Mr. BOOZMAN. Mr. President, today I am introducing a piece of legislation that will save taxpayers an estimated \$50 million. This bill will change the ownership of two properties in D.C. and provide a space for the National Women's History museum. Under my legislation, the current headquarters of the Federal Trade Commission, the Apex Building, would be transferred to the National Gallery of Art. Current Federal Trade Commission employees would be relocated to office space already leased to the federal government. The Apex building, under my legislation, would be used more efficiently and opened up for maximum public use.

Mr. President, I ask unanimous consent that the text of the bill be printed in the RECORD.
