

Facts: Small business are important because they:

- (1) Represent 99.7 percent of all employer firms,
- (2) Employ just over half of all private sector employees,
- (3) Pay 44 percent of total U.S. private payroll,
- (4) Generated 64 percent of net new jobs over the past 15 years,
- (5) Create more than half of the nonfarm private gross domestic product (GDP),
- (6) Hire 40 percent of high tech workers (such as scientists, engineers, and computer programmers),
- (7) Are 52 percent home-based and 2 percent franchises,
- (8) Made up 97.3 percent of all identified exporters and produced 30.2 percent of the known export value in FY 2007,
- (9) Produce 13 times more patents per employee than large patenting firms and twice as likely as large firm patents to be among the one percent most cited.

Republicans appear to be on a mission to cut programs that help families and will buttress small businesses at a time when there are Americans faced with the perils which arise during cleaning up after a natural disaster. Now is not the time to force those Americans to wait on a partisan battle, to pick a fight that has not been fought in eight previous authorizations of funds for disaster relief. There needs to be a balance when determining which programs to cut and when. A balance to finding the funds that will address national disasters. A balanced approach to measures that will aid small business and to restore our economy.

I support small business and job creation. I will not support small business growth being held hostage to the unrealistic demands made by my Republican Colleagues. American families need legislation that are job growers rather than measures that are jobs killers.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). There are 2 minutes remaining in this vote.

□ 1751

Ms. FOXX changed her vote from “yea” to “nay.”

Mr. ROONEY changed his vote from “nay” to “yea.”

So two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. TONKO. Madam Speaker, on rollcall No. 720 I was unavoidably detained. I conducted a previously scheduled telephone town hall with constituents of the 21st Congressional District of New York. The telephone town hall addressed flooding concerns associated with recent disasters that impacted the district. Had I been present, I would have voted “aye.”

Mr. TURNER of New York. Madam Speaker, on rollcall No. 720 I was detained. Had I been present I would have voted “yea.”

PALESTINIAN STATEHOOD U.N. VOTE

(Mr. ROTHMAN of New Jersey asked and was given permission to address the House for 1 minute.)

Mr. ROTHMAN of New Jersey. Madam Speaker, the Jewish State of Israel is essential to America's national security. The Jewish State of Israel guards the Mediterranean, the Suez Canal, and helps us with the oil and other activities in the Persian Gulf near Iran. Our relationship is mutually dependent, and so extremely important to both countries' vital national security.

But what's happening this week at the U.N., the Palestinians are going to the U.N. to avoid negotiating a peace agreement with Israel. The Palestinians want the U.N. to do what they won't do, negotiate a peace agreement.

Yet the Palestinians are made up of Hamas and Fatah. Hamas is a terrorist group with the blood of innocent Americans on their hands. Hamas' charter says they will never recognize Israel's right to exist.

Fatah is coming to the U.N. through their President Abbas, even though President Obama and the Congress have said, Go negotiate peace with Israel. Why would the Palestinians do that to the United States' vital national security interests and America's best friend in the region, the Jewish State of Israel? Because they are refusing to make an agreement to live in peace with the Jewish State.

The Congress has spoken. We will withdraw aid from the Palestinians, and the Palestinian people will suffer. The Palestinian leadership must withdraw from the U.N. and go to the negotiating table without pre-conditions with the Jewish State of Israel.

HUMAN RIGHTS IN BELARUS

(Mr. SHIMKUS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SHIMKUS. Madam Speaker, it's been more than 9 months since the December 19 brutal and bloody crackdown on the opposition in Belarus. Human rights of ordinary Belarusian citizens continue to be denied. Nine political prisoners still exist. Nikolay Statkevich, Andrey Sannikaw, Dmitri Uss, Dmitri Bandarenka, Dmitri Dashkevich, Eduard Lobov, Pavel Severinets, Ales Belyatsky and Mikalai Autukovich remain in prison, and President Lukashenka is using them to bargain for economic assistance with the international community.

Anatoly Lyabedtska, leader of the United Civic Party, described the conditions in the KGB pre-trial detention facility as being cruel and inhumane, and the authorities' actions against opposition activities as being brutal.

For the first time in 17 years, people in Belarus are looking for a real alternative and asking for democratic
