

There was no objection.

Mr. PRICE of Georgia. Mr. Speaker, somebody once said that whether you say you can or you can't, you're right. The other side says they can't. The other side says we can't. We believe we can.

Mr. Speaker, we have two different versions of H.R. 3630. There is a House version and a Senate version. Everybody who knows about the United States Government knows that when you have two different versions you come together in a conference committee. You come to common ground, work out the differences, and move the bill back to both Chambers.

What are the differences?

In the House bill, we protect seniors' access to their doctors for 24 months. How about in the Senate bill? It's 2 months;

In the House bill, the Federal unemployment benefits extension goes for 13 months. In the Senate bill, it's 2 months;

As for the payroll tax cut extension, in the House bill, it's 12 months. In the Senate bill, it's 2 months;

As for the payroll tax cut for workers earning \$50,000 a year, in the House bill, it's \$1,000. In the Senate bill, it's \$167.

There is a pay freeze for Members of Congress and Federal workers included in the House bill, not in the Senate bill. There is the ending of unemployment and food stamp benefits for millionaires in the House bill, not in the Senate bill.

So, Mr. Speaker, this is about two different bills. It's about certainty. It's about certainty for families and for job creators and for seniors. It's also about real jobs for real people. Our bill provides certainty and 20,000 jobs with the Keystone pipeline construction and another 120,000 new jobs in the supply chain for the pipeline: positive policy.

Why wait? Why wait, Mr. Speaker? Why not make a decision in the next few days on these tax and health care and unemployment extensions? What's the economic or the policy argument for putting this off for another 2 months? The truth is that there is none, and there are strong arguments against delay. We ought to be working on alleviating the uncertainty that that would bring about, not adding to it.

Mr. Speaker, I call on my colleagues to support this resolution and to move forward positively for families, for job creators, and for seniors.

I yield back the balance of my time.

The SPEAKER pro tempore. All time for debate has expired.

Pursuant to House Resolution 502, the previous question is ordered on the resolution and on the preamble.

The question is on the resolution.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. CLYBURN. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this question will be postponed.

RAISING A QUESTION OF THE PRIVILEGES OF THE HOUSE

Ms. EDWARDS. Mr. Speaker, I rise to offer the resolution previously noticed.

The SPEAKER pro tempore. The Clerk will report the resolution.

The Clerk read as follows:

H. RES. 504

Whereas Joseph Goebbels served as the Third Reich's Minister of Public Enlightenment and Propaganda in Nazi Germany from 1933-1945;

Whereas Joseph Goebbels openly used xenophobia and racism in his quest to dehumanize European Jewry;

Whereas Joseph Goebbels made Jews the scapegoat of German economic insecurity, fostering flagrant anti-Semitism;

Whereas the United States Holocaust Memorial Museum reports "that Joseph Goebbels delivered a passionate anti-Semitic speech to the Nazi party faithful in Munich on November 9, 1938 . . . After the speech, Nazi officials order the Storm Troopers (SA) and other party formations to attack Jews and to destroy their homes, businesses, and houses of worship. The violence against Jews lasts into the morning hours of November 10th, and becomes known as Kristallnacht—the 'Night of Broken Glass'. Several dozen Jews lose their lives and tens of thousands are arrested and sent to concentration camps.";

Whereas Nazi Germany and their collaborators killed six million European Jews and millions of others as part of their "Final Solution";

Whereas by invoking the specter of Joseph Goebbels, the Representative from Florida, Mr. West, thoroughly belittles the horrors and suffering experienced by the victims and survivors of the Holocaust;

Whereas the American Jewish Committee issued a December 15, 2011, statement saying "To make a linkage between any mainstream political party in the United States and the heinous atrocities committed by the Third Reich should be simply beyond the pale, whatever political differences may arise in a heated electoral season . . . By invoking the image of Joseph Goebbels and the Gestapo, Representative West has displayed a complete lack of understanding of the worst genocidal era in human history. Moreover, he has diminished and trivialized the unique evil perpetrated by the Third Reich through his unfortunate use of language";

Whereas the Anti-Defamation League said in a December 16, 2011, letter to the Representative from Florida, Mr. West, "We were deeply dismayed by Rep. West's remark comparing the Democratic Party's attempts to articulate views to the American people through the media to the efforts of the Nazi propaganda minister, Joseph Goebbels . . . Such outrageous Holocaust analogies have no place in our political dialogue. They are offensive, they trivialize real historical events, and they diminish the memory of the six million Jews and millions of others who perished in the Holocaust";

Whereas the Representative from Michigan, Mr. Conyers, wrote in a letter to the Representative from Florida, Mr. West, that the Representative from Florida should "help raise the level of congressional discourse in a vigorous debate";

Whereas the Representative from Florida, Mr. West, responded back in a letter to the

Representative from Michigan, Mr. Conyers, that "The Democrat Party does indeed have a vicious propaganda machine, it espouses lies and deceit and the Master of deceptive information would be truly proud";

Whereas in the repetition of this abhorrent and outrageous sentiment to the Representative from Michigan, Mr. Conyers, the Representative from Florida, Mr. West, demonstrates not only the willful and malicious misapplication of history, but also his disdain for the decorum of the Congress; and

Whereas the conduct of the Representative from Florida was repugnant: Now, therefore, be it

Resolved, That the House of Representatives disapproves of the behavior of the Representative from Florida, Mr. West, for bringing discredit to the House by offending the memory of those who died during the Holocaust.

The SPEAKER pro tempore. The resolution qualifies.

MOTION TO TABLE
