"SEC. 251. ENFORCING DISCRETIONARY SPENDING LIMITS.

"(a) ENFORCEMENT.—

"(1) SEQUESTRATION.—Within 15 calendar days after Congress adjourns to end a session there shall be a sequestration to eliminate a budget-year breach, if any.

"(2) ELIMINATING A BREACH.—Each non-exempt account shall be reduced by a dollar amount calculated by multiplying the enacted level of sequestrable budgetary resources in that account at that time by the uniform percentage necessary to eliminate a breach.

"(3) MILITARY PERSONNEL.—If the President uses the authority to exempt any personnel account from sequestration under section 255(f), each account within subfunctional category 051 (other than those military personnel accounts for which the authority provided under section 255(f) has been exercised) shall be further reduced by a dollar amount calculated by multiplying the enacted level of non-exempt budgetary resources in that account at that time by the uniform percentage necessary to offset the total dollar amount by which outlays are not reduced in military personnel accounts by reason of the use of such authority.

"(4) PART-YEAR APPROPRIATIONS.—If, on the date specified in paragraph (1), there is in effect an Act making or continuing appropriations for part of a fiscal year for any budget account, then the dollar sequestration calculated for that account under paragraphs (2) and (3) shall be subtracted from—

"(A) the annualized amount otherwise available by law in that account under that or a subsequent part-year appropriation; and

"(B) when a full-year appropriation for that account is enacted, from the amount otherwise provided by the full-year appropriation.

"(5) LOOK-BACK.—If, after June 30, an appropriation for the fiscal year in progress is enacted that causes a breach for that year (after taking into account any sequestration of amounts), the discretionary spending limits for the next fiscal year shall be reduced by the amount or amounts of that breach.

"(6) WITHIN-SESSION SEQUESTRATION.—If an appropriation for a fiscal year in progress is enacted (after Congress adjourns to end the session for that budget year and before July 1 of that fiscal year) that causes a breach for that year (after taking into account any prior sequestration of amounts), 15 days later there shall be a sequestration to eliminate that breach following the procedures set forth in paragraphs (2) through (4).

"(7) ESTIMATES.—

"(A) CBO ESTIMATES.—As soon as practicable after Congress completes action on any discretionary appropriation, CBO, after consultation with the Committees on the Budget of the House of Representatives and the Senate, shall provide OMB with an estimate of the amount of discretionary new budget authority for the current year, if any, and the budget year provided by that legislation.

"(B) OMB ESTIMATES AND EXPLANATION OF DIFFERENCES.—Not later than 7 calendar days (excluding Saturdays, Sundays, and legal holidays) after the date of enactment of any discretionary appropriation, OMB shall transmit a report to the House of Representatives and to the Senate containing the CBO estimate of that legislation, an OMB estimate of the amount of discretionary new budget authority for the current year, if any, and the budget year provided by that legislation, and an explanation of any difference between the 2 estimates. If during the preparation of the report OMB determines that there is a significant difference between OMB and CBO, OMB shall consult with the Committees on the Budget of the House of Representatives and the Senate regarding that difference and that consultation shall include, to the extent practicable, written communication to those committees that affords such committees the opportunity to comment before the issuance of the report.
