERNMENT OF BURMA

Mr. LUGAR (for himself, Mr. MCCONNELL, and Mr. INHOFE) submitted the following resolution; which was referred to the Committee on Foreign Relations:

S. RES. 139

Whereas the ruling junta in Burma, the State Peace and Development Council (SPDC), (recently renamed as the State Supreme Council), did not affirmatively respond to President Barack Obama's initiative to engage with Burma;

Whereas more than 2000 political prisoners continue to be detained in Burma, even after the release of Aung San Suu Kyi;

Whereas the Tom Lantos Block Burmese JADE (Junta's Anti-Democratic Efforts) Act of 2008 (Public Law 110-286) established the position of Special Representative and Policy Coordinator for Burma, and President Obama delayed for over two years to nominate a person for that position;

Whereas the Government of Burma continues to coerce children, including ethnic minorities, into participating in combat and other military roles;

Whereas the Government of Burma continues to coerce civilians, including ethnic minorities, to serve as human minesweepers;

Whereas the Government of Burma continues to coerce civilians, including ethnic minorities, to serve as porters and assist military personnel;

Whereas the United States Government successfully mounted a vigorous and multilateral strategy pursuant to United Nations Security Council Resolution 1874 (2009) to deter a North Korean ship, the Kang Nam I, from traveling to its alleged destination in Burma in July 2009;

Whereas North Korea and Burma are expanding their bilateral military relationship;

Whereas military and other personnel from North Korea have reportedly been in Burma providing technical and other assistance toward the development of the military capabilities of the Government of Burma;

Whereas the Government of North Korea has reportedly provided radar systems and capabilities to the Government of Burma;

Whereas the Government of North Korea has reportedly provided missiles and missile technology to the Government of Burma;

Whereas the Government of North Korea has reportedly provided underground tunneling technology to the Government of Burma;

Whereas the Government of North Korea has reportedly provided multiple rocket launchers to the Government of Burma;

Whereas there are reports that the Governments of North Korea and Burma are collaborating on matters related to the development of Burma's nuclear program;

Whereas the Governments of Russia and Burma collaborated on the development of Burma's nuclear program;

Whereas hundreds of persons from Burma have gone to Russia for specialized training, including in the area of nuclear technology;

Whereas the Government of Burma is acquiring additional MIG aircraft from the Government of Russia;

Whereas hundreds of thousands of persons have fled Burma since 1988 for safety and to avoid persecution; and

Whereas, since October 1, 1989, approximately 80,000 refugees from Burma have resettled in the United States: Now therefore, be it

Resolved, That it is the sense of the Senate that—

(1) given the growing relationship between the Governments of Burma and North Korea, the President should provide the Congress with an unclassified report as to the volume of ships and planes from North Korea visiting Burma, via China and elsewhere, in 2009, 2010, and through March 2011;

(2) the President should provide leadership by calling for an international investigation into allegations of international crimes

against civilians in Burma, including ethnic minorities, by the Government of Burma;

(3) the President should seek the assistance of friends and allies of the United States who actively engage with the Government of Burma and have diplomatic missions in Burma, including Singapore, Japan, and South Korea, to encourage the release of all remaining political prisoners; and

(4) the President should encourage countries neighboring Burma to establish safe havens for Burmese child soldiers fleeing from forced military service by the Government of Burma.
