

have much greater effect on our economy and have much better gas mileage and less effect on the engines and drivetrains and all of the other—the smog prevention we have on automobiles today.

So let me say it again. I am not against using biocrops. I am for biocrops. I am not against cellulosic-based. I am not against ethanol. I am not against algae. But ExxonMobil has spent a couple of billion of their own money on algae-based biofuels without the government's help, which is one of the points with this amendment. We no longer need to help. We no longer need to spend the money.

So I look forward to the debate tomorrow. I will be on the floor all day to answer questions and to debate the pros and cons of this amendment.

I yield the floor.
