

The House has made great progress on this year's appropriations bills, and I intend to wrap up this work as quickly as possible to provide for the economic and fiscal security of our Nation and the needs of the American public.

I urge my colleagues to support the bill, and I reserve the balance of my time.

Mr. DICKS. I yield myself such time as I may consume.

Mr. Speaker, the CR before us runs through November 18. The CR continues funding at last year's level minus 1.053 percent to ensure that spending is limited to \$1.043 trillion, the amount agreed to in the Budget Control Act.

Democrats voted "no" previously for two reasons: We strongly oppose taking funding from the Advanced Technology Vehicle Manufacturing program. This is a program that has proven to be a success in creating jobs. The Department of Energy estimates the loan guarantees have created or maintained 39,000 jobs in California, Delaware, Illinois, Indiana, Kentucky, Ohio, Michigan, Missouri, and Tennessee. The pending applications will help create more jobs. The money received by the companies is paid back to the government with interest. We also strongly oppose the notion that efforts to help Americans rebuild their lives after floods, hurricanes, wildfires, and other natural disasters should be put on hold until Congress can agree on offsetting reductions in spending.

FY12 has begun, so there is no need for FY11 disaster relief funding in the CR. In earlier versions, House Republicans had insisted on offsetting FY11 disaster relief funding. The CR under consideration today no longer cuts funding for ATVM and does not require an offset.

I urge a "yes" vote, and I yield back the balance of my time.

Mr. ROGERS of Kentucky. I yield back the balance of my time.

Mr. PETERS. Mr. Speaker, I rise today to thank my Democratic colleagues for standing with me to protect a program that has created or saved over 41,000 auto jobs.

At one point during this debate, many thought that the Republicans would be successful in cutting \$1.5 billion from a program that literally moved production of the Ford Focus from Mexico to Michigan creating thousands of badly needed manufacturing jobs.

But we proved them wrong. We proved that a united Democratic Caucus can stand up and win when we're working to save jobs.

By uniting, we showed Speaker BOEHNER that Democrats in the House would not stand by and accept a plan to kill tens of thousands of jobs.

Today marks a victory for working Americans, but we must never let our guard down.

As long as Republicans continue to put Tea Party Special Interests and corporate outsourcers before American jobs, the fight will continue.

I hope that our friends on the other side of the aisle will take this opportunity to end their war on jobs and the American Middle Class but if they do not, we will unite and fight back once again.

The SPEAKER pro tempore. All time for debate has expired.

Pursuant to the order of the House of Monday, October 3, 2011, the previous question is ordered.

The question is on the motion by the gentleman from Kentucky (Mr. ROGERS).

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. ROGERS of Kentucky. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this question will be postponed.

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess for a period of less than 15 minutes.

Accordingly (at 1 o'clock and 42 minutes p.m.), the House stood in recess subject to the call of the Chair.

Stated for:

Mr. DOLD. Mr. Speaker, on rollcall No. 745 I was unavoidably detained. Had I been present, I would have voted “yea.”
