MESSAGES FROM THE PRESIDENT

Messages from the President of the United States were communicated to the Senate by Mrs. Neiman, one of his secretaries.

EXECUTIVE MESSAGES REFERRED

As in executive session the Presiding Officer laid before the Senate messages from the President of the United States submitting sundry nominations which were referred to the appropriate committees.

(The nominations received today are printed at the end of the Senate proceedings.)

CONTINUATION OF THE NATIONAL EMERGENCY ORIGINALLY DECLARED IN EXECUTIVE ORDER 13288 ON MARCH 6, 2003, WITH RESPECT TO THE ACTIONS AND POLICIES OF CERTAIN MEMBERS OF THE GOVERNMENT OF ZIMBABWE AND OTHER PERSONS TO UNDERMINE ZIMBABWE'S DEMOCRATIC PROCESSES OR INSTITUTIONS—PM 6

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date.

In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to the actions and policies of certain members of the Government of Zimbabwe and other persons to undermine Zimbabwe's democratic processes or institutions is to continue in effect beyond March 6, 2011.

The crisis constituted by the actions and policies of certain members of the Government of Zimbabwe and other persons to undermine Zimbabwe's democratic processes or institutions has not been resolved. While some advances have been made in Zimbabwe, particularly on economic stabilization, since the signing of the power-sharing agreement, the absence of progress on the most fundamental reforms needed to ensure rule of law and democratic governance leaves Zimbabweans vulnerable to ongoing repression and presents a continuing threat to peace and security in the region and the foreign policy of the United States. Politically motivated violence and intimidation, and the undermining of the power-sharing agreement by elements of the Zimbabwe African National Union-Patriotic Front party, continue to be of grave concern. For these reasons, I have determined that it is necessary to continue this national emergency and to maintain in force the sanctions to respond to this threat.

The United States welcomes the opportunity to modify the targeted sanctions regime when blocked persons demonstrate a clear commitment to respect the rule of law, democracy, and human rights. The United States has committed to continue its review of the targeted sanctions list for Zimbabwe to ensure it remains current and addresses the concerns for which it was created. We hope that events on the ground will allow us to take additional action to recognize progress in Zimbabwe in the future. The goal of a peaceful, democratic Zimbabwe remains foremost in our consideration of any action.

BARACK OBAMA.

THE WHITE HOUSE, March 2, 2011.
