

a weary traveler along the Pennsylvania turnpike; and today, their iconic Smiley Cookies can be found in my front office every Wednesday, a welcome offering from home for visiting Pennsylvanians.

Eat'n Park does more than provide an endless supply of delicious Smiley Cookies for my constituents, however. More importantly, they have made taking care of their community the centerpiece of their corporate culture through philanthropy and service. Since 1979, Eat'n Park has raised more than \$7.5 million through their annual Caring for Kids Campaign, which benefits local children's hospitals in the tri-state area. In 2010, the 32nd Annual Caring for Kids Campaign raised \$341,365 for 13 area children's hospitals. This money is used for everything from pre- and neo-natal care, toys and events for the sick children and, in some cases, even a fund for families who would otherwise be unable to afford to stay in the area during their child's treatment. These charitable efforts have allowed Eat'n Park to touch thousands of lives, and make a positive impact on children and families, throughout Pennsylvania through more than just their food.

It is hard to imagine an organization enjoying such remarkable and sustained philanthropic success without the hard work and dedication of the individuals it employs. Eat'n Park is a case in point. While it would be impossible to detail the individual contributions of the more than 8,000 members of the Eat'n Park family, today I would like to specifically recognize two important contributors to this year's Caring for Kids Campaign: Linda Mayou and Gloria Rack.

Linda Mayou has been a team member of the Monogahela Eat'n Park for 24 years, and has been Chairwoman of the Monogahela Caring for Kids Campaign for the past nineteen. Under Linda's leadership the Monogahela Eat'n Park has reigned as the top fundraising restaurant in the chain for the past 13 years, alone raising more than \$400,000 for the Children's Hospital of Pittsburgh.

Gloria Rack has been part of the Eat'n Park team for an impressive 41 years and has been an important part of the Caring for Kids Campaign since its inception. Currently a server at the Library Road restaurant, she is Eat'n Park's all-time Top Car Raffle Ticket Seller, having individually sold an estimated 30,000 car raffle tickets, raising \$60,000 for the Children's Hospital of Pittsburgh. Linda and Gloria's accomplishments are a testament to the hard work and dedication they have shown throughout their careers to Eat'n Park's philanthropic efforts.

Again, I congratulate Eat'n Park Hospitality Group on receiving this award. Their commitment to local communities truly serves as an exemplary model for all Pennsylvanians. I applaud their efforts and wish them another six decades of continued success in all their endeavors.●

TRIBUTE TO CAPTAIN DAVID LANG

● Mrs. SHAHEEN. Mr. President, today I wish to honor Captain David Lang for his outstanding service to the people of Hampton, NH.

For the past 30 years, Dave has worked to protect his community through his faithful service with the Hampton Fire Department. As he retires from the department, I applaud him for his longstanding service and dedication to the people of Hampton.

Captain Lang first joined the Hampton Fire Department in December 1979 as an on-call firefighter. Due to his eagerness, hard work, and reliability, Dave rose through the ranks from permanent firefighter, to EMT, to lieutenant, and for the last 4 years has served as captain.

During his tenure, Captain Lang consistently prioritized the needs of the community over his own, in particular during the Old Salt fire in 1999 and the A Street block fire in 2009. He has been credited with the successful resuscitation of a patient in cardiac arrest and the rescue of several trapped civilians. For this outstanding service, Captain Lang has been recognized by the New Hampshire Association of Chiefs of Police as Law Officer of the Year for Fire Service and has received the New Hampshire Fire Academy's prestigious Academy Award.

Dave's commitment to fire safety in Hampton did not stop with his service in the field but carried over into professional leadership roles. Throughout his career, he participated in the Professional Fire Fighters Association of New Hampshire and for the past 16 years has served as its president. I am pleased that even as Dave retires from the Hampton Fire Department, he continues to serve as President of the Professional Fire Fighters.

Dave is a native of New Hampshire and has lived in Hampton for over 30 years. I have known him personally and professionally for over 20 years and can attest to his commitment to public service, to his community, and to his family. Dave has been married to his wife Karen for 35 years and they have two beautiful daughters, Emily and Molly. His strong character and generous spirit touch upon all aspects of his work and family life, and his dedication and leadership in the community distinguishes him as an extraordinary public servant. New Hampshire is truly lucky to have him as a native son.

On a personal note, I am grateful to Dave for his support and counsel during my years in public office. I could always count on Dave's advice about issues ranging from firefighting and emergency response to collective bargaining. Whenever I needed Dave's assistance in any capacity, he was always there, willing to help.

As Captain Lang prepares for a well-deserved retirement, I wish to thank and honor him for his service to the people of Hampton.●

REMEMBERING RUTH HUMPHREYS BROWN

● Mr. UDALL of Colorado. Mr. President, today we recognize the life of Ruth Humphreys Brown, a remarkable Coloradan who dedicated herself to a life of service and good will and a woman who was deeply tied to the American West. Ruth passed away on December 30, 2010, at the age of 90.

Ruth led a life full of courage and giving, and our country is indebted to her for her service. In 1943, at the age of 22, she answered our nation's call and was among the first women accepted to fly American military aircraft in the Women Airforce Service Pilots. As a young pilot stationed in Texas, her efforts prepared our bombardiers and ground artillery units to fight and win in World War II, and Congress rightfully acknowledged her heroic contributions by awarding her a Congressional Gold Medal in 2010.

I knew Ruth to often work behind the scenes, but she never lacked in ambition. Ruth's service extended to countless projects that continue to improve the health and activity of Colorado's communities. She took part in starting the first Outward Bound Program in the country. I am personally grateful to Ruth for her efforts to start this program, having made it my career for 20 years. Coloradans and adventurers across the continent benefit from Outward Bound's strength in training leaders and building community—two ideals to which Ruth contributed tremendously. Her love for the outdoors, from whitewater rafting and picnicking to swimming and skiing, carries on through the mission of Outward Bound.

Ruth gave to improve her community and never asked for the credit. But many agree she deserved it. One of her well-known and early contributions was committing the money to clear a new run on Aspen Mountain in 1949. Skiers have since come to love Ruthie's Run, aptly named after its originator, in much the same way that so many of us admire Ruth.

She grew up in Denver, worked and played on her family's Wagon Wheel Ranch in Southern Colorado, and was fundamental in making Aspen a thriving mountain town and wonderful place to live. Ruth's touch spanned the State and never failed to reach a person or community in need.

A veteran, entrepreneur, philanthropist, and mother, Ruth was a truly accomplished and inspirational Coloradan. Today we pause to honor her legacy and her welcomed contribution to Colorado's rich heritage.●

REMEMBERING DAVE GENOVA

● Mr. UDALL of Colorado. Mr. President, last year we lost a great man and leader whom I knew well, Dave Genova. On March 28, 2010, Dave passed away at the age of 67.

From my days as an educator and guide in the Outward Bound Program, I

knew Dave to be a remarkably talented and committed individual with a gift for leadership.

Dave spent 32 years with Outward Bound, a program that uses the outdoors as a classroom to inspire service to others and to coach leadership skills, oftentimes to underprivileged youth. Having taught some 2,000 students, he had an incredible enthusiasm for bringing people together to overcome challenges in ways they never thought possible.

Throughout his tenure in the North Carolina Outward Bound, Dave played an invaluable role as an educator, but he was also an innovator. In 1999, he started the Unity Project, which is designed to break down barriers of social and economic inequality. His efforts have enabled nearly 1,000 young leaders to become agents of social change in their local schools and communities, and the program continues to educate and train future leaders today.

Dave once said of the Outward Bound School, "Compassion is the well-spring from which we derive our relevance." These words should serve as a guiding compass for us all. Dave taught from a place of understanding, and he sought to ensure every one of his students came away with a greater appreciation for others and the knowledge that, in his words, "We're all in this together." He used the great outdoors to build a sense of community among adventurers, but more important, he taught them how to carry on his work to build bridges between people. Neighborhoods, cities, and States have been touched by Dave's work, and we can all be grateful for his contribution.

A longtime outdoorsman myself, I appreciate and admire Dave's passion for our wild lands and the lessons they can teach us. Always a bold leader, scaling the toughest of life's mountains, Dave's extraordinary character exemplifies an ideal to which we all should strive. He is missed by many, but his memory continues to guide me and all his students.●
